the National Commission on Excellence in Education NCEE issued A Nation at Risk in 1983 James Andrew LaSpina traces  
these reform efforts through recurring culture wars major clashes of personality and a conflict between the state s tradition  
of progressive educational policy and a culture of conservatism that colored much of the so called Left Coast s history since  
the sixties While the battles over curriculum reform in California reflect those at the national level the political world  
surrounding this conflict reveals the enormous significance of the conflict and its implications for our national future
