Love Remembered:

Messages of Love Remembered Pauli Rose Libsohn, 2019-06-26 This creative work compiled solely of Mitzi and David Libsohn's original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story. Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them. Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love. With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non-verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper. The art of love's expression is practically non-existent in today's world. Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love's written word.

Love, Remember Malcolm Guite, 2017-11-30 The bestselling poet Malcolm Guite chooses forty poems from across the centuries that express the universal experience of loss and reflects on them in order to draw out the comfort, understanding and hope they offer. Some of the poems will be familiar many will be new but together they provide a sure companion for the journey across difficult terrain. Some of Malcolm's own poetry is included written out of his work as a priest with the dying and the bereaved and giving to the volume a powerful authenticity. The choice of forty poems is significant and reflects an ancient practice still observed in some European and Middle Eastern societies of taking extra special care of a bereaved person in the forty days following a death our word quarantine come from this. They explore the nature and the risk of love the pain of letting go and look toward glimpses of resurrection.

Love Remembered in Rome Shanna Delaney, 2019-11-06 She left him years ago. Can the eternal city help them believe in second chances? Holly has only rebelled twice in her life. Getting a degree in history instead of nursing and dating Luca, the Italian American who swept her off her feet sophomore year of college. Neither rebellion lasted long. Now seven years later her husband has died shattering her appearance, perfect life and waking her up to the reality of how she has always been controlled first by her mother then by her husband. Desperate to finally break free she searches for joy in the one place she'd given up on ever going: Rome. Luca is too busy managing a luxury hotel in Rome to date. When the girl who broke his heart seven years ago shows up as a guest there's nothing he can do except make sure she has an enjoyable stay without letting her anywhere near his heart. If there's one thing Holly knows from her history degree it's that learning from the past is the only way into a brighter future. But that means finding the courage to stand up to her mother and convincing Luca to trust her one more time. If they can get over their past could they find their future?
