and the Werewolves of Howly Island Amber A. Cross, 2017-11 Everyone loves Bruce the plump and furry cat who whips up yummy treats for everyone to eat But when the trifle he makes for Queen Victoria nearly lands on her head he needs to lie low for a while Fortunately Bruce's friend Fergal the cormorant inherits a house and an estate on Howly Island that comes with Mrs Bucket the kind housekeeper but terrible cook Stevie Bruce and Fergal head there unaware that they are being followed by someone or something Soon the werewolves on the island are after them and in a case of mistaken identity Fergal has a narrow escape from someone even more evil than the wolves Only a silver bullet can kill a werewolf but the detective who comes to the rescue has just two bullets left and reinforcements are far away Even Mrs Bucket's deadly rock buns can't hold the werewolves off for ever Is there anything they can use instead And can Stevie escape from the evil sand witch before she makes a tasty sandwich out of him *Phoebe's Duty* Lesley-Anne McLeod, 2016-09-16 Phoebe Rackson is determined to help her family's faltering finances When she learns of the Soho Bazaar established specifically to aid the widows and orphans of war casualties she sees a way After convincing her widowed mother of the wisdom of her plan to take counter space at the Bazaar she organizes the entire family and sets up in business The Honourable Tobias Wavendon likes the Soho Bazaar Prohibited from a military career by his family he takes an interest in helping the families of deceased soldiers Whenever he can he makes purchases at the Bazaar and his three sisters are among the fashionable clients of the popular establishment He finds the goods and the young woman in attendance at one counter of particular interest The finely crafted needlework provides him with gifts and the detailed wooden carvings intrigue him The dedicated determined young lady who operates the stall fascinates him When his idle brother heir to their father's earldom learns of his interest in that certain stall holder he decides to make mischief Phoebe Rackson is confused One of her customers dark haired and attractive is reserved polite and kindly one day and flirtatious indiscreet and merry the next The turmoil he causes escalates until she forbids him to visit her stall Their mutual attraction though ill fated cannot be denied Class pride and fortune stand in their way and duty becomes a curse **Phoebe's Money** Rhonda Kings, 2020-03-07 Maddie Montgomery and her mother Phoebe meet the charming and mysterious Jack Stone at an expenses paid weekend getaway Completely flattered by Jack Phoebe invites the man to a family gathering in their hometown of Quinn Dixie Maryland Not all are as impressed with Jack especially Adam a local detective who has recently returned from an undercover assignment Adam's suspicion uncovers details about Jack that he immediately shares with Maddie Maddie who has found herself attracted to Jack disagrees Soon Jack's behavior starts to change and causes Maddie to think twice Using information that Adam has uncovered about the mysterious Jack Stone Maddie pieces together a puzzle that unveils startling information about Jack the first having to do

with his dead wife Jennifer With only the intention of finding the truth Maddie s discoveries lead her to a startling conclusion that the charming Jack Stone may have devious intentions Her determination lands her in a face to face confrontation with not only Jack Stone but another victim who is equally dangerous and desperate **Carousel Court Joe** McGinniss,2017-07-18 Nick and Phoebe Maguire a Southern California couple seeking a new start after a devastating loss find themselves confronted by the economic recession and the consequences of a desperate plan to reclaim their middle class status **Phoebe's Inheritance** Josephine Croser,1994 Phoebe is remembered in her grandfather s will **All's Well that Ends** Gillian Roberts,2007 With her in laws scattered in the wake of a devastating hurricane and her husband C K determined to help them rebuild Amanda Pepper plans to resign from Philly Prep but first she must investigate the supposed suicide of a local woman *The Perfecting of Nature* Josh Doty,2020-10-05 The nineteenth century saw a marked change in how Americans viewed and understood the human form These new ways of understanding the body reflect how Americans were beginning to see the body s constituent parts as interconnected From the transcendentalists idealized concept of self to the rise of Darwinian theory after the Civil War the era and its writers redefined the human body as both deeply reactive and malleable Josh Doty explores antebellum American conceptions of bioplasticity the body s ability to react and change from interior and exterior forces and argues that literature helped to shape the cultural reception of these ideas These new ways of thinking about the body s responsiveness to its surroundings enabled exercise fanatics cold water bathers cookbook authors and everyday readers to understand the tractable body as a way to reform the United States at the physiological level Doty weaves together analysis of religious texts nutritional guides and canonical literature to show the fluid relationship among bodies literature and culture in nineteenth century America *Inherit the Witch* Laura J. Burns,2004 Juliana O Farrell is alarmed when her daughter Lily turns thirteen and her powers fail to manifest as expected leading Juliana to seek the help of the Charmed Ones to locate the young witch s missing powers [Phoebe's Light \(Nantucket Legacy Book #1\)](#) Suzanne Woods Fisher,2018-02-06 Phoebe Starbuck has always adjusted her sails and rudder to the whims of her father Now for the first time she s doing what she wants to do marrying Captain Phineas Foulger and sailing far away from Nantucket As she leaves on her grand adventure her father gives her two gifts both of which Phoebe sees little need for The first is an old sheepskin journal from Great Mary her highly revered great grandmother The other is a minder on the whaling ship in the form of cooper Matthew Macy a man whom she loathes Soon Phoebe discovers that life at sea is no easier than life on land Lonely seasick and disillusioned she turns the pages of Great Mary s journal and finds herself drawn into the life of this noble woman To Phoebe s shock her great grandmother has left a secret behind that carries repercussions for everyone aboard the ship especially her husband the captain and her shadow the cooper This story within a story catapults Phoebe into seeing her life in an entirely new way just in time In this brand new series bestselling author Suzanne Woods Fisher brings her signature twists and turns to bear on a fascinating new faith community the Quakers of colonial era Nantucket Island

