Mining Peace The Search For Nonviolent Alternatives In American History

James O. Lehman, Steven M. Nolt

Mining Peace The Search For Nonviolent Alternatives In American History:

Revolts, Protests, Demonstrations, and Rebellions in American History Steven L. Danver, 2010-12-17 This three volume work traces the history of revolts and rebellions from the colonial era to the 20th century America has a long history of rebellions extending back before 1776 Revolts have taken place because of economic hard times the denial of civil rights racism sexism and classism Studying the reasons for and results of these uprisings provides a window into the life of the American body politic and what moves the American people to action Revolts Protests Demonstrations and Rebellions in American History An Encyclopedia details the history of popular actions from the colonial era to the 20th century Each event in the three volume encyclopedia is covered by an overview entry that details who was involved why the revolt took place what happened and what the aftereffects were Shorter subentries provide further detail on the important people places events and ideas that were a part of the action By presenting both the broad themes and the specifics the encyclopedia enables readers to gain a general knowledge of the event or drill down to acquire a greater understanding **The Missing Peace** James C. Juhnke, Carol M. Hunter, 2001 James C Juhnke and Carol M Hunter have written a ground breaking book challenging the routine application of the myth of redemptive violence to the history of the United States This work is a timely and eye opening corrective that helps the reader see the history of the United States from an entirely new perspective

Must Christianity Be Violent? Kenneth R. Chase, Alan Jacobs, 2007-07-09 The Crusades The Conquest of the Americas U S Slavery The Jewish Holocaust Mention of these events evokes a variety of responses from Christians including guilt defensiveness and bewilderment Given such a tangled historical relationship to aggression and injustice how can Christians answer those who argue that our faith is inherently violent or that Christian doctrines inevitably lead to sacrifice conquest and war In **Must Christianity Be Violent** editors Kenneth R Chase and Alan Jacobs have gathered pointed essays that provide specific responses to these arguments Divided into histories practices and theologies the essays explore the historical causation of Christian violence and discuss practices that promote what one contributor calls just peacemaking The contributors explore the history of Christian violence and advocate the need for an uncompromised biblical theology in our search for peace This timely collection will appeal to readers of Christian history ethics and theology and those who want to better understand the specifically Christian response to violence and cultivation of peace **Peace in World History** Peter Stearns, 2014-04-03 In **Peace in World History** Peter N Stearns examines the ideas of peace that have existed throughout history and how societies have sought to put them into practice Beginning with the status of peace in early hunter gatherer and agricultural societies and continuing through the present day the narrative gives students a clear view of the ways people across the world have understood and striven to achieve peace throughout history Topics covered include Comparison of the pax Romana and pax Sinica of Rome and China Concepts of peace in Buddhism Christianity and Islam and their historical impact The place of peace in the periods of expanding empires The emergence starting in the 19th century of

formal schemes to promote peace amid increasingly destructive technologies for warfare Moving away from the view of history as a series of military conflicts Peace in World History offers a new way of looking at world history by focusing on peace Showing how concepts of peace have evolved over time even as they have been challenged by war and conflict this lively and engaging narrative enables students to consider peace as a human possibility

Nicholas Murray Butler's The International Mind Charles F. Howlett, 2013-05-01 This new edition of Nicholas Murray Butler's *The International Mind* marks the 100th anniversary of its publication Widely read at the time it has reached the status of classic work Butler is one of the 20th Century's most famous college presidents He transformed Columbia University into a famous research institution of higher learning More importantly this work still has an important message for today's readers how can we establish an international mind that builds a lasting peace for the world This work is based on Butler's famous speeches as president of the Lake Mohonk Conferences on International Arbitration which took place just prior to the start of World War 1 Butler was a strong proponent of judicial internationalism and education as the mechanism through which the settlement of disputes between nations could be resolved As head of the just established Carnegie Endowment for International Peace's Division of Intercourse and Education Butler put forth his own views on international understanding Later Butler would become president of Carnegie's Peace Endowment and was most responsible for helping to bring forth the 1928 Kellogg Briand Pact renouncing war as an instrument of national policy In 1931 based on his efforts for world peace which began at Lake Mohonk NY Butler shared the Nobel Peace Prize with Jane Addams This new edition has a scholarly introduction as well as an extensive bibliographic essay on American Peace Writings by Charles F Howlett An added feature to this new edition is a listing of Butler's most notable works the platforms of the 1907 1912 Lake Mohonk Conferences and an lengthy 1914 interview with Butler by New York Times reporter Edward Marshall Readers will find the appendices an added bonus to a now classic work This new edition of Butler's important book will bring to light one of the early 20th century peace classics devoted to the study of international arbitration It offers a clear and compelling argument as to the importance of internationalism as proposed by some of the more prominent educational leaders statesmen and jurists of the pre World War 1 period Most importantly reissuing this work in its one hundredth anniversary year bears testimony to its lasting importance since Butler's efforts and those at the Lake Mohonk Conferences on International Arbitration led to the creation of a Permanent Court of International Justice only a few years after the conclusion of the First World War

