Deepening Love, Sex and Intimacy Graham Meltzer, 2018-06 From the cover notes This is a true and very personal story about a love affair that unfolded between April and November 2014 The setting is the well known Findhorn spiritual community in North Scotland My lover Saritha and I first came together at a party shortly before she planned to leave Findhorn and continue on her journey We believed we had

just over a month to explore being in relationship together We decided to go for it to fearlessly dive deep into love sex and intimacy to push as far as we could beyond the boundaries of our comfort zones in the limited time available For we believe that it is in that field out beyond ideas of wrongdoing and rightdoing Rumi that growth learning and transformation occur

Intimacies William R. Jankowiak, 2008-02-18 No culture is ever completely successful or satisfied with its synthesis of romantic love companionship and sexual desire Whether the setting is a busy metropolis or a quiet farming village a tension always exists between a community's sexual habits and customs and what it believes to be the proper context for love Even in Western societies we prefer sexual passion to romance and companionship and no study of any culture has shown that individuals regard passion and affection equally The pursuit of love and sex has generated an infinite number of ambiguities and contradictions yet every community hopes to find a resolution to this conflict either by joining dividing or stressing one act over the other In this follow up to *Romantic Passion A Universal Experience* William R Jankowiak examines how different cultures rationalize the expression of passionate and comfort love and physical sex He begins by mapping out the intricacies of the love sex conundrum and the psychological dilemma of reconciling these competing forces He then follows with essays on sex love and intimacy among Central African foragers and farmers the love dyad in Lithuania intimacy among the Lahu of Southwestern China the interplay of love sex and marriage in the High Himalayas verbalized experiences of love and sexuality in Indonesia love work as it relates to sex work among prostitutes intimacies and estrangements in the marital and extramarital relationships of Huli men infidelity and masculinity in Southwestern Nigeria and the ritual of sex and the rejuvenation of the love bond among married couples in the United States [Love, Sex, and Intimacy](#) Elaine

ENDLESS LOVE, ROMANCE , AND INTIMACY Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring ex ample of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You ve ever Wanted isn t Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen

how much it hurts to take the risk of loving and have it not work out am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
