I love these stories, so creative, so cool, so satisfying—and so sly—in their commentaries on adult struggles and victories. Joshua Coleman, author of *Imperfect Harmony*

From a core of protest and clarity Folsom's stories emerge, as potent as they are entertaining and provocative. Allegories and moral tales, they seep into my dreams and musings, affecting my perceptions of the world. How do these seemingly simple tales achieve this end? Perhaps the clue is in the stories themselves, or perhaps Folsom, unafraid of withholding from us, will not provide such a clue. This is a brilliant book to be savored and reread. Nina Krebs, author of *Edgewalkers*

Heather Folsom is a writer and psychiatrist living in the San Francisco Bay Area.
