Making Contact Poems By The Womens Collage:

Antebellum American Women's Poetry Wendy Dasler Johnson, 2016-08-10 This book explores sentimental poetry an often overlooked yet significant and persuasive pre Civil War American discourse At a time when a woman speaking before a mixed gender audience might be labeled promiscuous many women presented their views through sentimental poetry a blend of affect with intellect Of Women, Poetry, and Power Zofia Burr, 2002 The haunting legacy of Emily Dickinson s life and work has shaped a romantic conception of poetry as private personal and expressive that has governed the reception of subsequent American women poets Of Women Poetry and Power demonstrates how the canonization of Dickinson has consolidated limiting assumptions about women s poetry in twentieth century America and models an alternative reading practice that allows for deeper engagement with the political work of modern poetry Analyzing the reception of poems by Josephine Miles Gwendolyn Brooks Audre Lorde and Maya Angelou Zofia Burr shows the persistence of these critical outlooks and dispels the belief that we have long since moved beyond such limiting gendered expectations Turning away from an obsessive concern with a poet s biography Burr s readings of contemporary women s poetry accentuate its engagement and provocation of readers through its forms of address Burr shows how displacing the limits of dominant reception is possible by approaching poetry as communicative utterance not just as self expression **Working Women's College. An Address delivered to the students at the opening of the College Session, October, 1872 ... Reprinted from The Victoria Magazine** Sir Joshua Girling FITCH, 1872 **Degrees of Freedom** Bethany Hicok, 2008 In this original contribution to the history of American poetry in the 20th century Bethany Hicok traces the influence of the women s college on the poetic development of three American poets Marianne Moore at Bryn Mawr Elizabeth Bishop at Vassar and Sylvia Plath at Smith **The College Woman's Handbook** Rachel Dobkin, Shana Sippy, 1995-01-01 Covers academic life financial matters health sexuality security issues job hunting and other areas as they relate to the experiences of women undergraduates **Languages and Literary Cultures in Hyderabad** Kousar J Azam, 2017-08-09 There is great interest in recent scholarship in the study of metropolitan cultures in India as evident from the number of books that have appeared on cities such as Delhi Mumbai Chennai and Kolkata Though Hyderabad has a rich archive of history scattered in many languages very few attempts have been made to bring this scholarship together The papers in this volume bring together this scholarship at one place They trace the contribution of different languages and literary cultures to the multicultural mosaic that is the city of Hyderabad How it has acquired this uniqueness and how it has been sustained is the subject matter of literary cultures in Hyderabad This work attempts to trace some aspects of the history of major languages practiced in the city It also reviews the contribution of the various linguistic groups that have added to the development not just of varied literary cultures but also to the evolution of an inclusive Hyderabadi culture The present volume it is hoped will enthuse both younger and senior scholars and students to take a fresh look at the study of languages and literary cultures as they have

evolved in India's cities and add to the growing scholarship of metropolitan cultures in India

Folklore Women's Communication, 1980 Issue for spring 1993 includes a Membership directory for the Women's Section of the American Folklore Society

Speechifying Johnnetta Betsch Cole, 2023-07-28 Speechifying collects the most important speeches of Dr Johnnetta Betsch Cole noted Black feminist anthropologist the first Black female president of Spelman College former director of the Smithsonian Institution's National Museum of African Art and former chair and president of the National Council of Negro Women A powerful and eloquent orator Dr Cole demonstrates her commitment to the success of historically Black colleges and universities her ideas about the central importance of diversity and inclusion in higher education the impact of growing up in the segregated South on her life and activism and her belief in public service Drawing on a range of Black thinkers writers and artists as well as biblical scripture and spirituals her speeches give voice to the most urgent and polarizing issues of our time while inspiring transformational leadership and change Speechifying also includes interviews with Dr Cole that highlight her perspective as a Black feminist her dedication to public speaking and speechifying in the tradition of the Black church and the impact that her leadership and mentorship have had on generations of Black feminist scholars

Creating Memory John Warkentin, 2010 Toronto has over 600 public outdoor sculptures works of art that provide a sense of the rich variety of life and work in the city its peoples cultures and aspirations Interest in commissioning public sculpture began slowly in the nineteenth and early twentieth century but increased rapidly after the 1950s This is a book about the sculptures and how they disclose the city to itself Creating Memory's two introductory sections examine the factors behind this expansion over time and the changes in style as one generation of sculptors succeeded another It looks at the reasons behind the changes as sculptures were conceived sculpted and erected More than 10 categories of sculptures are defined and discussed including Founding the City Natural Environment Immigration Ethnic Groups Economic Activities Disaster and Calamity War And Conflict Leaders Ordinary Citizens Community Life and Works of the Imagination

Congressional Record United States. Congress, 1971

Saints and Sinners in Queen Victoria's Courts Tom Zaniello, 2021-02-26 This chronicle of ten controversial mid-Victorian trials features brother versus brother aristocrats fighting commoners an imposter to a family's fortune and an ex

priest suing his ex wife a nun Most of these trials never before analyzed in depth assailed a culture that frowned upon public displays of bad taste revealing fault lines in what is traditionally seen as a moral and regimented society The author examines religious scandals embarrassments about shaky family trees and even arguments about which architecture is most likely to convert people from one faith to another

Survival Is a Promise Alexis Pauline Gumbs, 2024-08-20 A Time Must Read Book of the Year Winner of the Judy Grahn Award for Lesbian Nonfiction A Publishers Weekly Top Ten Book of the Year Shortlisted for the 2025 Brooklyn Public Library Book Prize A bold innovative biography that offers a new understanding of the life work and enduring impact of Audre Lorde We remember Audre Lorde as an iconic writer a quotable teacher whose words and face grace T shirts nonprofit annual reports and campus diversity center walls But even those who are inspired by Lorde s teachings on the creative power of difference may be missing something fundamental about her life and work and what they can mean for us today Lorde s understanding of survival was not simply about getting through to the other side of oppression or being resilient in the face of cancer It was about the total stakes of what it means to be in relationship with a planet in transformation Possibly the focus on Lorde s quotable essays to the neglect of her complex poems has led us to ignore her deep engagement with the natural world the planetary dynamics of geology meteorology and biology For her ecological images are not simply metaphors but rather literal guides to how to be of earth on earth and how to survive to live the ethics that a Black feminist lesbian warrior poetics demands In *Survival Is a Promise* Alexis Pauline Gumbs the first researcher to explore the full depths of Lorde s manuscript archives illuminates the eternal life of Lorde Her life and work become more than a sound bite they become a cosmic force teaching us the grand contingency of life together on earth