Tangled Up In You (A small town grumpy sunshine romance!) Barbara Freethy, 2022-03-15 Barbara Freethy is one of my favorite authors. She creates amazing characters and stories with a lot of love, friendship, and mystery that make her books always very, very good. Cinthia Goodreads: Molly Trent is a passionate herbalist whose sorrow-filled childhood has driven her to a new mission in life: to make people feel better. Unfortunately, a series of burglaries at her wellness shop and a disgruntled customer put her in the path of a cynical and suspicious detective who thinks she does more harm than good. She's used to criticism, but she sees something in the tightly controlled police detective that she wants to unleash if only she could get him to trust her. Trust doesn't come easily to Detective Adam Cole. He has been a loner for as long as he can remember. He's very good at protecting people. He's great at being a friend, but relationships that go beyond that, not so much. After a heartbreaking tragedy at nineteen, he put up walls that are never coming down. Despite what Molly Trent might think, he does not need help or herbs to be happy. Unfortunately, what he needs is her. The chemistry between them almost makes him wonder if she hasn't cast some sort of spell over him. But he fights their attraction hard because he doesn't do forever, and he can't imagine that an optimistic romantic like Molly would settle for anything less. But when they get tangled up in life and love, anything can happen. Irresistible and captivating romance awaits in *TANGLED UP IN YOU* from 1 New York Times Bestselling Author Barbara Freethy. NOTE: The Whisper Lake Series is a heartwarming and humorous small town romance series. Each book can be read as a standalone. There are no cliffhangers. Popular storylines in the series include grumpy sunshine, runaway bride, second chance at love, enemies to lovers, family secrets, blind date, and opposites attract. Don't miss any books in the Whisper Lake Series: Always With Me 1, My Wildest Dream 2, Can't Fight The Moonlight 3, Just One Kiss 4, If We Never Met 5, *Tangled Up In You* 6, Next Time I Fall 7. What the readers are saying about *Whisper Lake ALWAYS WITH ME* is a heartwarming second chance romance with a captivating mystery that keeps you reading and wondering what happens next. Doni Goodreads: Tragedy haunts her, regrets shadow him, and passion lures them into a mystery as dangerous as their feelings for each other. Freethy captivates with a sensuous game of tainted hearts and tempting romance. *My Wildest Dream* is a hotbed of intriguing storytelling. Brodie and Chelsea are sure to get under your skin. Isha C Goodreads: I have just finished *CAN'T FIGHT THE MOONLIGHT* and WOW, such an emotional book. The characters of Justin and Lizzie were so well written with so much depth. There were scenes in this book that gave me a lump in my throat. Absolutely loved this book and can't wait for the next one. Booklovers Anonymous: This book has it all: some laughs, some tears, some drama, and of course, romance. You're always guaranteed a happy ever after from this author, but it's the emotional journey she takes the characters on that makes it well worth the ride. Stacey Goodreads on *CAN'T FIGHT THE MOONLIGHT*: Barbara Freethy never disappoints. This newest installment in her Whisper Lake series has it all: romance, drama, danger, and a little steam. We meet Keira and Dante, who find their HEA in spite of the crazy. Make sure you add this one to your TBR list. Linda Goodreads on *IF WE NEVER MET*: *If We Never Met* is filled with the poignant and bittersweet moments in the story, as well as the plot twists that I have come to

