in yourself and others and connecting to it is essential for leading a balanced and fulfilling life. If you don't feel fulfilled or seen, then perhaps you aren't in tune with your feminine aspect. The 10 principles outlined in here are meant to guide the reader towards a better understanding and appreciation of the feminine, which beyond everything represents our inner power and capacity to connect to the eternal and the ethereal, as well as to seek and find true love. This book is therefore a practical guide for integrating the spiritual aspect into our earthly existence, reconciling the feminine with the masculine in an approachable and concise way without pertaining to a certain spiritual or religious ideology.
