Heaven and Its Wonders and Hell from Things Heard and Seen Emanuel Swedenborg, 1875 **The Pilgrimage to Heaven** John C. T. Kim, 2013-01-15 The Pilgrimage to Heaven How to Have Eternal Life and Enter Heaven focuses attention on two contrasting paths people may take through their lives the way of indulging personal desires and the way of following Jesus Christ Author John C T Kim provides honest and unsparing glimpses of his journey into the hell of his own creation and the rescue he received through the promise of new life through the gospel of Jesus Christ His story invites greater appreciation of travails such journeys entail while providing authentication for the witness he makes to the work of the Lord Four main sections share personal stories and Christian witness under the headings of The Way of Man The Life in the World The Way of God and The Life in Christ Jesus Explanations of key biblical terms explorations of current cultural practices and consideration of the Bibles message combine to draw out the spiritual challenges of sinful living and to lift up the spiritual blessings of righteousness If you have found yourself wondering how you fell into captivity to the forces of evil how you slid into poverty of spirit and how you wandered into a wilderness of doubt The Pilgrimage to Heaven offers straightforward and informed guidance for turning your life around taking a step off of the road gone wrong and making your pilgrimage toward heaven as a committed disciple of Jesus Christ **The Scent Of Rosa's Oil** Lina Simoni, 2008-01-01 Set in the beautiful port city of Genoa Italy at the turn of the century The Scent of Rosa s Oil is a magical story that attests to the strength of longing the consequences of betrayal and the nostalgic memories only a one of a kind fragrance can evoke The only home Rosa has ever known is the Luna brothel where she s lovingly cared for by Madam C and all the women who work there Madam C

shelters Rosa from what really goes on at the Luna by telling her they play a game with the men who visit Naturally Rosa is curious and can't wait until she grows up so she can also play the game But when a twist of fate forces Rosa to leave the Luna after her sixteenth birthday she goes to stay with her new friend Isabel an old woman who distills oils The strange smells and smoke that emanate from Isabel's shack have deemed her a witch to the locals but only Rosa sees a lonely tender woman with a passion for making beautifully scented oils Enchanted by the intoxicating fragrances around her Rosa becomes Isabel's apprentice learning the art of extracting a flower's essence and selling the oils in the town square Soon everyone in Genoa is talking about the pretty young girl with the lush locks of red hair who sells aromatic oils in the piazza Some say she has the oil to cure whatever ailment one has while others say her oils will capture the heart of a special person Indeed Rosa has learned Isabel's secret for creating her own perfect oil a unique fragrance that holds a mysterious power Now Rosa needs a miracle to make Renato the man she has fallen in love with see past the ugly rumors he's heard about her and the Luna brothel Disguising herself with a black wig and dabbing her special fragrance on her wrists Rosa sets out to win Renato But how long can Rosa keep her true identity hidden And when destiny intervenes challenging their love in unforeseeable ways they'll need a magic even greater than the scent of Rosa's oil A timeless moving tale *The Scent of Rosa's Oil* transports readers on an enthralling unforgettable journey

Changing Clothes in China Antonia Finnane, 2008-01-24 Based largely on nineteenth and twentieth century representations of Chinese dress as traditional and unchanging historians have long regarded fashion as something peculiarly Western But in this surprising sumptuously illustrated book Antonia Finnane proves that vibrant fashions were a vital part of Chinese life in the late imperial era when well-to-do men and women showed a keen awareness of what was up to date Though foreigners who traveled to China in the early decades of the twentieth century came away with the impression that Chinese dress was simple and monotone the key features of modern fashion were beginning to emerge especially in Shanghai Men in blue gowns donned felt caps and leather shoes girls began to wear fitted jackets and narrow pants and homespun garments gave way to machine woven cloth often made in foreign lands These innovations marked the start of a far-reaching vestimentary revolution that would transform the clothing culture in urban and much of rural China over the next half century Through Finnane's meticulous research we are able to see how the close-fitting jacket and high collar of the 1911 Revolutionary period the skirt and jacket blouse of the May Fourth era and the military style popular in the Cultural Revolution led to the variegated globalized wardrobe of today She brilliantly connects China's modernization and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs

Possibilities in Christ J.F. Morin, 2022-06-29 This book provides the reader with a framework required for the deeper Christian life that leads to Christ likeness in character Like the dry bones of Ezekiel 37 that come together to form a cohesive whole the chapters in this book form the bigger picture into which we are better able to see ourselves as we truly are The author uses multiple points of reference to get a clear picture of what is being described by the authors of the Bible This will help us with an understanding of how we are to progress in the Christian faith Heaven and Its Wonders and Hell Emanuel Swedenborg, 1876
