

Introduction to Sikh Philosophy

Philosophy and Faith of Sikhism by K. S. Duggal

Full Book Overview

Chad A. Haag

Philosophy And Faith Of Sikhism

Guillaume Favre

Philosophy And Faith Of Sikhism:

The Sikhs Gurbachan Singh,1998 In this lucidly written account of one of the world s youngest faiths the author gives an introduction to the history customs and practices of the Sikh people accompanied with vivid photographs *Faith & Philosophy of Sikhism* Sardar Harjeet Singh,2009 **Philosophy and Faith of Sikhism** Kartar S. Duggal,1988 A description of the Sikh tradition and how it helps the reader deal with everyday life **Philosophical Perspectives of Sikhism** Avtar Singh,Guranāma Kaura,1998 *Philosophy of Sikhism* Nirbhai Singh,1990 **The Sikh Vision, Problems of Philosophy and Faith** Wazir Singh,1992 This book portrays the Supreme Reality in five facets discusses the issues of Divine Ordinance and Grace humanism and peace suffering and death from Sikh perspective *History and Philosophy of the Sikh Religion* Khazan Singh,1914 History and Philosophy of the Sikh Religion Khazan Singh,1914 **Three Basics of Sikh Religious Thought** Satnam Kaur (Reader in philosophy),1997 A Popular Dictionary of Sikhism W. Owen Cole,Piara Singh Sambhi,2005-08-15 The first to appear in Curzon s well respected Popular Dictionary series History [and] Philosophy of the Sikh Religion Khazan Singh,1914 **International Bibliography of Sikh Studies** Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience **The A to Z of Sikhism** W. H. McLeod,2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other

leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism

Philosophy of Sikh Religion Wazir Singh,1981 This work is an inquiry Into the philosophic position of Sum Nanak a great savant of the fifteenth century Punjab and spiritual mentor of the Sikh faith The book makes a scholarly presentation of the doctrines of humanism in the classical as well as contemporary Western and Indian philosophies besides giving a synoptic view of the growth of humanism since the Renaissance It vividly brings out Guru Nanak s concept of Man and human self vis vis his conception of God and vision of supreme reality The author gives his appraisal of Guru Nanak as a thinker poet and philosopher He examines the Guru s approach to the essentially human issues of community life personal salvation and the choice and promotion of values in the context of present day theories of existentialism naturalism Marxism and philosophy of culture He pays special attention to Indian Idealism and varieties of mysticism in order to construct an adequate conceptual framework of Guru Nanak s philosophy of religion According to the author humanism of the Guru is well reconciled to his theism conflict between the two is completely resolved

Cultural Sociology of the Middle East, Asia, and Africa Andrea L. Stanton,2012 In our age of globalization and multiculturalism it has never been more important to understand and appreciate all cultures across the world The four volumes take a step forward in this endeavour by presenting concise information on those regions least well known to students across Europe the Middle East Asia and Africa The volumes convey what daily life is like for people in these selected regions Entries will aid readers in understanding the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions Key Features Topics are explored within historical context in three broad historical periods prehistory to 1250 1250 to 1920 and 1920 to the present One volume each is devoted to the regions of the Middle East and Africa and then one volume to East and Southeast Asia and a final volume to West Central and South Asia The volumes include extensive use of photographs and maps to explain cultural and geographic content Each volume has its own volume editor with expertise in that particular region Key Themes Arts Culture and Science People Society and Dynasties Religion and Law Family and Daily Life Conflicts and Wars Politics and Government Health and Education Economy Trade and Industry National Geography and History

Historical Dictionary of Sikhism Louis E. Fenech,W. H. McLeod,2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new

countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism

History and Philosophy of the Sikh Religion Khazan Singh,1914 All One Must Know About The Sikh Faith Colonel Daljeet Singh Cheema,2023-06-05 This book helps as a religious teacher preaching the fundamental learnings basic beliefs and understanding of the sikh faith It is a simple and primary book that teaches our young generation and beginners about The Sikh Religion All One Must Know About The Sikh Faith Every generation is the trustee of its culture and heritage for future generations who become its custodians Teachings of a faith of love peace Oneness of God and universal brotherhood founded by Guru Nanak and carried forward by his nine followers are the most valuable heritage of the Sikhs Identity and unshaken faith of the present generation of Sikhs is perhaps the last link between the ones who value and respect its heritage and take pride in being born a Sikh and the new crop that seem to be getting lost in search of it Despite the orthodoxy and rigidity that holds Sikhism back Sikhs have excelled in all aspects of human endeavour and are acknowledged as uniquely courageous people working towards the upliftment of humanity and their contribution is extraordinary considering their small number The youth in India and abroad are ignorant of the glorious past of the Sikh faith what it stands for and what it can teach the world For example most of them may not be aware of the importance of the five Takhts Amrit vela Daswandh Chaali Mukte and Nishan Sahib et al in Sikh history The knowledgeable must help the new generations understand all such aspects in correct historical perspective The book in your hands is a humble effort in that direction

Sikhism , A Dictionary of Philosophy of Religion Charles Taliaferro,2010-08-19 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world religions and sources from east and west Entries have been crafted for clarity succinctness and engagement Named a Choice Outstanding Academic Title 2011
