Mark Twain A Biography Volume 1:

Autobiography of Mark Twain Mark Twain, 2012 The Autobiography of Mark Twain is a lengthy set of reminiscences dictated for the most part in the last few years of American author Mark Twain's life and left in typescript and manuscript at his death The Autobiography comprises a rambling collection of anecdotes and ruminations rather than a conventional autobiography Twain never compiled these writings and dictations into a publishable form in his lifetime Despite indications from Twain that he did not want his autobiography to be published for a century he serialised some Chapters from My Autobiography during his lifetime and various compilations were published during the 20th century However it was not until 2010 in the 100th anniversary year of Twain's death that the first volume of a comprehensive collection compiled and edited by The Mark Twain Project of the Bancroft Library at University of California Berkeley was published Wikipedia.com viewed 8/7/2020

Mark Twain: A Biography Albert Bigelow Paine, Mark Twain's humour has secured him a large audience not only in America and this country but also in Germany and other Continental countries It is the dry incisive humour of a shrewd man of the world who having gone through life with his eyes wide open has cheered himself by laughing not merely at the failings of his fellow men but by implication at his own as well He was not very reverent in his attitude towards what he considers worn out survivals of old beliefs and superstitions and sometimes poked fun without much discrimination This is volume one out of two of one of the best biographies ever written about this outstanding author and covers the years 1835 to 1885

Mark Twain a Biography Volume I Part 1 1835-1866 by Albert Bigelow Paine MARK TWAIN A BIOGRAPHY I ANCESTORS On page 492 of the old volume of Suetonius which Mark Twain read until his very last day there is a reference to one Flavius Clemens a man of wide repute for his want of energy and in a marginal note he has written I guess this is where our line starts It was like him to write that It spoke in his whimsical fashion the attitude of humility the ready acknowledgment of shortcoming which was his chief characteristic and made him lovable in his personality and in his work Historically we need not accept this identity of the Clemens ancestry The name itself has a kindly meaning and was not an uncommon one in Rome There was an early pope by that name and it appears now and again in the annals of the Middle Ages More lately there was a Gregory Clemens an English landowner who became a member of Parliament under Cromwell and signed the death warrant of Charles I Afterward he was tried as a regicide his estates were confiscated and his head was exposed on a pole on the top of Westminster Hall We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
