Nycs African Slaveowners A Social Material Hist:

New York City's African Slaveowners Sherrill D. Wilson, 1994 Black slave ownership is a neglected area in the annals of American history This work illustrates and traces the pattern that black slave ownership took in New York City from its documented inception in 1661 to its demise after 1830 In New York City the phenomena of black slave ownership may be understood in the classic sense as benevolent slave holdings as defined by Carter G Woodson The social and material culture histories included in this work provide a unique view of colonial New Amsterdam and New York City Publisher description

African Burial Ground National Monument Ethnographic Overview and Assessment Dána-Ain Davis, Leith Mullings, 2012 [The African Burial Ground in New York City](#) Andrea E. Frohne, 2015-10-09 In 1991 archaeologists in lower Manhattan unearthed a stunning discovery Buried for more than 200 years was a communal cemetery containing the remains of up to 20 000 people At roughly 6 6 acres the African Burial Ground is the largest and earliest known burial space of African descendants in North America In the years that followed its discovery citizens and activists fought tirelessly to demand respectful treatment of eighteenth century funerary remains and sacred ancestors After more than a decade of political battle on local and national levels and scientific research at Howard University the remains were eventually reburied on the site in 2003 Capturing the varied perspectives and the emotional tenor of the time Frohne narrates the story of the African Burial Ground and the controversies surrounding urban commemoration She analyzes both its colonial and contemporary representations drawing on colonial era maps prints and land surveys to illuminate the forgotten and hidden visual histories of a mostly enslaved population buried in the African Burial Ground Tracing the history and identity of the area from a forgotten site to a contested and negotiated space Frohne situates the burial ground within the context of late twentieth and early twenty first century race relations in New York City to reveal its enduring presence as a spiritual place

[Central Africans, Atlantic Creoles, and the Foundation of the Americas, 1585-1660](#) Linda M. Heywood, John K. Thornton, 2007-09-10 This book establishes Central Africa as the origin of most Africans brought to English and Dutch American colonies in North America the Caribbean and South America before 1660 It reveals that Central Africans were frequently possessors of an Atlantic Creole culture and places the movement of slaves and creation of the colonies within an Atlantic historical framework **The Encyclopedia of New York City** Kenneth T. Jackson, Lisa Keller, Nancy

Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been

completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis *Encyclopedia of African American History 1619-1895* Paul Finkelman, 2006 Publisher Description **African Or American?** Leslie M. Alexander, 2011-12-21 The struggle for black identity in antebellum New York **Race and Police** Ben Brucato, 2023-09-15 In the United States race and police were founded along with a capitalist economy dependent on the enslavement of workers of African descent Race and Police builds a critical theory of American policing by analyzing a heterodox history of policing drawn from the historiography of slavery and slave patrols Beginning by tracing the historical origins of the police mandate in British colonial America the book shows that the peculiar institution of racialized chattel slavery originated along with a novel binary conception of race On one side for the first time Europeans from various nationalities were united in a single racial category Inclusion in this category was necessary for citizenship On the other Blacks were branded as slaves cast as social enemies and assumed to be threats to the social order The state determined not only that it would administer slavery but that it would regulate slaves authorizing the use of violence by agents of the state and white citizens to secure the social order In doing so slavery citizenship and police mutually informed one another and together they produced racial capitalism a working class defined and separated by the color line and a racial social order Race and Police corrects the Eurocentrism in the orthodox history of American police and in predominating critical theories of police That orthodoxy rests on an origin story that begins with Sir Robert Peel and the London Metropolitan Police Service Predating the Met by more than a century America's first police often called slave patrols did more than maintain order it fabricated a racial order Prior to their creation all white citizens were conscripted to police all Blacks Their participation in the coercive control of Blacks gave definition to their whiteness Targeted as threats to the security of the economy and white society being policed defined Blacks who for the first time were treated as a single racial group The boundaries of whiteness were first established on the basis of who was required to regulate slaves given a specific mandate to prevent Black insurrection a mandate that remains core to the police role to this day [Black Gotham](#) Carla L. Peterson, 2011-01-01 Narrates the story of the elite African American families who lived in New York City in the nineteenth century describing their successes as businesspeople and professionals and the contributions they made to the culture of that time period **The Underground Railroad on Long Island** Kathleen G. Velsor, 2021-04-13 Discover Long Island's pivotal role in the Underground Railroad and the legacy that lives on today in this fascinating history and visitor's

guide From the arrival of the Quakers in the seventeenth century to the enforcement of the Emancipation Proclamation Long Island played an important role in the Underground Railroad s work to help enslaved people escape to freedom Many of the safe houses are still standing today and this informative volume provides all the information you need to see and explore this little known chapter in Long Island history In Old Westbury the members of the Westbury Meeting established a major stop on the freedom trail In Jericho families helped escaping slaves to freedom from the present day Maine Maid Inn Elias Hicks helped free 191 slaves himself and worked to create Underground Railroad safe houses in many northeastern cities Some formerly enslaved people even established permanent communities across the island

Nycs African Slaveowners A Social Material Hist Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nycs African Slaveowners A Social Material Hist PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free NyCS African Slaveowners A Social Material Hist PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of NyCS African Slaveowners A Social Material Hist free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
