Australia: Travel Photo Tips Nick Rains,2013-09-01 Award winning photographer Nick Rains travels Australia with his camera capturing the country s diverse landscapes and many moods In this ebook only photography guide Rains shares his knowledge of photography discussing the techniques and skills he has gained over many years and clearly explains how to successfully photograph landscapes from small detail shots through to panoramas This ebook includes four videos of Nick describing various photography effects you can achieve **Australia** Rex Dupain,2011-05-25 The process of photography is so beautiful that sometimes I find myself working in a state of absolute disbelief as the pictures present themselves to me This is Australia through the eyes of one of our most gifted photographers Rex Dupain s country is a place of iconic but nameless landscapes and astonishing visual contradictions We see a shadowy city bridge through the thick dust of a desert storm a ballet of prosaic human activity played out on a beach youthful pride and defiance amid a landscape of rural despair Dupain renders the ordinary remarkable In one photograph he captures a humble weatherboard house lit up lantern like by the deep light of an autumn afternoon in another he creates a scene rich with dramatic possibility by posing a passer by model in front of a seaside mural He delights in the unrehearsed setting the chance encounter but is not afraid to adjust reality to deepen the meaning or power of an image Through this superb collection Dupain reintroduces us to the bush coast and suburbs of a diverse country His images help us refine our appreciation of the power of our physical environment both natural and man made and deepen our understanding of a flawed but ultimately extraordinary culture
