

# How can [PHOTOGRAPHIC EVIDENCE] *benefit your case?*

- Some cases can be months and years before they go to trial, having photographic evidence helps recreate the scene.
- If someone forgets the details of a case photographic evidence can help to record the event so there is no question of what happened
- If you're in a car accident photographic evidence can show what the scene of the accident looked like and help prove a case
- In family law, photographic evidence can help prove abuse or harassment or adultery
