Love Rules:

The Rules of Love Richard Templar, 2013-02-25 Love matters Whether it s the romantic kind or the emotional bond between you and family or friends Indeed latest research suggests that those who love and are loved are significantly more likely to be alive in 10 years time than those without love in their lives Love makes us happy and the happier we are the longer it seems we tend to live So why is it that some people find relationships so easy We all know the kind of person married forever connected with their family and strong friendships that have stood the test of time from all stages of life The people who make friends easily who have someone utterly devoted to them and for whom many would do anything What do they know and do that the rest of us could learn from That s what you ll find in this book If you study people who are so good at relationships you discover it s not about their personality or gender or how self sacrificing they are Those who are great in all relationships usually do have to work at it The secret is that they know exactly where to put their efforts They know the Rules of Love Now updated and expanded with 10 brand new rules The Rules of Love helps you benefit from the simple principles of forming and sustaining strong enduring and ultimately life enhancing relationships *The Royal Love Law* James Jackson, 2019-09-09 Picking up this book is one of the most important things you have ever done in your life because true love power will be revealed to you like you have never known or understood before This kind of love power will keep God s promises to deliver and release you from a broken heart abusive relationship battered life and any violation of your love This book is a spiritual mirror that reveals love truths about you and your relationships This book has the ability to transform one s natural understanding of love to the supernatural power of love I promise you that this book will take you on a true love journey into the unknown and making true love known to you in power Just remember that this book will be one of the greatest spiritual investments with interest that you have ever sowed and planted in yourself your spouse family friends and associates This book is a combination of three books in one to make you spiritually rich with information on love for the price of one This book is God s gift of love to you that is extraordinarily motivational and inspirational at first sight *Wit and Mirth* ,1712 **The Awakening Word** Robert W Mitchell, 2011-11-23 Are you being called to the spiritual path If so are you doing anything about it I am reminded of the concept faith without works is dead If we are being called to find out wonderful things about ourselves God and the universe we have to do something about it Stepping onto a spiritual path is a way Paths are all about doing In this book you will find many encouraging words about different paths and the rewards and challenges that come with them You will find that paths do not have to be organized or supervised but they must be approached with consciousness and intent and contribute to our lives and the life of the world This book is one of my many paths within my one journey My goal here is to in some way touch those who have not yet found a path or those who may be looking but do not know what they are looking for those who may be wondering about life and God as I was and still do If you are at a place and time in your life where you are wondering or feel as though something is missing this book may be for you It is written
