Books in Print ,1994 **William D. Pawley** Anthony R. Carrozza,2012-03 The amazing true story of a businessman adventurer who changed the world **Peaceful Neighbor** Michael Long,2015-03-13 Fred Rogers was one of the most radical pacifists of contemporary history We do not usually think of him as radical partly because he wore colorful soft sweaters made by his mother Nor do we usually imagine him as a pacifist that adjective seems way too political to describe the host of a children s program known for its focus on feelings We have restricted Fred Rogers to the realm of entertainment children and feelings and we ve ripped him out of his political and religious context Rogers was an ordained Presbyterian minister and although he rarely shared his religious convictions on his program he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness With this progressive spirituality as his inspiration Rogers used his children s program as a platform for sharing countercultural beliefs about caring nonviolently for one another animals and the earth To critics who dared call him namby pamby Rogers said Only people who take the time to see our work can begin to understand the depth of it This is the invitation of Peaceful Neighbor to see and understand Rogers s convictions and their expression through his program Mister Rogers Neighborhood it turns out is far from sappy sentimental and shallow it s a sharp political response to a civil and political society poised to kill **Bowker's Guide to Characters in Fiction 2007** ,2008-02 **Eleanor: A Spiritual Biography** Harold Ivan Smith,2017-03-02 More than fifty years after her death Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist Often overlooked however is her deep and inclusive spirituality Her personal faith was shaped by reading the New Testament in her youth giving her a Jesus centered spirituality that fueled her commitment to civil rights women s rights and the rights of all little people marginalized in American society She took seriously Jesus words and despite her life of privilege she made the needs of those on the margins her priority Eleanor A Spiritual Biography provides insight into one of America s most famous women particularly the spiritual influences that made her so active in social justice issues **Jackie Robinson: A Spiritual Biography** Michael G. Long,Chris Lamb,2017-03-10 Jackie Robinson believed in a God who sides with the oppressed and who calls us to see one another as sisters and brothers This faith was a powerful but quiet engine that drove and sustained him as he shattered racial barriers on and beyond the baseball diamond Jackie Robinson A Spiritual Biography explores the faith that Robinson said carried him through the torment and abuse he suffered for integrating the major leagues and drove him to get involved in the civil rights movement Marked by sacrifice and service inclusiveness and hope Robinson s faith shaped not only his character but also baseball and America itself The Ashes of Achievement Frank Arthur Russell,1922 **The annual American catalog** ,1898 **Becoming a Christian** Ola Hossjer,2018-02-21 What influences the decision to become a Christian In the seventeenth century the famous scientist Blaise Pascal viewed this as a game with truth our adversary Pascal argued that we are in the game whether we like it or not Christianity is either true or not and we have to

weigh the two alternatives According to Pascal s Wager we have everything to win and nothing to lose by taking a leap of faith and becoming a Christian In this book Ola H ssjer extends Pascal s Wager and argues that we respond to the Christian message very differently There are three main attitudes among people the first group follows Pascal s advice even if evidence before the decision is incomplete the second group requires convincing evidence at first and members of the third group will not become Christians regardless of evidence H ssjer contends that the decision consists of three components a religious disposition from birth evidence and a willingness to act Although we weigh evidence and will differently our priorities may change after a life crisis so that we either reevaluate evidence or become more positive toward Christianity This is illustrated by a number of people who became Christians
