Parasyte Full Color Collection 5 Hitoshi Iwaaki, 2024-01-16 After a parasite invaded Shinichi's body and ate his right arm Shinichi hasn't been the same. He's become something monstrous but unlike the rest of the parasites he's retained his mind including his human conscience which weighs on him heavily. He now walks a thin line between the humans who have uncovered the truth and the parasites who know of his hybrid existence. As the situation starts to escalate, what will happen to Shinichi?

Parasyte Reversi 1 Hitoshi Iwaaki, 2024-10-08 Three dismembered bodies were found in an abandoned basement parking garage, sliced limb from limb while they were still alive. And if the boy who discovered them is to be believed, the murders occurred in an impossibly short window of time. Nothing is adding up for veteran detective Fukami of the East Fukuyama police department, and his gut is telling him the boy is hiding something. In fact, he's quite certain that Tatsuki Hirokawa saw exactly what happened and who did it. But what the boy knows will go far beyond even his wildest nightmares. A riveting parallel episode to Hitoshi Iwaaki's acclaimed sci-fi horror series from the author of cult classic *Teppu*.

Parasyte Full Color Collection 8 Hitoshi Iwaaki, 2024-10-22 Shinichi's normal life is completely over. Forced to flee everything he was trying so desperately to protect, he's now being hunted by the most deadly and monstrous parasite of them all. He won't be able to run forever, but he's not alone. Together, can Shinichi and Migi trust each other enough to find a way to survive? And what kind of life awaits them when it's over? The epic journey of a boy and his monster hand comes to a stunning conclusion in this final volume.

Parasyte Full Color Collection 2 Hitoshi Iwaaki, 2023-02-14 The sci-fi horror manga classic returns in a fully colorized premium quality hardcover for the first time. If you've never read the story of Shinichi and the polite and murderous alien infesting his right arm, or even if you already own the series, there's never been a better way to collect it. Presented in eight volumes containing about 300 pages of manga each, Shinichi Izumi might seem like an ordinary high school boy, but he harbors a deadly secret: an alien parasite has taken him as its host. After failing to subsume him completely, the parasite was forced to settle in his right arm, and a strange partnership was born. With threats around every corner, parasite and human alike must learn to work together or perish. But this parasite is ruthless, deadly, and utterly indifferent to human suffering, and it seems to have an influence on Shinichi that's more than skin deep. As Shinichi fights for control of his body, can he also hold on to his humanity? For more than 30 years, new generations of readers have been riveted to this unlikely buddy story that unfolds amid a world of monstrosities that never stay hidden for long. Since its first release in 1988, *Parasyte* has inspired live action films, spinoffs, and in 2015 a global hit anime series. The Full Color Collection presents Hitoshi Iwaaki's original manga in hardcover for the first time, with each page carefully colorized and a revised translation for 2022. There's never been a better time to stay up late and get your hand on *Parasyte*.