Scholarship and Christian Faith Douglas Jacobsen, Rhonda Hustedt Jacobsen, 2004-04-08 This book enters a lively discussion about religious faith and higher education in America that has been going on for a decade or more During this time many scholars have joined the debate about how best to understand the role of faith in the academy at large and in the special arena of church related Christian higher education The notion of faith informed scholarship has of course figured prominently in this conversation But argue Douglas and Rhonda Jacobsen the idea of Christian scholarship itself has been remarkably under

discussed Most of the literature has assumed a definition of Christian scholarship that is Reformed and evangelical in orientation a model associated with the phrase the integration of faith and learning The authors offer a new definition and analysis of Christian scholarship that respects the insights of different Christian traditions e g Catholic Lutheran Anabaptist Wesleyan Pentecostal and that applies to the arts and to professional studies as much as it does to the humanities and the natural and social sciences The book itself is organized as a conversation Five chapters by the Jacobsens alternate with four contributed essays that sharpen illustrate or complicate the material in the preceding chapters The goal is both to map the complex terrain of Christian scholarship as it actually exists and to help foster better connections between Christian scholars of differing persuasions and between Christians and the academy as a whole

In the Beginning was the Word Mark A. Noll, 2016 In the Beginning Was the Word provides a sweeping engaging and insightful survey of the relationship between the Bible and public issues from the beginning of European settlement through the American Revolution It focuses throughout on how people negotiated between the Bible and other social authorities such as ecclesiastical tradition national and imperial politics and economic mandates

Nonviolent Action Ronald J. Sider, 2015-02-10 There are numerous examples throughout history of effective nonviolent action Nonviolent protesters defied the Soviet Empire s communist rulers Gandhi s nonviolent revolution defeated the British Empire and Martin Luther King Jr s peaceful civil rights crusade changed American history Recent scholarship shows that nonviolent revolutions against injustice and dictatorship are actually more successful than violent campaigns In this book noted theologian and bestselling author Ron Sider argues that the search for peaceful alternatives to violence is not only a practical necessity in the wake of the twentieth century the most bloody in human history but also a moral demand of the Christian faith He presents compelling examples of how nonviolent action has been practiced in history and in current social political situations to promote peace and oppose injustice showing that this path is a successful and viable alternative to violence

A Documentary History of Religion in America Since 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

Understanding Peace Michael Allen Fox, 2013-11-12 Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of

peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars in peace studies philosophy and the social sciences as well as to general interest readers

The American Church Experience Thomas A. Askew, Richard V. Pierard, 2008-08-06 A welcome addition to the ongoing reflection on the meaning of religion in America The authors are both responsible as scholars and accessible as writers Teachers students clergy and laity will find this book worthwhile It deserves a wide reading Ronald A Wells Professor of History Calvin College editor Fides et Historia This is a most welcome update of the first textbook survey of American church history The American Church Experience retains all the virtues of the original brevity clarity and evenhandedness while incorporating recent historical developments and contemporary historical scholarship Michael S Hamilton Associate Professor of History Seattle Pacific University Specialists and general readers alike should welcome this valuable new resource in American religious history I certainly plan to recommend it to my students Garth M Rosell Professor of Church History and Director of the Ockenga Institute at Gordon Conwell Theological Seminary Captures the ebb and flow of religious history in a scholarly and precise way while retaining a highly readable quality Students will be challenged and laypeople will be informed about America s fascinating religious heritage This book is a must for the pastor s study and for the church library Ruth A Tucker author of From Jerusalem to Irian Jaya A Biographical History of Christian Missions Tom Askew and Dick Pierard provide a lively and succinct account of the origins expansion and struggles of the faith in America Their analyses are enhanced by commendable balance and a healthy global perspective This volume will prove to be an excellent resource for church study groups as well as for undergraduate and seminary classes James A Patterson Professor of Christian Studies Union University

