Reproduction of the original *Phoebe Junior* by Mrs Oliphant **Phoebe, Junior - Chronicles of Carlingford** Mrs. Oliphant, 2018-03-16 *Phoebe Junior* is the last novel in Oliphant's *Chronicles of Carlingford* originally published in 1876 *Phoebe Beecham*'s father is the Dissenting minister of a large wealthy London chapel Her mother born *Phoebe Tozer* of *Carlingford* was a character in an earlier *Carlingford* novel *Salem Chapel* *Phoebe Junior* is well educated and has been raised to have the manners of a lady When she goes on a long visit to her shop keeper grandparents in *Carlingford* she expects she must adjust to their lower station in life Margaret Oliphant was a Scottish novelist and historical writer who usually wrote as Mrs Oliphant During her career she wrote more than 120 works including novels travelogues histories and volumes of literary criticism Two of her better known fictional works are *Miss Marjoribanks* 1866 and *Phoebe Junior* 1876 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions with a new introductory biography

Phoebe, Junior Mrs. Oliphant, 2021-02-19 *Phoebe Junior* A Last Chronicle of *Carlingford* follows the exploits of its heroine *Phoebe Beecham* as she learns the true history of her family history She has been raised to have the manners of a lady When she goes on a long visit to her shop keeper grandparents in *Carlingford* she expects she must adjust to their lower station in life However *Phoebe* finds herself in a higher social circle This novel full of funny social commentary and well written characters is set roughly in the early 1860s to late 1870s The theme is social status and snobbery when earlier conventions were challenged by changes in religion and politics in Victorian society Phoebe, Junior Margaret Oliphant, 2023-12-06T21:34:00Z As *Salem Chapel* concludes a new minister has arrived quickly paired off with his leading deacon's daughter the pink and plump *Phoebe Tozer* She has her own ambitions and as *Phoebe Junior* begins twenty years have passed since the family left *Carlingford* They have risen in the connection and in London society Her daughter *Phoebe*

Beecher is a clever and accomplished young woman wise beyond her years Young Phoebe's ailing Grandmother Tozer needs care however so she returns to the dubious small town social life of Carlingford to nurse grandmamma Circumstances throw her together with another attractive young woman whom Phoebe has in fact met in London Ursula May eldest daughter of the present incumbent of St Roque's an Anglican church in the town Although both are daughters of the manse their social standing is completely different Phoebe is lady like and well off yet as granddaughter of shopkeeper she has no social standing next to the impoverished Ursula whose father even as a Perpetual Curate has at least some distinction as a clergyman of the Church of England Where there are two amiable young women in a Victorian novel thoughts of matrimony cannot long be kept at bay But Margaret Oliphant has a distinctive social and moral vision although this strand of the narrative has an important place conventional romance is in short supply But there is more yet to this ambitious novel As in other books in this series the politics of gender plays a significant role Also Oliphant seems often to have had her contemporary novelists in her sights and Phoebe Junior takes aim at both Anthony Trollope and Charlotte Yonge For Oliphant neither of her peers had sufficiently grappled with the moral ambiguities of the established church or the corrosive power of money and its lack Phoebe Junior was reaching completion as *The Way We Live Now* appeared Her own handling of these themes here attempts to add required nuance After the artistic triumph of *Miss Marjoribanks* Margaret Oliphant abandoned the *Chronicles of Carlingford* to pursue other writing projects She wrote prodigiously to support her difficult family and at least fifteen novels had been published in the interim when Phoebe Junior appeared However Oliphant had taken four years to complete this work an unusually long period of composition for so swift a writer In 1872 she wrote to her old publisher William Blackwood I have begun partly to amuse myself and on a sudden impulse a new series of the *Chronicles of Carlingford* to be called Phoebe Junior and to embody the history of the highly intellectual and much advanced family of the late Miss Phoebe Tozer I don't know whether you will have any interest in this or not but you have a right to be told of it at least In the event Blackwood was not interested but Oliphant found another publisher readily enough On its publication it was not widely reviewed although those who did appreciate its fine qualities Perhaps Oliphant had simply provided too much prose for her public More recent readers have found this compelling and complex narrative to have aged well It was serialized as a four part drama by BBC Radio in 1993 and has often been reprinted This book is part of the Standard Ebooks project which produces free public domain ebooks
