Dorothea Lange, Documentary Photography, and Twentieth-Century America Carol Quirke, 2019-03-04 Dorothea Lange. *Documentary Photography and Twentieth Century America* charts the life of Dorothea Lange (1895-1965) whose life was radically altered by the Depression and whose photography helped transform the nation. The book begins with her childhood in immigrant metropolitan New York, shifting to her young adulthood as a New Woman who apprenticed herself to Manhattan's top photographers, then established a career as portraitist to San Francisco's elite. When the Great Depression shook America's economy, Lange was profoundly affected. Leaving her studio, Lange confronted citizens' anguish with her camera, documenting their economic and social plight. This move propelled her to international renown. This biography synthesizes recent New Deal scholarship and photographic history and probes the unique regional histories of the Pacific West, the Plains, and the South. Lange's life illuminates critical transformations in the U.S., specifically women's evolving social roles and the state's growing capacity to support vulnerable citizens. The author utilizes the concept of care work, the devalued nurturing of others often considered women's work, to analyze Lange's photography and reassert its power to provoke social change. Lange's portrayal of the Depression's ravages is enmeshed in a deeply political project still debated today of the nature of

governmental responsibility toward citizens basic needs Students and the general reader will find this a powerful and insightful introduction to Dorothea Lange her work and legacy Dorothea Lange Documentary Photography and Twentieth Century America makes a compelling case for the continuing political and social significance of Lange s work as she recorded persistent injustices such as poverty labor exploitation racism and environmental degradation Dorothea Lange Milton Meltzer,1985-05-01 Dorothea Lange Robert Coles,Dorothea Lange,1985-01-01 **Dorothea Lange: A Life Beyond Limits** Linda Gordon,2010-10-11 Winner of the 2010 Bancroft Prize and finalist for the 2009 Los Angeles Times Book Prize in Biography The definitive biography of a heroic chronicler of America s Depression and one of the twentieth century s greatest photographers We all know Dorothea Lange s iconic photos the Migrant Mother holding her child the shoeless children of the Dust Bowl but now renowned American historian Linda Gordon brings them to three dimensional life in this groundbreaking exploration of Lange s transformation into a documentarist Using Lange s life to anchor a moving social history of twentieth century America Gordon masterfully re creates bohemian San Francisco the Depression and the Japanese American internment camps Accompanied by more than one hundred images many of them previously unseen and some formerly suppressed Gordon has written a sparkling fast moving story that testifies to her status as one of the most gifted historians of our time Finalist for the Los Angeles Times Book Prize a New York Times Notable Book New Yorker s A Year s Reading and San Francisco Chronicle Best Book **Dorothea Lange** Carole Boston Weatherford,2018-08-01 Before she raised her lens to take her most iconic photo Dorothea Lange took photos of the downtrodden from bankers in once fine suits waiting in breadlines to former slaves to the homeless sleeping on sidewalks A case of polio had left her with a limp and sympathetic to those less fortunate Traveling across the United States documenting with her camera and her fieldbook those most affected by the stock market crash she found the face of the Great Depression In this picture book biography Carole Boston Weatherford with her lyrical prose captures the spirit of the influential photographer **Dorothea Lange** Carole Boston Weatherford,2021-09 Before she raised her lens to take her most iconic photo Dorothea Lange took photos of the downtrodden from bankers in once fine suits waiting in breadlines to former slaves to the homeless sleeping on sidewalks A case of polio had left her with a limp and sympathetic to those less fortunate Traveling across the United States documenting with her camera and her fieldbook those most affected by the stock market crash she found the face of the Great Depression In this picture book biography Carole Boston Weatherford s lyrical prose captures the spirit of the influential photographer **Dorothea Lange** ,1998 *Dorothea Lange* Dorothea Lange,1987
