and messages to help others visualize a situation that may have had an effect on their lives with possible resolution My poems are intended to inspire and motivate others as I have been inspired to write them My voice speaks out loud to represent those who are fearful to speak for themselves If I can reach out and touch somebody and make a difference in their life then I feel that my work was worth sharing My inspiration and motivation comes from my loving husband who came to my rescue at a time when all was dark and empty in my life and my children who gave me reasons to want to live The fact that I was in a dangerous situation also put my children s lives at risk and gave me the strength and courage to take control of my life I write poems as a medicinal tool to help heal my wounds internally and emotionally It allows me to tell a story and controls my mental state of mind by putting it at ease and peace These crucial changes allowed me to have the peace of mind that I have today I have some good memories which I will always embrace and treasure but had more bad than good that will never be forgotten
