Philosophical Questions East And West:

Philosophical Questions Bina Gupta, J. N. Mohanty, 1999-12-22 Philosophical Questions East and West is an anthology of source material for use in comparative courses in philosophy religion and the humanities The readings derived from the great works of the Indian Chinese Japanese Islamic and Western intellectual traditions are presented as answers to some of the most enduring questions in philosophy Discussions are arranged under the headings of epistemology metaphysics ethics philosophy of religion aesthetics and the nature of human being Each section begins with an introductory essay in which the leading questions and their responses from different traditions are presented in overview Philosophical Questions raises the central questions of comparative philosophy and eloquently argues the need for discarding familiar cliches to make a fresh unprejudiced study of these traditions

Philosophical Essays East and West Michael Slote, 2023-09-27 The book is a much expanded version of the Kuang Yi Liu Lectures in Chinese Philosophy the author delivered in Taiwan in December 2022 The book brings together essays on Chinese philosophy Western philosophy and the proposed interaction between them The purpose is not mainly exegetical or descriptive the book seeks to expand our philosophical understanding in various directions Philosophical Essays East and West shows how Chinese thought can help Western analytic philosophy develop further and can even serve as a corrective to certain central aspects of traditional and contemporary Western philosophical thinking We Western analytic philosophers don't think we have much if anything to learn from Chinese philosophical ideas But we do we do and much of the present book seeks to show how Studying topics in ethics philosophy of mind epistemology and aesthetics this book puts Chinese philosophy in conversation with traditional problems in Western analytic philosophy It also proposes aphorism as an important method in both traditions

Ethical Questions Bina Gupta, 2002 Ethical Questions East and West is an anthology of source material from various Eastern and Western traditions addressing fundamental and enduring questions in moral philosophy It is intended for use in undergraduate level comparative ethics courses Each section begins with an introductory essay in which the leading ethical questions and their responses from different traditions are presented in overview Sections are centered around ethical questions such as Who Am I What Ought I to Do What Kind of Person Ought I to Be Questions of religion and morality freedom and the just society are also included Ancient and modern sources are examined ranging from the Buddha Aristotle and Upanishads to Kant Simone de Beauvoir and Alasdair MacIntyre Ethical Questions provides a comprehensive comparative introduction to key ethical concepts stressing the importance of diverse traditions in the global community and encouraging understanding between and among traditions

Philosophical Questions Bina Gupta, Jitendra Nath Mohanty, 2000 Philosophical Questions East and West is an anthology of source material for use in comparative courses in philosophy religion and the humanities The readings derived from the great works of the Indian Chinese Japanese Islamic and Western intellectual traditions are presented as answers to some of the most enduring questions in philosophy Discussions are arranged under the headings of epistemology

metaphysics ethics philosophy of religion aesthetics and the nature of human being Each section begins with an introductory essay in which the leading questions and their responses from different traditions are presented in overview Philosophical Questions raises the central questions of comparative philosophy and eloquently argues the need for discarding familiar clichés to make a fresh unprejudiced study of these traditions **Philosophy East / West** Oren Ergas, Sharon Todd, 2016-01-26 Philosophy East West showcases new scholarship in the philosophy of education and contemplative studies paying particular attention to the intersection of mindfulness evidence based science and wisdom traditions Moves beyond simplistic explanations of Eastern and Western to explore the complexity and diversity of various wisdom traditions Investigates the effect of mindfulness based curricular interventions on current educational theory and practice Uses insights from important Western philosophers including Heidegger Levinas and Foucault to situate contemplative practice within contemporary educational theory Emphasizes the importance of transcultural and intercultural approaches in the philosophy of education **Heidegger, Rorty, and the Eastern Thinkers** Wei Zhang, 2012-02-01 Wei Zhang joins the ongoing hermeneutic quest for understanding and appropriating the East West encounter and cross cultural engagement by exploring Martin Heidegger's and Richard Rorty's cross cultural encounters with Eastern thinkers Zhang begins by examining Rorty's correspondence with Indian philosopher Anindita N Balslev outlining their debate about the discipline of comparative philosophy and curriculum reform as well as the nature or origin of philosophy itself She then focuses on the dialogue between Heidegger and a Japanese professor concerning the nature of human language and discusses whether Heidegger's view of language allows for a true understanding between East and West or whether it admits only misunderstanding and prejudice are possible Finally the author presents a conceptual dialogue with Heidegger's primary text on hermeneutics and phenomenology *Ontology The Hermeneutics of Facticity* Utilizing the dialogues and correspondence between Heidegger Rorty and the Eastern thinkers as textual examples Zhang deconstructs and recovers layers of misconceptions of the various interpretations of the East West encounter Philosophy East & West, 2000 **Comparative Philosophy without Borders** Arindam Chakrabarti, Ralph Weber, 2015-11-19 Comparative Philosophy without Borders presents original scholarship by leading contemporary comparative philosophers each addressing a philosophical issue that transcends the concerns of any one cultural tradition By critically discussing and weaving together these contributions in terms of their philosophical presuppositions this cutting edge volume initiates a more sophisticated albeit diverse understanding of doing comparative philosophy Within a broad conception of the alternative shapes that work in philosophy may take this volume breaks three kinds of boundaries between cultures historical periods and sub disciplines of philosophy such as metaphysics epistemology ethics aesthetics and political philosophy As well as distinguishing three phases of the development of comparative philosophy up to the present day the editors argue why the discipline now needs to enter a new phase Putting to use philosophical thought and textual sources from Eurasia and Africa contributors discuss modern psychological and

