Majority Leadership in the U.S. House Barbara Sinclair,1983 **Majority Leadership in the U.S. House** Barbara Sinclair,1983 **Majority Leadership in the U.S. Senate** , *The 1976 House Majority Leadership Contest* Bruce I. Oppenheimer,Robert L. Peabody,2024-08-05 In this book Bruce I Oppenheimer and the late Robert L Peabody analyze the 1976 House majority leader race and present the result of their unrivaled insider access to this turning point in congressional history This fierce contest among the Democratic leadership marked the transition of the House of Representatives into the party dominated institution that is so familiar today The 1976 election in which the Democrats consolidated the gains made in 1974 led to two important changes in House Democratic leadership After Carl Albert s retirement Majority Leader Thomas Tip O Neill Jr of Massachusetts advanced unopposed to the Speakership This led to a contest between four formidable candidates for the position of majority leader Rules Committee Spokesman Richard Bolling of Missouri Caucus Chairman Phillip Burton of California Majority Whip John McFall of California and Representative James C Wright Jr of Texas It was arguably the most competitive contest for a major leadership position in congressional history Ultimately it took extensive campaigning and three ballots before Wright emerged victorious During the race Oppenheimer and Peabody conducted lengthy interviews with the candidates and their principal supporters resulting in their eye opening analysis of this contest as a key stepping stone between committee government and conditional party government in the House of Representatives that continues to the present day The authors first presented their original research on the 1976 House majority leader contest at the 1977 annual meeting of the American Political Science Association With that original groundbreaking paper at its core this book adds new chapters by Oppenheimer that evaluate the accuracy of the study and provide richer historical context showing how congressional politics changed in the years after the 1976 contest Their original study was the result of the greatest access that political scientists have ever had to a congressional leadership race and it has enduring value for understanding our current political crisis **Congressional Parties, Institutional Ambition, and the Financing of Majority Control** Eric S. Heberlig,Bruce A. Larson,2012-03-21 With the need for ever increasing sums of money to fuel the ongoing campaign for majority control both Republicans and Democrats have made large donations to the party and its candidates mandatory for members seeking advancement within party and congressional committee hierarchies Eric S Heberlig and Bruce A Larson analyze this development and discuss its implications for American government and democracy They address the consequences of selecting congressional leaders on the basis of their fundraising skills rather than their legislative capacity and the extent to which the battle for majority control leads Congress to prioritize short term electoral gains over long term governing and problem solving **Library of Congress Subject Headings** Library of Congress,2003 **Library of Congress Subject Headings** Library of Congress.
