Nymphets & Fairies

THREE VICTORIAN
CHILDREN'S ILLUSTRATORS

ERIKHAM ÖVERGÅDEN

Dickens's fairy tales are peopled with creatures who defy the descriptive powers of mere writers. Only a Victorian illustrator was capable of creating the elusive nymphets and fairies who lived under mushrooms and within the flower stems, and the drawings of E.V.R. William Stephen Coleman and Richard Doyle, as included in this programme of artists, mark a high point in the depiction of childhood fantasies, mixing imaginative inspiration with delicate craftsmanship.

LINGERIE PARISIENNE

JULIETTE MOREL

Old Parisian ladies of the 1920s seemed to spend half their waking hours in the search for ways of making themselves more attractive, even more desirable. No woman's wardrobe could be considered complete without a rich selection of lingerie for every time of the year and for every occasion, and these tantalizing images of the female form, culled from *L'Esprit Parisien*, offer a unique glimpse of the tastes and the fantasies of the 1920s.

NUDES of the '20s and '30s

THOMAS WALTERS

The female form has always been subject to the whims and dictates of fashion, concealing, revealing and even altering the unadorned body. Ranging from the work of master photographers to what may seem the relatively innocent images on 'dirty' postcards, this collection presents women unencumbered by restraining garments. They frolic, gesture and pose in unadorned beauty. What better way is there to study the female body than with these delicious photographs of nudes of the 1920s?

ART DECO

VICTOR ARBAG

From fashion to furniture, from transportation to theatre design, the 1920s have left an indelible and instantly recognizable mark upon the twentieth century. This particular survey evokes a bygone world of streamlined shapes, of gleaming futuristic excitement, while bringing to life a style which has been imitated but never surpassed. Selected from a rich variety of contemporary sources each image captures the spirit of an age bent on pleasure and the pursuit of style, in automobiles, clothes and women.

A new series of superbarts on the decorative arts, illustration and photography with 88 heavily illustrated pages including 8 in full colour.

Abstract Nude Gwydion Suilebhan,2013 An enigmatic erotically charged portrait seems to reveal more about the people who view it than it reveals about itself As the painting moves backward in time it passes from owner to owner exploding the lives of everyone who encounters it In one home the portrait tips the balance in a barely suppressed power struggle among the members of a well to do family In another it awakens a great deal of confusion and passion between two former fraternity brothers In the home of the portrait s subject it inspires nothing but unrequited love and alienation between two dear friends And finally back in the moment of its creation

where the story both ends and begins the painting incites a terrible violence the tragedy that haunts it wherever it travels and that cannot be escaped Objects of Special Devotion Ray Broadus Browne,1982 This book demonstrates the importance of the study of fetishes and fetishism in the study of popular culture Some of the essays cover rather conventional manifestations in the world today others demonstrate the fetishistic qualities of some unusual items But all illustrate without any doubt that like the icon the ritual and many other items in society fetishes fetishism and fetishists must be studied and understood before we can begin to understand the complexity of present day society *Japan ...
