gives a multidimensional reconstruction of the arguments of each author John Rawls and American Pragmatism Daniele Botti,2019-10-11 The textual and contextual connections between John Rawls s intellectual figure and American pragmatism broadly conceived have become topics of discussion only recently This is at least in part due to the fact that Rawls seemed to have taken a pragmatic turn in his intellectual trajectory from A Theory of Justice 1971 to Political Liberalism 1993 John Rawls and American Pragmatism Between Engagement and Avoidance intervenes in these discussions with two unconventional claims corroborated by archival research First Daniele Botti shows that Rawls s thinking owes more to the American pragmatists views than is generally recognized Second and in the light of the pragmatist sources of Rawls s thinking Botti argues that we should reverse the common narrative about Rawls s alleged pragmatic turn and interpret it as a quite un pragmatic one By making the case for interpreting Rawls as an American pragmatist this book profoundly transforms not only a widely held interpretation about Rawls s intellectual trajectory but also our understanding of American philosophical vicissitude in the second half of the twentieth century The Book Buyer ,1873 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