Constructive Conflicts Louis Kriesberg, Bruce W. Dayton, 2012 This comprehensive and highly regarded book provides a framework for analyzing diverse social conflicts Updates for the fourth edition include a more reader friendly first chapter new examples such as the Arab Spring and new developments in waging conflicts

Whitewashing War Christopher Leahey, 2015-04-24 Whitewashing War explores perhaps the most critical issue social studies educators presently face How do we teach our students about war In this timely book Christopher Leahey investigates how the political struggles over the social studies curriculum the corporate domination of the textbook and testing industry and the curricular constraints of the No Child Left Behind Act combine to stifle historical inquiry and deprive students of meaningful social studies instruction Using the controversial Vietnam War as a case study Leahey holds textbook narratives up to the light illuminating how the adoption process interpretive framework and selection of evidence combine to transform the past into thinly veiled historical myths By attending to questions traditionally ignored in history education this dynamic book Challenges educators to rethink their pedagogical approaches to military conflict American and otherwise Calls on teachers to develop students critical sensibilities to ask questions conduct research

evaluate evidence and make meaning of the past Provides classroom lessons for history educators and students to engage in rich intellectual encounters with the historical record Christopher R Leahey teaches world history in upstate New York His articles have appeared in Social Education and The Social Studies If students are to be prepared for the challenges of the 21st century then we need to provide inspired interdisciplinary instruction that can provide the skills values and knowledge to enable our future citizens with the possibility promise and perspective to transform their world Whitewashing War provides that solid interdisciplinary framework for teachers and students to teach and learn about the myth of war Critical Education Leahey echoes a concern expressed by others that history textbooks fail to address the realities of war CHOICE The crowning achievement of Whitewashing War is that it clearly illustrates the necessity of pursuing rational answers about why things are as they are or were as they were It becomes clear upon reading this book that if we help our students pursue rational answers in the course of creating personally meaningful understandings of the world they will figure out just what it is that needs to be done From the Foreword by E Wayne Ross University of British Columbia The author has done a masterful job of exploring issues of historiography pedagogy textbook debates and critical thinking Through a deep examination of two historical turning points in the Vietnam War he has contrasted the known facts of these periods with the accounts contained in the textbooks Rick Ayers Graduate School of Education UC Berkeley A passionate and powerful analysis Christopher Leahey provides penetrating insight into how Americans teach about their wars As such his book is an invaluable aid to understanding the past and its connection to our current predicament Fredrik Logevall Cornell University Whitewashing War challenges the fundamental assumptions underlying the corporate regime of standards textbooks and testing and exposes the distortions manipulation and lies that result Leahey builds a compelling case for critical inquiry and dialogue Highly recommended Ronald W Evans San Diego State University author of The Social Studies Wars

Abolitionist of the Most Dangerous Kind Todd Mildfelt, David D. Schafer, 2023-10-17 A controversial character largely known as depicted in the movie Glory as a Union colonel who led Black soldiers in the Civil War James Montgomery 1814-71 waged a far more personal and radical war against slavery than popular history suggests It is the true story of this militant abolitionist that Todd Mildfelt and David D Schafer tell in Abolitionist of the Most Dangerous Kind summoning a life fiercely lived in struggle against the expansion of slavery into the West and during the Civil War This book follows a harrowing path through the turbulent world of the 1850s and 1860s as Montgomery with the fervor of an Old Testament prophet inflicts destructive retribution on Southern slaveholders wherever he finds them crossing paths with notable abolitionists John Brown and Harriet Tubman along the way During the tumultuous years of Bleeding Kansas he became a guerilla chieftain of the antislavery vigilantes known as Jayhawkers When the war broke out in 1861 Montgomery led a regiment of white troops who helped hundreds of enslaved people in Missouri reach freedom in Kansas Drawing on regimental records in the National Archives the authors provide new insights into the experiences of African American men who served in Montgomery's next

regiment the Thirty Fourth United States Colored Troops formerly Second South Carolina Infantry Montgomery helped enslaved men and women escape via one of the least explored underground railways in the nation from Arkansas and Missouri through Kansas and Nebraska With support of abolitionists in Massachusetts he spearheaded resistance to the Fugitive Slave Act in Kansas And when war came he led Black soldiers in striking at the very heart of the Confederacy His full story thus illuminates the actions of both militant abolitionists and the enslaved people fighting to destroy the peculiar institution

