

Making Of The President

Theodore H. White

Making Of The President:

The Making of the President, 1960 Theodore Harold White, 1961 Analyses the 1960 election when John F Kennedy was elected President of the United States [The Making of the President 1960](#) Theodore H. White, 1967-07-01 **The Making of the President 1964** Theodore H. White, 2008-11-01 **The Making of a President** Theodore Harold White, 1964

The Making of the President 2016 Roger Stone, 2017-01-31 In the tradition of Theodore White's landmark books the definitive look at how Donald J Trump shocked the world to become president From Roger Stone a New York Times bestselling author longtime political adviser and friend to Donald Trump and consummate Republican strategist comes the first in depth examination of how Trump's campaign tapped into the national mood to deliver a stunning victory that almost no one saw coming In the early hours of November 9 2016 one of the most contentious polarizing and vicious presidential races came to an abrupt and unexpected end when heavily favored presidential hopeful Hillary Clinton called Donald J Trump to concede shocking a nation that had only hours before given little credence to his chances Donald Trump pulled the greatest upset in American political history despite a torrent of invective and dismissal of the mainstream media Stone a long time Trump retainer and confidant gives us the inside story of how Donald Trump almost single handedly harnessed discontent among Forgotten Americans despite running a guerrilla style grass roots campaign to compete with the smooth running and free spending Clinton political machine From the start Trump's campaign was unlike any seen on the national stage combative maverick and fearless Trump's nomination was the hostile takeover of the Republican party and a resounding repudiation of the failed leadership of both parties whose policies have brought America to the brink of financial collapse as well as endangering our national security Here Stone outlines how Donald Trump skillfully ran as the anti Open Borders candidate as well as a supporter of American sovereignty and how he used the Globalist trade deals like NAFTA to win over three of ten Bernie Sanders supporters The veteran adviser to Nixon Reagan and Trump charts the rise of the alt conservative media and the end of the mainstream media monopoly on voter impacting information dissemination This is an insider's view that includes studying opposition research into Bill Hillary and Chelsea Clinton's crimes and the struggle by the Republican establishment to stop Trump and how they underestimated him Stone chronicles Trump's triumph in three debates where he skillfully lowered expectation levels but skewered Mrs Clinton for the corruption of the Clinton Foundation her mishandling of government email and her incompetence as Secretary of State Stone gives us the inside word on Julian Assange Wikileaks Clinton campaign chief John Podesta Huma Abedin Anthony Weiner Carlos Danger Doug Band Jeffery Epstein and the efforts to hide the former first lady's infirmities and health problems Stone dissects the phony narrative that Trump was in cahoots with Russian strongman Vladimir Putin or that the e-mails released by Wikileaks came from the Russians *The Making of the President 2016* reveals how Trump brilliantly picked at Hillary Clinton's weaknesses particularly her reputation as a crooked insider and ignited the passions of out of work white men and women from the rust belt and

beyond at a time when millions of Americans desperately wanted change Stone also reveals how and why the mainstream media got it wrong including how the polls were loaded and completely misunderstood who would vote Stone's analysis is akin to Theodore H White's seminal book *The Making of the President 1960* It is both a sweeping analysis of the trends that elected Trump as well as the war stories of a hard bitten political survivor who Donald Trump called one tough cookie