love and expect in Barbara Freethy's stories Highly recommend this incredible love story and am so looking forward to reading the next book in the series Patti Goodreads on IF WE NEVER MET *The Haunted Muse* Richard M.

Magee, 2016-04-26 The Salem witch trials and the many narratives based on them both contemporaneous and subsequent discussions have had a powerful influence on the American national psyche informing the nation's political debates and propelling its fears Perhaps one of the major reasons for the importance of the trials is how they conceive of and present a narrative of danger The horror grows in and seems to threaten not just the body politic but perhaps more importantly the domestic sanctuary The home and hearth become a contested ground where good and evil fight for the souls of the inhabitants or an infection that threatens to spread to other homes and eventually the entire community The fear of witchcraft or demonic possession reveals not just a religious mania but also a level of misogyny Much has been made of the connections between witchcraft accusations and midwifery homeopathy and other usually female pursuits The link between midwifery and witchcraft is especially interesting here however as it suggests an anxiety linked to notions of creation and procreation This book proposes a link between the fears of usurped procreation elicited by the trials and fears of misdirected or usurped creativity In many Gothic stories the authors imagine their literary creations as children who have been transformed by malignant forces much as the Puritans of 1692 feared that the devil was transforming their actual children The home in the Gothic story becomes a warped version of the sacred domestic space of sentimental literature and it transforms from refuge to place of terror The authors examined here include Nathaniel Hawthorne Louisa May Alcott Rose Terry Cooke Charlotte Perkins Gilman Shirley Jackson Stephen King and Ira Levin **Investigating Charmed** Stan

Beeler, Karin Beeler, 2007-11-28 In 1998 the series *Charmed* the story created by Constance M Burge of three sisters who discover that they are powerful witches first aired on the WB network The series ran for eight series and into top rating DVDs and has established a continuing presence as cult TV The world of *Charmed* is distinctively one of female solidarity with sisters Piper Prudence Phoebe and with the death of Pru half sister Paige making up the power of three In their crusade against the demonic population of their home city of San Francisco the Halliwell sisters have also inherited their powers and The Book of Shadows through the female line The expert contributors to *Investigating Charmed* all of them fans of the show explore its nature as ground breaking TV They debate the status of *Charmed* as third wave feminist narrative as well as its upturning of notions of sexuality and its creation of alternative forms of family life The San Francisco setting is explored as is *Charmed*'s brand of witchcraft and fantasy its mythological antecedents and female heroes Looking also at the fans relationship to the show as well as its novelizations fan fiction and blogs the book on this fantastic magical show concludes with a complete Episode Guide *Illicit Affair* Mike Jay, 2006-06-02 Intriguing Asian thriller with close interaction between

principle characters Jason and Phoebe Being caught up in a cunning extradition of deceit and kidnap amongst Triad and ex Triad members **The Persistent Earl** Gail Eastwood, 2012-12-11 An injured Earl may be just the thing to cure a widow's

broken heart in this classic Signet Regency Romance from Gail Eastwood AVAILABLE DIGITALLY FOR THE FIRST TIME After the Earl of Devanham has been injured in the battle of Waterloo he is shuffled into the care of Lady Phoebe Brodfield a widow who withdrew from life into the company of her rambunctious nieces and nephews Since the events surrounding her late husband's death are still a mystery to her she is unwilling to pursue another love But when the Earl begins to heal Phoebe starts to see the warm heart just beneath his rakish exterior and it may be just enough to make the pain from her past melt away Don't miss Gail Eastwood's other classic Signet Regency Romances A Perilous Journey and An Unlikely Hero in digital format

