legends He became the first of many legendary Sikh generals famous both for their personal heroic courage and their skill in warfare His many encounters with the Mughal rulers eroded the very foundation of the Mughal empire and ensured its quick demise As he said when questioned on what he had achieved I have ensured that never again will the crown sit easily on the Mughal emperor s head He also prepared the coming generations of Sikhs for future conflicts which later greatly helped Maharaja Ranjit Singh in creating a Sikh empire Banda was a true leader who led from the front not only in the battlefield but also in civil administration He established a secular government which swept aside 700 years of slavery and the myth of domination by foreign powers proclaimed freedom of worship allowed the people to follow professions of their choice and stopped forcible marriages even while recovering abducted women for return to their families His land revolution abolished zamindari in parts of North India thereby redistributing land equally amongst the tillers This book seeks to tell the story of this remarkable and brave man and his equally remarkable achievements Perhaps the finest of Banda Singh Bahadur s biographies