The Making of the Presidential Candidates 2004 William G. Mayer, 2004 Annotation This is the third in a series of books about the United States presidential nomination process and shares the same goals as its predecessors and Mayer political science Northeastern U presents nine papers exploring significant components of the nomination process including financing incumbency polling and the role of organized labor The only non academic contributing to the proceedings is an editor who provides a discussion of the role of the press Annotation 2004 Book News Inc Portland OR booknews.com [The Making of the President, 1968](#) Theodore H. White, 2010-10-05 White unites a novelist's knack of dramatization and a historian's sense of significance with a synthesizing skill that grasps the reader by the lapels Newsweek The third book in Theodore H White's landmark series *The Making of the President 1968* is the compelling account of the turbulent 1968 presidential campaign the assassinations of Robert F Kennedy and Martin Luther King Jr and election of Richard Nixon White made history with his groundbreaking *The Making of the President 1960* a narrative that won the Pulitzer Prize for revolutionizing the way that presidential campaigns were reported Now *The Making of the President 1968* back in print freshly repackaged and with a new foreword by Chris Matthews joins Theodore Sorensen's Kennedy White's *The Making of the President 1960 1964 and 1972* and other classics in the burgeoning Harper Perennial Political Classics series **The Making of the President 1968** Theodore Harold White, 1970 **The Making of the President, 1960** Theodore Harold White, 1961 **The Making of the President, 1964** Theodore Harold White, 1965 Documents the 1964 Presidential campaign which resulted in the election of Lyndon B Johnson over Republican conservative Barry M Goldwater **The Making of the President, 1960** Saint-John Perse, 1960 *The Real Making of the President* W. J. Rorabaugh, 2009-03-05 When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory whether as an underdog's heroic triumph or a liberal crusader's overcoming special interests Now W J Rorabaugh cuts through the mythology of this famous election to explain the nuts and bolts operations of the campaign and offer a corrective to Theodore White's flawed classic *The Making of the President* War hero champion of labor and Pulitzer Prize winning author JFK was long on charisma Despite a less than liberal record he assumed the image of liberal hero thanks to White and other journalists who were shamelessly manipulated by the Kennedy campaign Rorabaugh instead paints JFK as the ideological twin of Nixon and his equal as a bare knuckled politician showing that Kennedy's hard won razor thin victory was attributable less to charisma than to an enormous amount of money an effective campaign organization and television image making The 1960 election Rorabaugh argues reflects the transition from the dominance of old style boss and convention

politics to the growing significance of primaries race and especially TV without which Kennedy would have been neither nominated nor elected He recounts how JFK cultivated delegates to the 1960 Democratic convention quietly wooed the still important party bosses and used a large personal organization polls and TV advertising to win primaries JFK's master stroke however was choosing as a running mate Lyndon Johnson whose campaigning in the South carried enough southern states to win the election On the other side Rorabaugh draws on Nixon's often ignored files to take a close look at his dysfunctional campaign which reflected the oddities of a dark and brooding candidate trapped into defending the Eisenhower administration Yet the widely detested Nixon won almost as many votes as the charismatic Kennedy even though Democrats outnumbered Republicans by three to two This leads Rorabaugh to reexamine the darker side of the election the Republicans charges of vote fraud in Illinois and Texas the use of money to prod or intimidate manipulation of the media and the bulldozing of opponents White and others helped shape persisting impressions of both candidates influencing the way Nixon conducted subsequent campaigns and the Democrats nurtured the Kennedy legacy *The Real Making of the President* gives us a more sobering look at all of that fundamentally reshaping our understanding of one of the nation's most memorable elections

Making of the Postmodern Presidency John F Freie, 2015-11-17 Throughout American history presidents have been accused of being liars of deceiving others for political gain of being corrupt or of violating the Constitution Such criticism is to some extent a facet of our political culture Yet in recent years the intensity and depth of hostility coming from news reporters political pundits and even academics seems unprecedented It is the argument of *The Making of the Postmodern Presidency* that something more fundamental is occurring other than personal mendacity character failures or political errors that in fact the model we have used to explain presidential behavior no longer works The dominant paradigm used to assess presidential behavior the modern presidency is no longer an adequate explanatory model Nonetheless those who study the presidency continue to use it to explain behavior This book claims that the more relevant paradigm that should be used today is the postmodern presidency model This book traces the origins and development of the postmodern presidency The heart of the book is composed of an examination of the presidencies of Ronald Reagan George H W Bush Bill Clinton and George W Bush to show how each has contributed to the evolution and formation of the postmodern presidency A penultimate chapter analyzes the 2008 presidential election through the lens of postmodernism The book concludes with speculation on the challenges that face the Obama presidency in light of the postmodern presidency and American democracy