Genetics? No Problem! Kevin O'Dell, 2017-03-20 Shortlisted for the HE Bioscience Teacher of the Year Award 2019 Kevin O'Dell Author of Genetics No Problem The analysis and interpretation of data is fundamental to the subject of genetics and forms a compulsory part of the undergraduate genetics curriculum Indeed the key skills that a genetics student requires are an ability to design and understand experimental strategies and to use problem solving skills to interpret experimental results and data Genetics No Problem provides students with a graded set of problems that aim to enthuse challenge and entertain the reader The book is divided into three sections introductory intermediate and advanced each with 10 problems For first level students there will be short genetics problems embedded in a wide range of scenarios such as murder mysteries As the book progresses the stories will get longer and the science will get progressively more complex to challenge final year students and enable the reader to identify genetic disease in obscure organisms as well as designing and testing treatments and cures Genetics No Problem Takes a unique innovative approach that provides students with a set of graded problems designed to develop both their skills and their ability to tackle problems with confidence Includes problems embedded in a narrative written in an interesting informative and entertaining style by an Author with a proven track record in teaching research and communication Is well illustrated in full colour throughout The book will prove invaluable to all students of genetics across a range of disciplines needing to get to grips with the analysis and interpretation of data that is fundamental to the subject

Soft Canons Karen L. Kilcup, 1999-09 Recognizing that masculine literary tradition can include marginalized male writers as well as canonized female writers and that traditions themselves change over time the essays in this insightful and coherent collection also explore the investment of the writers as well as nineteenth and twentieth century readers in canon creation As it reconstructs conversations between these earlier authors and initiates new dialogues for today's readers Soft Canons offers provocative reconceptualizations of American literary and cultural history

Women, Money, and the Law Joyce W. Warren, 2009-09 Did 19th century American women have money of their own To answer this question Women Money and the Law looks at the public and private stories of individual women within the context of American culture assessing how legal and cultural traditions affected women's lives particularly with respect to class and racial differences and analyzing the ways in which women were involved in economic matters Joyce Warren has uncovered a vast untapped archive of legal documents from the New York Supreme Court that had been expunged from the

official record By exploring hundreds of court cases involving women litigants between 1845 and 1875 women whose stories had in effect been erased from history and by studying the lives and works of a wide selection of 19th century women writers Warren has found convincing evidence of women s involvement with money The court cases show that in spite of the most egregious gender restrictions of law and custom many 19th century women lived independently coping with the legal and economic restraints of their culture while making money for themselves and often for their families as well They managed their lives and their money with courage and tenacity and fractured constructed gender identities by their lived experience Many women writers even when they did not publicly advocate economic independence for women supported themselves and their families throughout their writing careers and in their fiction portrayed the importance of money in women s lives Women from all backgrounds some defeated through ignorance and placidity others as ruthless and callous as the most hardened businessmen were in fact very much a part of the money economy Together the evidence of the court cases and the writers runs counter to the official narrative which scripted women as economically dependent and financially uninvolved Warren provides an illuminating counternarrative that significantly questions contemporary assumptions about the lives of 19th century women Women Money and the Law is an important corrective to the traditional view and will fascinate scholars and students in women s studies literary studies and legal history as well as the general reader *Tennessee Women* Sarah Wilkerson Freeman, Beverly Bond, 2010-10-01 Including suffragists civil rights activists and movers and shakers in politics and in the music industries of Nashville and Memphis as well as many other notables this collective portrait of Tennessee women offers new perspectives and insights into their dreams their struggles and their times As rich diverse and wide ranging as the topography of the state this book will interest scholars general readers and students of southern history women s history and Tennessee history Tennessee Women Their Lives and Times shifts the historical lens from the more traditional view of men s roles to place women and their experiences at center stage in the historical drama The eighteen biographical essays written by leading historians of women illuminate the lives of familiar figures like reformer Frances Wright blueswoman Alberta Hunter and the Grand Ole Opry s Minnie Pearl Sarah Colley Cannon and less well known characters like the Cherokee Beloved Woman Nan ye hi Nancy Ward antebellum free black woman Milly Swan Price and environmentalist Doris Bradshaw Told against the backdrop of their times these are the life stories of women who shaped Tennessee s history from the eighteenth century challenges of western expansion through the nineteenth and twentieth century struggles against racial and gender oppression to the twenty first century battles with community degradation Taken as a whole this collection of women s stories illuminates previously unrevealed historical dimensions that give readers a greater understanding of Tennessee s place within environmental and human rights movements and its role as a generator of phenomenal cultural life Phoebe Eleanor Gates, 1919
