Enterludes G. Nadine, 2010-07-08 We should talk about love We should talk about lust We should talk about sex We should talk the aftermath We should talk about the spirit We can talk We must talk Let s converse Nadine G Enterludes is a collection of poetry that depicts a common human experience The reader takes a journey through love misdirection and finding self while exploring the entities one allows to enter one s life Chapter one Love explores the pitter patter we get in our hearts as children it explores the fantasies of love and begins to illustrate how these ideals often contradict the realities of love This section of the book discusses the feelings that love evokes which are often pleasant in nature However it also explores the concept of defining love and identifying whether or not one truly knows real love The ideals of love become more convoluted when lust enters the picture Chapter two Lust illustrates the temptation to move from

that which is heart felt to that which is physically felt Lust is often described as a deadly sin Yet it is very alluring and promotes immediate gratification without any thought of consequence Lust is a powerful thought that often leads to actions Chapter three Sex acknowledges the feelings and emotions evoked when temptation wins and actions are taken It discusses a thirst quenched and the pleasures that arise from physical connection It also alludes to the dangers of acting with only the thought of immediate satisfaction without thought of long lasting consequence Chapter four The Aftermath becomes the voice of reason as one has to face the plethora of consequences that surround each decision IT explores the law of nature every action has a reaction Taking action of lust can cause consequences that can taint the beauty of love The dilemma then arises how does one know whether their actions are based on love or based on lust Chapter Five Spirit allows for the true definition of love to be explored by utilizing the lessons learned throughout the journey A higher level of consciousness is explored as both positive and negative repercussions are deconstructed Love begins to be redefined and no longer partialized Spirit teaches a simple lesson what one allows to enter into the home will dictate how one lives It sparks the questions What is important to you What will you continue to allow into your life Is it a spirit of love Is it a spirit of lust Is it a spirit of sex Is it a spirit of self Is it a spirit of God What are your Enterludes The author Nadine G states penetration is lasting and deep touching every corner of your soul The truth the physical affects the body mind and spirit She encourages the reader to converse embrace your own Enterludes as life lessons and be mindful of all that enters your life The purpose of the book is to spark dialogue about love lust sex the aftermath and the spirit In her words let s converse *Journey to a Healed Heart* Mary Debnam,2012-03 Not all About Me August 1st 2011 Move into position The words that are calling on me Asking for permission To assembly To teach the heart What needs to be learned Instruct the mind What needs to be discerned Guide souls God s eternal kingdom to be earned What You mean this is not all about me God says Aaah yes my child The right question has finally been asked You are a vessel Used for this task To help others see The beauty within That originated with Me Look past their immediate Like I ask of you See the richness inside Blessings to inherit if they choose Give up What they are trying to hold on too Their way Don t look at it As something they have to loose My Way Direction they can not refuse The hearts of men Turn back to Me Discover your true worth Discover true beauty Discover the reason you were created to be No It s not about you It s for My Glory Put your heart on display Many Are not willing to do Pour out till you are empty Allow Me to finish filling you With the five steps to faith You have the information I have instilled in you Read My Word Comprehend what I require you to do Study My Word My Way will be revealed to you Put into action The goodness of God you have learned Do all these things Manifestation Yours to earn True faith You ask I say Trust and believe Stay focused and obedient You shall receive Count your past And your present As blessing to touch many You are right my child It s not about you It s all for My Glory For it gives Me great pleasure to bless Those who know They belong to Me **Flipping the Fairytale** Cindi Laree,2018-03-06 Disenchanted with the search for Prince Charming and tired of kissing frogs You re struggling to find your

Collection of Poetry Wayne Anderson,2022-01-11 Somewhere beyond My wildest dreams There is a place Where peace is always still A place Where Words of love Are always spoken A place Where brothers and sisters From different nations Live together In one beautiful neighborhood Somewhere Beyond the stars in the sky There is a place Where tears of joy Flow Like Rivers of water A place where The crooked Is made straight Imagine if you will A place That is so beautiful It overcomes All The pain and suffering That this life has to offer In this place There are no wars No murders and no prisons One day We will close our eyes To this life And lift them up In the world of eternity My Soul Yearns for this place It s a place my Spirit calls home It s also a place I belong That place is called Heaven
