Reflections on Leadership Richard A. Couto, 2007-04-26 In Reflections on Leadership fifteen prominent leadership scholars pay tribute to James MacGregor Burns's book Leadership a classic in the field of leadership studies The contributors address the puzzles and anomalies in his work such as the place of values in leadership leadership as a casual factor in change levels of analysis interdisciplinary approaches to the study of leadership the distance of his theory from everyday experience the absence of gender and race and more

The Five Phases of Leadership Justyn Terry, 2021-05-10 The Five Phases of Leadership is a book written by a practitioner for practitioners Organized around five stages of leadership establishing trust cultivating leaders discerning vision implementing plans and transitioning out this book offers an overview of the leadership life cycle from a distinctively Christian perspective Dr Justyn Terry draws on over twenty years of leadership experience in seminaries and churches to offer practical insight into a leader's role Rather than focusing primarily on leadership styles or skills this book demonstrates why those skills matter in context By focusing on a leader's overall task Dr Terry offers a vision of leadership that draws together its disparate elements into a unified whole

Reflections on Leadership and Career Development Manfred F. R. Kets de Vries, 2011-09-19 Views from the interface of psychoanalysis and organizational life In the books in this series Manfred Kets de Vries failed engineer entrepreneur manqué reluctant economist international management guru psychoanalyst wit and outdoorsman offers an overview of his work spanning four decades a period in which he has established himself as the leading figure in the clinical study of organizational leadership At a key point in his career working as he puts it in the twilight zone of economics management and psychoanalysis he decided to strike out on a little trodden path and bring the person back into the organization Now Kets de Vries occupies a unique position in the academic business world putting leaders and companies of the couch and working at the often intimate interface where the inner theater of the individual meets the outer world of the organization The second book in this series Reflections on Leadership and Career Development takes different perspectives on the intimate connection between the personality or inner theater of individuals and the organizational context in which they work how different personality types in positions of leadership or as members of management teams affect the functioning and success of organizations Kets de Vries looks at the way basic psychological processes operate on individual and corporate performance and analyzes them in the context of case studies of leaders and organizations He examines narcissism dysfunctional collusion between leaders and followers some new leadership

archetypes and the roles that organizational therapists coaches or consultants can play in their interventions The book includes a lengthy study of Vladimir Putin as CEO of Russia Inc an assessment of the former Russian president s performance as an organizational leader The final part of the book examines the career life cycle and how executives cope or fail to cope with rites de passage like succession and retirement For the first time this book provides a glimpse of Manfred Kets de Vries own inner theater as the wellspring of his success as psychoanalyst mentor and inspiration to a generation of leaders
