**The New Work of Dogs** Jon Katz,2003-05-06 Sometimes human dog relationships are simple unrelated to the emotional lives and histories of either species But often people acquire and love dogs with little awareness that they might have complex and revealing reasons for choosing the dog or pet they choose loving it the way they do Writing about his own dogs in *A Dog Year* Jon Katz became immersed in a larger community of dog lovers and came to realize that in an increasingly fragmented and disconnected society dogs are often treated not as pets but as family members and human surrogates *The New Work of Dogs* profiles a dozen such relationships in a New Jersey town like

the story of Harry a Welsh corgi who provides sustaining emotional strength for a woman battling terminal breast cancer Cherokee companion of a man who has few human friends and doesn't know how to talk to his own family the Divorced Dogs Club whose funny acerbic and sometimes angry women turn to their dogs to help them rebuild their lives and Betty Jean the frantic founder of a tiny rescue group that has saved five hundred dogs from abuse or abandonment in recent years Drawn from hundreds of interviews and conversations with dog owners and lovers breeders veterinarians rescuers trainers behaviorists and psychiatrists The New Work of Dogs combines compelling personal narratives with a penetrating look at human animal attachment and questions whether this relationship shift is an entirely positive phenomenon for both species Katz offers us a portrait of a community and by extension a country that is turning to its pets for emotional support and stability a difficult job that more and more dogs are expected to do every day The New Work of Dogs is a provocative and moving exploration of the evolving role dogs play in a changing and uncertain world BONUS This edition contains an excerpt from Jon Katz's Going Home
