Photographers On Photographers:

20th Century Photographers Grace Schaub, 2014-11-13 This book is a compilation of interviews and essays that cover a broad range of photographers and photographic disciplines Each photographer profiled made a living by concentrating on a specific aspect of the craft but in doing so transcended their livelihood to become recognized for more than the type of images they created Each had a distinct style creative approach dedication to the craft point of view about themselves and the world These interviews were conducted during a seminal period in the shift from film to digital and from print reproduction to global distribution on the Internet Just like their photographs continue to inspire today now these pros words can live on as an invaluable reference for the photographers of the future The truth and wisdom in this collection transcend time and technology *Photographers on Photography* Nathan Lyons, 1966 The Challenge to Succeed Professional Photographers of America staff, 2018-12-20 The history of Professional Photographers of America a nonprofit professional association serving the needs of portrait wedding and other working photographers *Photographers at Work* Barbara Rosenblum, 1978 **Understanding Photography** Ian Jeffrey, 2020-04-28 When we look at photographs we don't just look at them passively we search for meaning reading the images as we would a piece of writing considering both subject matter and composition As with literature the exercise can be daunting to even experienced photography fans From Dorothea Lange's photos of impoverished American migrant workers to the visual records of wartime in Europe and Japan this book pays particular attention to the complex realities of life that helped bring photography into its own We see how photographers experimented with angle focus and scale while recording not only the lives of the rich and powerful but also those of the less fortunate What emerges is the story of the only medium that truly captures the highs and lows of the human condition Understanding Photography profiles more than one hundred great photographers including Alfred Stieglitz Bill Brandt Henri Cartier Bresson Thomas Ruff Rinko Kawauchi and Cindy Sherman Biographical historical and technical details place their work in a broader context while analysis of key images unites each artist's vision offering readers paths to discover the true meaning of a photograph taken from back cover **How Famous Photographers Work** Jack Schofield, 1983 **Pioneer Photographers of the Far West** Peter E. Palmquist, Thomas R. Kailbourn, 2000 This extraordinarily comprehensive well documented biographical dictionary of some 1 500 photographers and workers engaged in photographically related pursuits active in western North America before 1865 is enriched by some 250 illustrations Far from being simply a reference tool the book provides a rich trove of fascinating narratives that cover both the professional and personal lives of a colorful cast of characters *Techniques of the World's Great Photographers*, 1989 *Faces of the Twentieth Century* Mark Edward Harris, 1998 This book is a collection of portraits in words and images of twenty of the finest photographers of this century *Ambassadors of Progress* Verna Posever Curtis, 2001 Highlights the contributions of women to photographic history *Viewfinders* Jeanne Moutoussamy-Ashe, 1985 A collection of diverse photographs from black female photographers from

the mid 1800s to the present captures important aspects of African American history and reveals the talent and courage of a small band of pioneering artists Ultimate Insiders Kenneth T. Walsh, 2017-10-05 Virtually unknown to the public or historians White House photographers have developed amazing access to the presidents of the United States over the past half century In this book long time White House correspondent Kenneth T Walsh tells their stories emphasizing observations about the presidents the photographers got to know so well along with other key figures close to those presidents including the first ladies members of Congress and important world leaders This book shows how official White House photographers have morphed into ultimate insiders within the American presidency allowed to observe and take pictures of nearly everything Chief Executives do related to their job The photogs have often become close friends with the presidents they have served Using these bonds of trust and their own powers of observation they created fundamental impressions and public images of the presidents through the art of photography Acting not only as image makers but as visual historians they have built pictorial chronicles of the presidency intimate narratives of America s leaders in public and private showing how they dealt with everyday life as well as moments of great crisis and opportunity From children playing in the Oval Office to decisions to send troops into harm s way images created by White House photographers can make or break a presidential administration as well as define an era *Photographers on Photography* Henry Carroll, 2018-10-23 Through a carefully curated selection of quotations images and interviews Photographers on Photography reveals what matters most to fifty masters of photography With enlightening text by Henry Carroll author of the internationally bestselling *Read This If You Want To Take Great Photographs* series you ll discover how the giants of the genre developed their distinctive visual styles and the core ideas that underpin their practice The insightful perspective from these influential artists will inspire your own photographic process and most importantly help determine what photography means to you I haven t touched my Nikon 35mm since 2008 and Photographers on Photography How the Masters See Think Shoot made me want to pick it up again I don t know if there s any more glowing praise I can give than that Communication Arts This is a fantastic book that explores photography in a thoughtful way We can all benefit from giving some thought as to why and how we photograph what we do Fstoppers.com Interviews with Olivia Bee Esther Teichmann Alex Soth Ron Jude Broomberg Chanarin and further inspiration from Eddie Adams Lisette Model Irving Penn Garry Winogrand Viviane Sassen Maisie Cousins Harley Weir Gillian Wearing Dorothea Lange Hellen Van Meene Man Ray David Hockney Ansel Adams Daido Moriyama Ralph Gibson Saul Leiter Todd Hido Richard Misrach Tacita Dean Amalia Ulman Alison Jackson Jason Fulford James Welling Paul Graham Laia Abril John Baldessari Lars Tunbj rk Richard Avedon Wendy Red Star Dana Lixenberg Edward Weston Roni Horn Vik Muniz Penelope Umbrico Ryuji Miyamoto Bill Henson Alvin Langdon Coburn Ishiuchi Miyako Leiko Shiga Joan Fontcuberta Charles Sheeler Brandon Lattu Nobuyoshi Araki and William Henry Fox Talbot Titles in Henry Carroll s *Read This* series *Read This if You Want to Take Great Photographs* by Henry Carroll 9781780673356 *Read This if You Want to Take Great Photographs* of
