any question about whether he would keep his daughter and eight years later he doesn't have a single regret. He owns a successful contracting company, he's part of the Dark Knights motorcycle club, and Joey's happiness is his top priority. None of that would be possible without the help of Joey's beautiful and selfless aunt Tara, who's going to be staying with them over spring break and who he's been thinking about in ways he shouldn't. But Tara's older sister is Joey's birth mother, and she's the last woman the dirty talking biker should want to get his hands on. Tara Osten has been crushing on Levi for as long as she can remember. He's a loving father, a loyal friend, someone with whom she can always be herself, and six-plus feet of deliciously hard tattooed muscle. At twenty-four, she's finally realized he will never see her as more than his baby mama's younger sister. It's time to let go of her lustful fantasies starring Levi Steele and move on with her life.

Step one: Buy her own place and start dating. Step two: Survive spring break without falling harder for the one man she can never have.
