Mounce,2009-12-15 For years Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople selling millions of copies But sixty plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew creating the need for a new more accurate more thorough dictionary of Bible words William Mounce whose Greek grammar has been used by more than 100 000 college and seminary students is the editor of this new dictionary which will become the layperson's gold standard for biblical word studies Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies What makes Mounce's superior to Vine's The most accurate in depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry Vine's separates them Employs both Strong's and G K numbering systems Vine's only uses Strong's Mounce's accuracy is endorsed by leading scholars      **Inquiries** Lewis Cass,1823      **Religious**

**Affections** Jonathan Edwards,2009-01-01 This volume contains Edwards' most mature and persistent attempt to judge the validity of the religious development in eighteenth century America known as the Great Awakening In developing criteria for such judgment he attacked at the same time one of the fundamental questions facing all religion how to distinguish genuine from spurious piety The Awakening created much bitter controversy on the one side stood the emotionalists and enthusiasts and on the other the rationalists for whom religion was essentially a matter of morality or good conduct and the acceptance of properly formulated doctrine Edwards with great analytical skill and enormous biblical learning showed that both sides were in the wrong He attacked both a lifeless morality as too pale as to be the essence of religion and he rejected the excesses of a purely emotional religion more concerned for sensational effects than for the inner transformation of the self which was for him the center of genuine Christianity      **A commentary on 1 & 2 PETER** David Pawson,2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord's prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his
