Nancy K. Bristow

Making Manhood:

Making Manhood Anne S. Lombard, 2003 At its core was a suspicion of emotional attachments between men and women Boys were taken under their father's wing from a young age and taught the virtues of reason responsibility and maturity Intimate bonds with mothers were discouraged as were individual expression pride and play The mature man who moderated his passions and contributed to his family and community was admired in sharp contrast to the young adventurous and aggressive hero who would emerge after the American Revolution and embody our modern image of masculinity BOOK JACKET

Manhood in the Making David D. Gilmore, 1990-01-01 Offers a cross cultural study of manhood as an achieved status and looks at two androgynous cultures that are exceptions to the manhood archetype

Manhood Manifesto Mike Shereck, 2021-07-20 Manhood Manifesto is a book about men their leadership and the condition of masculinity today We live in the greatest country in the world the United States of America We also live in one of the most dynamic periods of time in history This book is about the opportunity we have as Americans especially men This book calls forth the character and skills of American men To who much is given much is expected We live in challenging times and American men are more than capable of meeting those challenges To meet those challenges though there needs to be a willingness and acceptance of the responsibilities required This book looks at where we are and how we got here creating a pathway in which to engage This process is intended to restore the trust affinity and community that has been pushed to its limits in the most recent months and years The book does so in a way that is somewhat irreverent yet respectful serious yet fun and challenging yet empowering Mike Shereck has a bias toward men simply because he is one If change must occur it will begin with him and those like and near him In Mike's view for society's problems to be solved first men must own it From the position of ownership we can now address it That is what is done in this book in a direct bold courageous sometimes shocking always heartfelt and humorous way

Making European Masculinities J. A. Mangan, 2013-10-08 As sport has grown progressively replacing religion in its power to excite passion provide emotional escape offer fraternal and increasingly sororital bonding it has come to loom larger and larger in the lives of Europeans and others It has become an inescapable reality linking public environment with intimate experience and thus offers the historian an opportunity to inspect and attempt to grasp all the dimensions of the recent past and their relative share in individual and collective experience This collection considers the evolution of modern sport in Europe and examines its role in shaping masculine identity

Making Men Ridiculous Christopher Nappa, 2018 Barbed and vivid details in Juvenal's satiric poetry reveal a highly complex critique of the breakdown of traditional Roman values

Masculinity and the Making of American Judaism Sarah Imhoff, 2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was not just one of assimilation or

exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of *Levinas and the Crisis of Humanism* Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of *By Thanksgiving We Were Americans* German Jewish Refugees and Holocaust Memory