Justice and Violence Eric Nelson,2019-06-04 Originally published in 2003 *Justice and Violence* brings together a fascinating and varied volume that focuses on the ethics of both political violence and pacifism Incorporating historical geopolitical and cultural case studies it takes a unique look at comparative analyses of these two phenomena and contending world views The volume is a must read for political scientists ethicists historians sociologists anthropologists and policy analysts As we move deeper into the twenty first century the contradictory and conflicting forces of globalization and cultural fragmentation make it increasingly crucial to give serious consideration to the issues raised here

Social Policy and Social Change Jillian Jimenez,Eileen Mayers Pasztor,Ruth M. Chambers,Cheryl Pearlman Fujii,2014-02-26 The Second Edition of *Social Policy and Social Change* is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village

Mennonites, Amish, and the American Civil War James O. Lehman,Steven M. Nolt,2007-10-28 A study of the American Mennonite and Amish communities response to the Civil War and the effect t it had upon them During the American Civil War the Mennonites and Amish faced moral dilemmas that tested the very core of their faith How could they oppose both slavery and the war to end it How could they remain outside the conflict without entering the American mainstream to secure legal conscientious objector status In the North living this ethical paradox marked them as ambivalent participants to the Union cause in the South it marked them as clear traitors In the first scholarly treatment of pacifism during the Civil War two experts in Anabaptist studies explore the important role of sectarian religion in the conflict and the effects of wartime Americanization on these religious communities James O Lehman and Steven M Nolt describe the various strategies used by religious groups who struggled to come to terms with the American mainstream without sacrificing religious values some opted for greater political engagement others chose apolitical withdrawal and some individuals renounced their faith and entered the fight Integrating the most recent Civil War scholarship with little known primary sources and new information from Pennsylvania and Virginia to Illinois and Iowa Lehman and Nolt provide the definitive account of the Anabaptist experience during the bloodiest war in American history I found this book fascinating It

is an easy read with lots of arresting stories of faith under test Its amazingly thorough research which comes through on every page makes the book convincing Al Keim Shenandoah Mennonite Historian An impressive work in every way gracefully written broadly researched careful and measured in its conclusions It is likely to become the definitive work on its subject Thomas D Hamm Indiana Magazine of History In this fascinating study Lehman and Nolt perform a miraculous feat they find a small unexplored backwater in the immense sea of literature on the American Civil War Perry Bush Michigan Historical Review

[From Nonresistance to Justice](#) Ervin R. Stutzman, 2011-03-29 The more things change the more they stay the same From Nonresistance to Justice explores how this is true when it comes to teaching about peace for the former Mennonite Church now part of Mennonite Church USA Has the church changed in regard to its beliefs and practices about peace over the past 100 years Yes Has it remained the same Yes Reading this book will show that both are true Through the book Ervin Stutzman shows how the church moved from an emphasis on nonresistance and nonconformity to engage in advocacy for peace and justice At the same time he presses for a greater emphasis on the way that God s activity must guide our work in the world arguing for a stronger link between God s grace justice and peace Volume 46 in the Studies in Anabaptist and Mennonite History Series

Constructive Conflicts Bruce W. Dayton, Louis Kriesberg, 2022-07-22 Substantially revised for the sixth edition Constructive Conflicts explains how large scale political and social conflicts can be waged more constructively with more positive consequences and fewer destructive consequences for those involved Drawing on research from political science sociology social psychology neuroscience cultural studies and other disciplines Dayton and Kriesberg follow the lifecycle of social and political conflicts as they emerge escalate de escalate become settled and often emerge again in new forms The sixth edition presents numerous new examples and cases of conflict episodes that have avoided extreme coercion or violence and which have resulted in the advancement of the interests of most parties involved The book gives policymakers concerned citizens and students a powerful analytical framework supported by data for understanding and constructively intervening in conflicts of different type and scale offering a way out of the destructive cycles of conflict management which have come to characterize contemporary social and political relations Key revisions and features include Increased attention to changes in the social and political landscape including the rise of nationalism the erosion of liberal internationalism conflicts related to COVID response political polarization and the Black Lives Matter movement Thoroughly revised cases and examples throughout Key content revisions such as the growth of bottom up strategies for peace and conflict management the rise of misinformation in a post truth era and insights from neuroscience Table of contents now organized around three distinct book sections and chapter titles revised to reflect new content Numerous new figures and tables in every chapter End of chapter summaries discussion questions and activities New ancillary teaching materials including experiential exercises simulations and lecture outlines with teaching tips
