One Holy Catholic And Apostolic The Early Church Was The Catholic Church:

One, Holy, Catholic, and Apostolic K. D. Whitehead, 2000-01-01 Kenneth Whitehead shows in this book how according to these same sources the early Church was already in all essential respects the same Church as the Catholic Church of today The Church consists of believers in Christ who profess her creed and are subject to the authority of her hierarchy just as the first Christians accepted the preaching of the apostles chosen by Jesus and were subject to their authority as can abundantly be seen in the Acts of the Apostles The Church of Christ purveys both word and sacrament for the sake of the sanctification and salvation of her members through the ministry of ordained priests and bishops all of whom are ultimately under the authority of the bishop of Rome the Pope All these things were also strictly true of the early Church as demonstrated in this book **BOOK JACKET** **One, holy, catholic, and apostolic : the early church was the Catholic Church** Kenneth D.