The Making of a European President Nereo Peñalver García, Julian Priestley, 2015-04-30 This book tells the inside story of Europe's first presidential campaign the candidates how they were chosen the campaign trail the TV debates and the tense negotiations which followed It explains what led to this new way of choosing the Commission president and what it means for the future of the EU

The Making of a Catholic President Shaun Casey, 2009-01-23 The 1960 presidential election won ultimately by John F Kennedy was one of the closest and most contentious in American history The

country had never elected a Roman Catholic president and the last time a Catholic had been nominated New York Governor Al Smith in 1928 he was routed in the general election From the outset Kennedy saw the religion issue as the single most important obstacle on his road to the White House He was acutely aware of and deeply frustrated by the possibility that his personal religious beliefs could keep him out of the White House In *The Making of a Catholic President* Shaun Casey tells the fascinating story of how the Kennedy campaign transformed the religion question from a liability into an asset making him the first and still only Catholic president Drawing on extensive archival research including many never before seen documents Casey takes us inside the campaign to show Kennedy's chief advisors Ted Sorensen John Kenneth Galbraith Archibald Cox grappling with the staunch opposition to the candidate's Catholicism Casey also reveals for the first time many of the Nixon campaign's efforts to tap in to anti Catholic sentiment with the aid of Billy Graham and the National Association of Evangelicals among others The alliance between conservative Protestants and the Nixon campaign he shows laid the groundwork for the rise of the Religious Right This book will shed light on one of the most talked about elections in American history as well as on the vexed relationship between religion and politics more generally With clear relevance to our own political situation where politicians religious beliefs seem more important and more volatile than ever *The Making of a Catholic President* offers rare insights into one of the most extraordinary presidential campaigns in American history

Quest for the Presidency Bob Riel, 2022-04 *Quest for the Presidency* gathers in a single volume the compelling stories behind every presidential campaign in American history from 1789 through 2020 Bob Riel takes us inside the 1800 clash between Thomas Jefferson and John Adams the 1860 election that launched the Civil War the 1948 whistle stop comeback of Harry Truman the Kennedy Nixon drama of 1960 the 1980 Reagan Revolution the historic 2008 election of Barack Obama the turbulent 2020 battle between Joe Biden and Donald Trump and everything in between This engaging and insightful book includes a trove of entertaining stories about campaigns and candidates and it goes beyond the campaign tales to also consider the threads that link elections across time It sheds light on the continually evolving story of American democracy in a way that helps us to better understand present day politics *The Presidential Image* Iwan Morgan, Mark

White, 2020-04-02 *Presidential Image* has become an integral part of the campaign presidency and legacy of Modern American presidents Across the 20th century to the age of Trump presidential image has dominated media coverage and public consciousness winning elections gaining support for their leadership in office and shaping their reputation in history Is the creation of the presidential image part of a carefully conceived public relations strategy or result of the president's critics and opponents Can the way the media interpret a president's actions and words alter their image And how much influence do cultural outputs contribute to the construction of a presidential image Using ten presidential case studies this edited collection features contributions from scholars and political journalists from the UK and America to analyse aspects of Presidential Image that shaped their perceived effectiveness as America's leader and to explore this complex controversial

and continuous element of modern presidential politics

The making of the president, 1964, by theodore h. white

Theodore harold White,1962

The Road to the White House 2024 Stephen J. Wayne,2023-06-12 Voters need information about the qualities of candidates the policies they propose and the partisan labels they wear Does our Electoral College encourage the most qualified candidates to run Does it force them to talk candidly with the American people Will election results accurately reflect the needs of the population as a whole Wayne s *The Road to the White House 2024* answers these questions in a straightforward jargon free manner Equipping you with a background on presidential elections and a guide to the 2024 election it illustrates the strengths and weaknesses of our electoral democracy It also offers insights on changes that have revolutionized contemporary electoral politics the flood of money the ideological polarization of American parties the digital revolution foreign interference voter eligibility the integrity of the voting process itself and much more

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Of The President full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Of The President eBooks, including some popular titles.

FAQs About Making Of The President Books

What is a Making Of The President PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Of The President PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Of The President PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Of The President PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Of The President PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
