One Hundred Traditional Bobbin Lace Patterns:

100 Traditional Bobbin Lace Patterns Bridget M. Cook, Geraldine Stott, 2014-11-24 Here is a collection of 100 traditional patterns for Bucks Point lace one of the finest laces in England. The diagrams are colour coded for clarity and each pattern is printed in detailed diagrammatic form. There is one pattern on each page or on adjacent pages with its relevant pricking and an actual size photograph of the completed piece of lace. The number of bobbins and the thread used are also noted. Not only are there 100 traditional patterns contained within this book but the majority have an unusual or interesting feature in their construction not readily observed or perhaps fully appreciated at first glance. Some of the patterns have been slightly adapted from the original to complement modern threads and all have been painstakingly researched from various museums. Lace makers from those just starting to the experienced will find here a wealth of readily understandable patterns at their fingertips. [The Cumulative Book Index](#), 1999 **Member's Handbook** International Old Lacers, 1997 [The Book of Bobbin Lace Stitches](#) Bridget M. The degree of accuracy and detail is the result of many years of research into the methods used in the lacemaking centres of Britain and Europe. Over 260 stitches and variations are described ranging from the simplest to the most complex. The content has been arranged so that all the information for each stitch is to be found on one page. The guide is laid out step by step and is aimed at both the working lacemaker and the student. **Traditional Scandinavian Knitting** Sheila McGregor, 2004-01-01 An expert on traditional Scandinavian knitting explains the distinctive craft's origins, its various types and knitting techniques in this classic guide.