cognitive science approaches to the nature of mind and topics as different as perception poetry justice authority and the very possibility of understanding other people Comparative Philosophy without Borders demonstrates how drawing on philosophical resources from across cultural traditions can produce sound state of the art progressive philosophy Fusing the horizons of traditions opens up a space for creative conceptual thinking outside all sorts of boxes **Anthology of**

Philosophical and Cultural Issues Yijie Tang,2016-08-02 This book argues that a general understanding of traditional Chinese philosophy can be achieved by a concise elaboration of its truth goodness and beauty that goodness and beauty in Chinese philosophy combined with the integration of man and heaven knowledge and practice scenery and feeling reflect a pursuit of an ideal goal in traditional Chinese philosophy characterized by the thought mode uniting man and nature This book also discusses the anti traditionalism of the May Fourth Movement explaining that the true value of sagacity theory in traditional Chinese philosophy especially in Neo Confucianism in the Song and Ming dynasties lies in its insights into universal life In addition existing ideas issues terminologies concepts and logic of Chinese philosophical thought were actually shaped by Western philosophy It is necessary to be alienated from traditional status for the creation of a viable Chinese philosophy Modern Chinese philosophy in the 1930s and 1940s was comprised of scholarly work that characteristically continued rather than followed the traditional discourse of Chinese philosophy That is to say in the process of studying and adapting Western philosophy Chinese philosophers transformed Chinese philosophy from traditional to modern In the end of the book the author puts forward the idea of a New Axial Age He emphasizes that the rejuvenation of Chinese culture we endeavor to pursue has to be deeply rooted in our mainstream culture with universal values incorporating cultures of other nations especially the cultural essence of the West Ethical Questions Bina

Maximus the Confessor a saint of both churches provides a unique theological lens through which to map out a path of ecumenical understanding and hopefully reconciliation and union Through an exposition of the intellectual history of Maximus theological influence his moral and spiritual theology and his metaphysical vision of creation a common Christianity emerges This book brings together leading scholars and thinkers from both traditions around the theology of St Maximus to cultivate greater union between Eastern and Western Christianity

Essays in East-West Philosophy Charles A. Moore, 2021-05-25 In the modern world provincialism in reflective thinking is dangerous possibly tragic If philosophy is to fulfill one of its main functions that of guiding the leaders of mankind toward a better world its perspective must become worldwide and comprehensive in fact as well as in theory This the motivating theme of the Second East West Philosophers Conference held at the University of Hawaii in the summer of 1949 is likewise the theme of this volume the complete report of that Conference The goal of the eminent philosophers participating was the discovery of avenues of progress toward a synthesis of Oriental and Occidental thought They attempted to reach tentative conclusions in the fields of methodology metaphysics and ethical theory Conference activities consisted of meetings lectures discussions undergraduate courses and graduate seminars As far as possible the proceedings were limited to the study of East West philosophy extensive attention was not given to the strictly religious aspects of any philosophical tradition Participants in the Conference were convinced that philosophy is now entering upon a new stage of development which will be characterized by trans cultural cooperation and world perspective This development can be of tremendous significance in world thought and eventually in the lives and actions of the people of the world Twenty three of the formal papers presented at the Conference comprise the substance of this book a significant proposal for synthesis is stated or implied in almost every one A comprehensive introduction by the editor a summary of the results and conclusions of the Conference seminars a who's who of contributors and an exhaustive index round out the volume

A Short History of Stupidity Stuart Jeffries, 2025-08-21 We are living it is often said in a golden age of stupidity in which boneheaded mendacious politicians get elected by voters who've become too mindless to realize their interests are ill served by narcissists while vapid social media influencers corrupt their no less witless followers with groundless conspiracy theories and eye wateringly foolish takedowns of scientific expertise Our time one might be forgiven for thinking is one in which the fool's gold of stupidity has become a desirable commodity a must have with bumbling celebrities venerated more than those who have more than two brain cells to rub together In this book Stuart Jeffries analyses how we got into this parlous state and wonders if the stupid like the poor are always with us or if rather stupidity is like Japanese knotweed difficult to root out but to be exterminated with extreme prejudice He considers what some of the greatest of minds Socrates Buddha Voltaire Arendt and others have to tell us about the slippery nature of stupidity During a narrative that takes us from ancient Greece to artificial intelligence and accompanied by such heroes of stupidity as Flaubert's double act Bouvard and Panchette Jeffries casts a sceptical eye on attempts to root out stupidity by

such means as IQ tests eugenics gene editing and racist education policies finding each attempt to be more stupid than the stupidity they were ostensibly devised to eradicate If today we are living in a fool s paradise has our species become too dim to learn anything from its rich history of folly
