THE SOUL'S JOURNEY: GUIDANCE FROM THE DIVINE WITHIN propels the reader onto a breathtaking visionary quest as the soul's longing to know the Divine is answered by the loving power of Grace. Dr. Edwards uses his personal mystical experiences to gradually unfold the tasks to be mastered and the lessons to be learned as we tread our individual path to the Divine. His wisdom is grounded in both direct experience as well as in the knowledge of Jungian archetypal psychology, Eastern and Western mysticism, and mythology. The book presents a rich interweaving of personal trials and challenges, insights from poet-saints and mystics, uplifting experiences of the Divine being discovered in everyday life, and lofty overviews of the spiritual terrain from different vantage points. The reader will have the good fortune to find their faith and their enthusiasm for treading their path delightfully boosted by what they encounter in this book. Joseph Chilton Pearce, noted author and lecturer on human development, whose books include *THE MAGICAL CHILD*, *THE MAGICAL CHILD MATURES*, and *EVOLUTION'S END*. You have a treasure chest of experience so rich a story. The only one worth telling, the only game in town. Dr. Marion Woodman, the highly regarded Jungian analyst, author of numerous works, and co-author of *DANCING IN THE FLAMES*, *THE DARK GODDESS*, *IN THE TRANSFORMATION OF CONSCIOUSNESS*. I find your descriptions of your experiences fascinating. I really feel that blackness, radiant blackness of Kali, you describe. Also your descriptions and explanations, and in-depth experiences of the chakras are excellent. Many thanks for sharing this with me. I know it can be of value to many who are working so hard to bring East and West, body and mind together. Stanley Krippner, Ph.D., professor of psychology, author of *Spiritual Dimensions of Healing* and editor of *Dreamscaping*. Edwards' first-person accounts are riveting. His descriptions of his Kundalini states are eloquent, including colorful descriptions of his imagery, olfactory, and tactile, as well as visual and auditory, and profound insights into the human condition. Edwards skillfully guides his readers through a pathway on which he has been an experienced traveler. AHP Perspective, Sept/Oct 2001. **Soul's**

Soul Journey Michael Tracey,2002 All journeys are journeys of encounter with the Lord who walks with us in the cool of the evening Sometimes they are deadly silent other times they are full of travail But all times no matter what the occasion or circumstance they are journeys with rather than against journeys to rather than from journeys indwelling rather than dissipating Any journey demands both a challenge and a risk an act of faith in what is to come because of the assurance of what is past Yet the challenge and risk always leads to a homecoming And the journey home is always shorter and full of special memories because it embodies the reality of a happy ending A journey is an exercise in discovery discovery of latent talents opportune moments and the creative ability to fashion the tapestry of one s life under the guidance of the Master Weaver This book is a journal of life weaved from the fabric of people s lives Their hearts are stories of strength and weakness heroism and heartbreak yet woven together with hope It is a sacramentality of life love and living May your journey be the same but different The Gospel of John as a Soul's Journey William Fairbanks,2009-06 The Gospel of John as a Soul s Journey is a commentary on the Gospel of the Beloved Disciple from a psychological standpoint It is a continuation of ideas of the Episcopal minister and psychiatrist John A Sanford who wrote Mystical Christianity This book sees John s Gospel not as history but as most scholars see it as a symbolic story It goes farther from the conventional view however in that it sees the sequence of events in the Gospel as a guide for everyone in their journey in life This commentary goes beyond the concept which John Sanford developed that the Jews in the Gospel represents the human ego It also sees Jesus whose name means Savior not as the historical figure but as the force in everyone s life which wants to save them to a higher form of existence William Fairbanks is a retired computer programmer who has taken up writing He was brought up in the Methodist tradition and was named after a grandfather who was a superintendent of Sunday Schools for many years His mother was active in her church teaching Sunday School for many years He himself wasn t active in religious activities until the age of forty when he had a mystical experience He was saw in the sky what is known as the Cross of Constantine as the Emperor Constantine saw the same thing at a decisive time in his life Since that time he has devoted much time and effort in the study of the Bible and participation in group study He has written one other book on the Bible Personal Wellness through the Old Testament

Soul'S Journey Rev. Dr. Becky Rector MDiv,2017-09-11 Many people have asked themselves What is my hearts desire This question can be confusing Perhaps you arrived at a point when you felt confident in what your hearts desire looked like You may have even started making the choice to go after it whatever it is only to have something get in your way maybe more than once This barrier that always seems to pop up may have manifested as fear either your own or that of a loved one that pulled you away from your decision This fear of the unknown may have forced you to stay in your current situation No matter

how this barrier manifested it seemed to get in your way every time Now some people may believe this interference is a sign from the utmost Or perhaps they believe that by staying in their current situation they will find a new happiness that will lead to contentment So which is the true hearts desire The answer is simple Its the one that when you see yourself obtaining it gives you the most joy and happiness Its the one that makes your heart race Soul Journeys Rosalind A.
