

Love is sufficient for itself; it gives pleasure to itself, and for its own sake. It is its own merit and own reward. Love needs no cause beyond itself, nor does it demand fruits; it is its own purpose.

Love Is Sufficient:

Power of Love Huzaifa Khorakiwala,2013-03 Power of Love Refreshing stories on the world s greatest emotion and power LOVE *New-Church Messenger* ,1906 *My Love!* Elizabeth Lynn Linton,2025-07-09 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Love in the Religions of the World** Paul Caringella,Gregory Kaplan,2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion it is a matter of concern for everybody For irrespective of whether one believes in God religion is a major characteristic of identity And in the post 9 11 world every educated person is aware of how important it is to understand what others believe This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world Eschewing the comforting but ultimately erroneous and dangerous idea that all religions believe more or less the same thing each essay examines the role and nature of love in a major religion of the world It is an invaluable guide for students teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world s religions It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures United States Digest: a Digest of Decisions of the Various Courts Within the United States, from the Earliest Period to the Year 1870 ,1874 Lance and Angelia Book 3 Arya Aleron And Krystal Jo-Lynnelle,2011 *Knowing God More* Dan Holloway,2020-04-13 Everyone could use some uplifting inspiration from time to time This introspective guide allows readers to take bite sized chunks of spiritual ideas and use them in practical everyday ways to improve their lives by realizing their connection with the divine with the universe with God Through entertaining and stimulating stories and concepts each day offers new and life enhancing ways to gain deeper self awareness and experience greater inner peace and joy **The Lawyers Reports Annotated** ,1907 Treatise on the Love of God Saint Francis of Sales,2007-06-01 **Love Unchained** David W. Johnson,2025-04-04 Love Unchained speaks when the struggles are difficult and hard and you cannot see a light at the end of the tunnel We all experience those times when hope is weak and fear is stronger You cannot find answers to these problems that every life endures at one time or another Unchained love is faith that you are loved and not alone God your higher power is with you through all this loving you and suffering with you You are not alone and that will get you through it heal your fear and overcome all pain and loss Simply trust the love It is always there in all circumstances in your life and you can endure and feel the touch of his hand on your heart **Unwrapping Beloved's Gift, Co-Creating Soul's Song** Isaura Barrera,2019-04-10 I think the best way you could describe this text is as put it in the Introduction a meditative map I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again always finding something new or something that had before remained unseen due to my own place in my own unique spiritual

journey Lauren Sapala writer blogger and coach One day unexpected and unhopd for the world we had thought irretrievably lost may be returned to us I Zaleski 2006 It began with reading John O Donohue s Anam Cara I remembered I had once known such a friend and reached out to reconnect Love opened the door hope kept it open and faith gave me the courage to walk through These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved This book has two purposes to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others Isaura Barrera identifies five way stations that trace the path carved out by the song of love hope and faith evoked by her renewed friendship Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys Reflections at each station are linked to scriptural passages highlighting connections between deep friendship with a human beloved and deep friendship with Divine Beloved
