good health He did this by choosing to live a healthy lifestyle that included regular vigorous exercise a healthy diet sufficient rest and recovery and an active sex life four parts of his prescription for long lasting youth That is the secret of how he has managed to stay totally fit at over seventy and still looks and feels like an extremely fit young man twenty years younger This is what he shares with the readers plus the fun filled lifestyle that he and his wife now enjoy living in retirement Dian associates real life scenarios some of them with multicultural background to address many interesting but relevant issues concerning retirement sex life health and fitness and the positive impact living a healthy lifestyle can have on our aging process As part of the conclusion Dian said What I described as my prescription for long lasting youth is at best a strong personal belief but one that seems to have promising merits and supported by my personal experience to this date Although it has made a believer out of me it will take my lifetime to prove it and that could be a very very long time too long for you to wait for it even if you could afford to So why not just join me and give it a try What have you got to lose your life
