Wilhelmsen,1962 **Love Is!** Frank M. Hasel,2024-04-02 Love Is is more than just one man s story it is an invitation to every heart that grieves the loss of a loved one When Frank Hasel lost the love of his life everything turned upside down and he was thrust into a world of aching absence and unexpected responsibilities as a young widower and father of three In these pages he shares his raw honest journey through grief as a fellow traveler This book is not a manual it is a companion Frank s reflections do not offer easy answers but they do offer something deeper hope presence and a powerful reminder that while death may take a loved one it cannot take the love others carry for them Love Is explores how grief and grace can coexist and how gratitude can grow even in the darkest seasons Whether readers are grieving a lost heart hero someone whose love shaped their world or simply want to understand how to offer real helpful help in times of loss this book speaks to the human journey of holding on and letting go *Marion, Love, and Nihilism* Matthew C. Kruger,2024-11-19 The foundation of this book is the work of Jean Luc Marion who writes at length about the problems of vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In Marion Love and Nihilism Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion s thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion s work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion s thought ends in world denial and thus fails find a complete answer to nihilism **Love and Lust** Theodor Reik,2017-07-05 These selections from Theodor Reik s work concern the love life and sexual activity of men and women Reik establishes the theme of this work in the following way The sex urge hunts for lustful pleasure love is in search of joy and happiness Over a third of this volume had never been published in book form before it originally appeared half a century ago Its appearance in paperback for the first time is a welcome addition to current debates liberated from ideological and political constraints The first part of the book is so far ahead of its time that it is still current It reveals Reik s departure from Freud s theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly

abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author s usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly Many of your impressions about us women are correct No man should read the book A few seconds later she said Or rather every man should read the book As Paul Roazen noted in contrast to some of Freud s other followers Reik was prescient early on in distinguishing self love from narcissism Reik believed that genuine self regard was the ultimate basis for developing the capacity to love At times Reik seems to defend women at times to critique them Yet he writes with sympathy and understanding He challenges other authorities who have written on the subject but he also agrees with many of them Love and Lust is civilized writing at its most provocative Reik is authoritative and his book reflects the glow of a rich personali *The Lutheran Quarterly* ,1887
