**West Africa** ,1997      Security, Education and Development in Contemporary Africa M. Raymond Izarali, Oliver Masakure, Edward Shizha, 2016-12-01 This volume delineates the critical link among security education and development in Africa and provides a multidisciplinary framework of analyses and possible solutions Africa has had a long history that embodies layers of mass scale criminality and exploitation not merely from neocolonial and apartheid policies but also from political greed This has impacted adversely on security education and development in a way that deprivation of education and underdevelopment in turn re creates security issues The volume aims firstly to help augment scholarly inquiry into the nexus among in security education and development through the multidisciplinary framework of analyses secondly to provide policymakers and educators with tools and a framework to comprehend the complexity and magnitude of the issues to which they ought to be sensitive and respond and finally to provide caregivers and childcare agencies of the state a comprehensible framework of underlying multifaceted sources of trauma experienced by children in extraordinary circumstances It is organized in four sections theoretical conceptualization on security and development country cases on security and development security and educational development and country cases on security and education Serving as a significant compass to understand and respond to the complex interplay and impact of security education and development in Africa it is of great use to graduates and scholars interested in Africa Politics IPE security studies and development studies

Historical Dictionary of Gabon Douglas A. Yates, 2017-12-28 This new fourth edition of the Historical Dictionary of Gabon brings up to date the political affairs of the country since the accession to power of Ali Bongo eldest son of Omar Bongo the former president for life who died in 2009 after the publication of the third edition Themes of continuity and change are present throughout the entries not only as the Bongo family continues its half century of dynastic rule there are a dozen Bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former French colony after independence continues to collaborate with the French African sphere of influence yet seeks new partners from America and Asia China Singapore and as the country's numerous ethnic groups perpetuate a multicultural mosaic that is nevertheless threatened by globalization of communications and cultural convergence This fourth edition of Historical Dictionary of Gabon contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Gabon      Modern Genocide Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and

understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future **Africa Events** ,1992 *The Political Economy of Economic Performance* Voxi Heinrich Amavilah,2020-05-28 Extant research continues to perpetuate a myth of Sub Saharan African countries SSACs as ever stuck in the past and with incurable growth maladies However during the years just before the great global recession some of these countries performed better than countries in other regions What explains this turnaround How can it be ignited everywhere in the region and made to stick The Political Economy of Economic Performance is among a few competitors that celebrate the successes of the region and argue for the positive economics of performance of at least some countries Organized around two themes which are pursued in six chapters the book provides a comprehensive balanced and thorough analysis of the factors and forces behind the unusually good performance of SSACs just before the great global recession and shows that there is a way forward for them The book makes a significant contribution to both policy and research because while its structure is scholarly and logical with a writing style that is coherent and easily understandable to all interested readers worldwide

**The Oxford History of World Cinema** Geoffrey Nowell-Smith,1996 Featuring nearly three thousand film stills production shots and other illustrations an authoritative history of the cinema traces the development of the medium its filmmakers and stars and the evolution of national cinemas around the world *Contemporary Perspectives on Art and International Development* Polly Stupples,Katerina Teaiwa,2016-10-26 Visual artists craftspeople musicians and performers have been supported by the development community for at least twenty years yet there has been little grounded and critical research into the practices and politics of that support This new Routledge book remedies that omission and brings together varied perspectives from artists policy makers and researchers working in the Pacific Africa Latin America and Europe to explore the challenges and opportunities of supporting the arts in the development context The book offers a series of

grounded analyses which cover strategies for the sustainability of arts enterprises innovative evaluation methods theoretical engagements with questions of art agency and social change artists entanglements with legal and structural frameworks processes of cultural mapping and the artist donor interface The creative economy is increasingly recognized as a driver of development and this book also investigates the contribution made by the arts to the processes of international development and considers how those processes can best be supported by development agencies Contemporary Perspectives on Art and International Development gives scholars of Development Studies Social and Cultural Geography Anthropology Cultural Policy Cultural Studies and Global Studies a contextually and thematically diverse range of insights into this emerging research field *Negotiating Law, Policing and Morality in African* Chingozha, Misheck P., Mawere, Munyaradzi, 2015-09-04

The relationship between police and the public in formerly colonised countries of Africa has never been smooth It is plagued with clichés of suspicion mistrust and brutality which are all a result of the legacy of draconian policing in colonial Africa This colonial hangover has chiefly been an upshot of sluggish switching from the mantra of colonial policing to community progressive policing advocated in democratic societies This book the result of five years of ethnographic and library research on the interaction and relationships between police and members of the public in Zimbabwe is a clarion call for a generative progressive working together between the police and the public for a peaceful and orderly society While it traces the historical trends and nature of policing in Africa and in particular Zimbabwe the book demonstrates how law morality and policing enrich one another The book offers critical insights in the interpretation of contemporary policing in Zimbabwe with a view to inform and draw lessons for both police and the public It should be of interest not only to legal anthropologists but also political scientists members of the public police instructors police officers and students and educators in academic disciplines such as criminal justice criminology law sociology African studies and leadership and conflict management
