they can strive for together *Unique Romance of Love* Nestor Julio Cordero, 2013-01-07 All my years through high school I used to see how everyone argues about how love should be and how they blame others for everything they do I started to analyze everyone though including mine I started analyzing why we feel this way when falling in love Why every time we are in a relationship with someone we end up blaming that particular person instead of looking at our self So I decided to write about how love should be shown how we need to look at each other before referring to others in any way We need to start looking deep inside and think about what we really want We all need to really stop choosing and start to look for who really deserve us through our heart not our mind Everything might seem confusing at first but if you think it through it really isn't It is better taking your time eating a meal than rushing and ending up having a bad day What I am referring is to take our time to learn about others take our time to see beyond that person take our time to feel what the other person is feeling instead of blocking their heart It is easy to run away but what you're really doing is just ignoring what can be confronted and taken care of If love was as simple as a blink of an eye the world would have no sense of living a simple life I hope you all enjoy my poetry and have a better understanding of what is to love and deserve your present sight **Making Love Last** Laura Taggart, 2017-07-04

The Wholehearted Wife Erin Smalley, Greg Smalley, Gary Smalley, 2014-06-20 Although it takes two to have a great marriage an important truth for any marriage partner to realize is that he or she can really change no one other than him or herself Nevertheless changes in just one person can have an amazing impact on a marriage relationship Instead of focusing on How do I have a better marriage this book embraces that truth and helps women ponder the question How can I be the best wife I can be It provides every woman with skills information and encouragement to make a positive difference to this and future generations by wholeheartedly investing in her marriage and her relationship with her husband today The Wholehearted Wife is written by Erin and Greg Smalley along with Gary Smalley the creator and presenter of Keys to a Loving Relationship one of the best selling video series of all time Recognizing that most if not all married women have either experienced a time when her marriage felt lifeless or sat with another female friend or family member who was experiencing that situation this book is also a wonderful resource for those times **Fatal Promises** Jeanette Henderson, 2004 Fatal
