Once Upon A Cruise:

Once Upon a Cruise: A Wish Novel Anna Staniszewski, 2016-09-27 A funny fractured fairy tale sort of from the author of the beloved Dirt Diaries series Ainsley never wanted to spend her summer on a fairy tale cruise especially since instead of lounging by the pool she's running around the ship doing favor after favor for her cruise director mom Things aren't all bad it's good to see her mom acting confident again after the divorce and she's learning a lot about obscure German fairy tales and how to fold towels into entertaining shapes for little kids um yay There's also a guy who's super cute even in a dorky dwarf costume if only Ainsley could get Prince Handsome to stop babbling about himself long enough for her to say more than hi to the cute dwarf But once the cruise starts things start to go wrong the laundry turns pink the kitchen runs out of food the guy playing the Pig King is always in Ainsley's hair and her mom expects her to be in a hundred places all at once Is this fairy tale cruise under a wicked curse Or can Ainsley stand up for herself and make the cruise end happily ever after **Once Upon a**

Cruise Anna Staniszewski, 2016 Ainsley's divorced mother is the director on a summer fairy tale definitely not Disney cruise and nearly thirteen year old Ainsley is annoyed that she is expected to spend her summer vacation helping out in hundred different ways without much in the way of free time to chat up the cute boy playing the Pig King then once the ship actually sets sail things start to go wrong and Ainsley begins to wonder whether this fairy tale is cursed Once Upon a Cruise

Patricia Trudeau, 2011 Once Upon a Cruise Anne Tedlock Brooks, 1989-01-01 **Once Upon a Challenge** Nancy L. Burns, 2009-07 It was the late 1940s when a tall skinny sixth grader picked up a shiny object off the ground in her small Missouri town and became the victim of a tragic circumstance an explosive left carelessly behind took away her vision and changed her forever With a quietly inspirational style Nancy Burns shares her poignant life experiences as a blind woman with the hope of educating and enlightening others about certain societal misconceptions and attitudes regarding those who are disabled Beginning with the moment when she woke up in the hospital both eyes bandaged and realized she would not receive the emotional comfort and guidance she so desperately needed Burns offers a compelling glimpse into the fulfilling world she created for herself despite her disability Her personal story chronicles her struggles as a young girl learning to live with her vision loss her family's inability to acknowledge her disability and her determined journey to acquire the skills that led her to eventually become a vocational counselor who worked with disabled clients In Once Upon a Challenge Hearing is Believing Burns offers an important message the way one chooses to live with challenges becomes the key to success in life
