《星洲日報》復刊

新加坡光復後，星洲主席胡文虎仍留在香港，迄無消息。星洲經理胡秋杰挺身而出，召集旧同事回报社，于1945年8月8日與南洋網一天復刊。由于人力不足，星洲與《總匯報》聯合出版。

Sin Chew Jit Poh's resumption of publication

After the recovery of Singapore, Sin Chew Jit Poh's chairman Aw Boon Haw remained in Hong Kong. Foo Chew Keat, Sin Chew's manager before the fall of Singapore, stepped forward to recall its old colleagues back to work and Sin Chew Jit Poh resumed its publication on 8th September 1945 the same day as Nanyang Siang Pau. Owing to the shortage of staff, Sin Chew was jointly published with Chung Wei Pao (Union Times).

Freedom from the Press Cherian George, 2012-04-01 For several decades the city state of Singapore has been an international anomaly combining an advanced open economy with restrictions on civil liberties and press freedom Freedom from the Press analyses the republic s media system showing how it has been structured like the rest of the political framework to provide maximum freedom of manoeuvre for the People s Action Party PAP government Cherian George assessed why the PAP s freedom from the press model has lasted longer than many other authoritarian systems He suggests that one key factor has been the PAP s recognition that market forces could be harnessed as a way to tame journalism Another counter intuitive strategy is its self restraint in the use of force progressively turning to subtler means of control that are less prone to backfire The PAP has also remained open to internal reform even as it tries to insulate itself from political competition Thus although increasingly challenged by dissenting views disseminated through the internet the PAP has so far managed to consolidate its soft authoritarian hegemonic form of electoral democracy Given Singapore s unique place on the world map of press freedom and democracy this book not only provides a constructive engagement with ongoing debates about the city state but also makes a significant contribution to the comparative study of journalism and politics

Historical Dictionary of Singapore Justin Corfield, 2010-12-02 In spite of Singapore s small size it has long had a major impact on the world because of its geographical location and its wealth The British initially made the island a major port for the shipping of goods and later as an airline hub for the region These factors along with a steady government have helped to contribute to the country s affluence This multicultural multiracial and multi religious island nation is the envy of many

countries in the world which have tried to emulate the economic success of Singapore The new edition of the Historical Dictionary of Singapore has been completely rewritten since the first edition was released 20 years ago It relates the history of this country through a chronology an introductory essay an expansive bibliography and over 500 cross referenced dictionary entries on significant persons events places organizations and other aspects of Singapore history from the earliest times to the present

Strenuous Decades Chi-cheung Choi,Tomoko Shiroyama,Venus Viana,2022-03-07 The movement of goods and passengers between port cities not only stimulates growth in coastal trading networks and centers but also inevitably changes the social and economic lives of people in these port cities and subsequently of their fellow compatriots farther inland Studies of port cities have focused on the interactive political and economic relationship between trading centers The center of attention in this book is socioeconomic life and cultural identity which are shaped by the movement of goods people knowledge and information particularly when the community faces a crisis Transnational studies focus on cross border connections between people institutions commodities and ideas with an emphasis on their global presence This book looks at the responses of different localities to the same global crisis It gathers a selection of the fifty papers presented at the conference on Coping with Transnational Crisis Chinese Economic and Social Lives in East Asian Port Cities 1850 1950 held in Hong Kong on June 7 11 2016 The period from the 1850s to the outbreak of war in the Pacific in the late 1930s encompasses two major transnational crises with significant impacts on the Chinese population in Southeast Asian port cities in terms of their way of living and the construction of their identity the emergence of bubonic plague in the 1880s and 1920s and the global economic crisis in the late 1920s and early 1930s The authors discuss the social and economic lives in various South East Asian port cities where many residents had to cope with these transnational crises They do so through examining institutional measurements rituals and festivals communication knowledge and information exchange as well as identity reconstruction In addition they explore how local communities responded to knowledge and information between the port cities and cities as well as inland locations The chapters in this book offer solid grounds for future comparisons not only based on a specific time or event but also on how society reacted over time space and various types of crises

Handbook of the Media in Asia Shelton A Gunaratne,2000-07-27 This volume provides a fresh look at the media in Asia It complements the work of the Euromedia Research Group on the media in Western Europe and supplements with updated information earlier works on the media in Asia and its sub regions While providing a predominantly Asian interpretation of Asian media the handbook is not in disharmony with Western interpretation The Handbook draws together contributions from over thirty experts which have been placed within the customary division of Asia into South Southeast and East

The Development of Singapore's Modern Media Industry Yew Soon Tan,Yew Peng Soh,1994 The Development of Singapore s Modern Media Industry provides a comprehensive account of the major media industries and related institutions in Singapore The five major component of Singapore s mass media are analysed the Press television and radio broadcasting film and cinema advertising and public

relations A chronological perspective of each media is given and future directions are considered The impact of policies and regulations governing Singapore s media and the socio economic factors which have moulded them into what they are today are also discussed Written primarily for media students this book will help readers to understand the complex world of modern media This book aims to meet the increasing demands for information on the mass media scene as Singapore strives to build up a pool of communication experts for its growing mass media industry Presented in a straightforward manner this textbook will serve as a vital reference for both media practitioners and mass communication students Accessions List, South Asia Library of Congress.
