

QUITTING COCAINE

THE STRUGGLE
AGAINST IMPULSE

HOWARD J. SHAFFER
STEPHANIE B. JONES

Foreword by Norman E. Zinberg, M.D.

Quitting Cocaine The Struggle Against Impulse

National Library of Medicine (U.S.)

Quitting Cocaine The Struggle Against Impulse:

Quitting Cocaine Howard Shaffer, Stephanie B. Jones, 1989 As well as sharing reformed cocaine abusers personal stories of recovery this book examines the drug and its addiction and offers advice on quitting *A Very Greedy Drug* Jason Ditton, Richard Hammersley, 2021-12-24 First Published in 1997 This book sketches the recent history of the panic over cocaine in Britain before reporting in depth research on more than a hundred users in Scotland This group contained all types of users from casual users to heavy users who had cut down without problems to people with multiple drug problems The book considers why some people can give up cocaine and others become addicted It compares British users with those elsewhere in the world showing that the effects are similar everywhere cocaine does not addict most of its users The picture of drug use obtained from addicts in clinics is a distorted one Cocaine use in Britain has caused much concern but its extent has been unknown Users are still quite affluent but when cocaine hits street level as it is predicted to do in the late 1990s problems are likely to increase *Cocaine* Heather Lehr Wagner, D. J. Trigg, 2009 Provides a historical perspective on cocaine and the evolving public views on its use as well as their use and their effect on the user's health *Coming Clean* Robert Granfield, William Cloud, 1999-11-01 Explodes the myth of the disease model of addiction Certain to ruffle the feathers of the multi billion dollar treatment industry Peter Adler University of Denver Despite the widely accepted view that formal treatment and twelve step groups are essential for overcoming dependencies on alcohol and drugs each year large numbers of former addicts quietly recover on their own without any formal treatment or participation in self help groups at all *Coming Clean* explores the untold stories of untreated addicts who have recovered from a lifestyle of excessive and compulsive substance use without professional assistance Based on 46 in depth interviews with formerly addicted individuals this controversial volume examines their reasons for avoiding treatment the strategies they employed to break away from their dependencies the circumstances that facilitated untreated recovery and the implications of recovery without treatment for treatment professionals as well as for prevention and drug policy Because of the pervasive belief that addiction is a disease requiring formal intervention few training programs for physicians social workers psychologists and other health professionals explore the phenomenon of natural recovery from addiction *Coming Clean* offers insights for treatment professionals of how recovery without treatment can work and how candidates for this approach can be identified A detailed appendix outlines specific strategies which will be of interest to addicted individuals themselves who wish to attempt the process of recovery without treatment Relying on the actual words and experiences of recovering drug addicts Granfield and Cloud convincingly challenge conventional wisdom concerning how people can recover from their addictions A must read for even the most confident advocate of professional treatment Sanford Schwartz Virginia Commonwealth University *Crack In America* Craig Reinerman, Harry G. Levine, 1997-09 A team of veteran drug researchers in medicine law and the social sciences provides the most comprehensive penetrating and original analysis of the crack cocaine problem in America to date

Helps readers understand why the United States has the most repressive expensive yet least effective drug policy in the Western world *Drugs and Culture* Geoffrey Hunt, 2016-05-13 Current approaches to drugs tend to be determined by medical and criminal visions that emerged over a century ago the concepts of addiction on the one hand and drug control on the other having imposed themselves as the unquestionable central notions surrounding drug issues and discourses Pathologization and criminalization are the dominant perspectives on psychoactive drugs and it is difficult to describe drug consumption in any terms other than those of medicine or to conceive of regulation except in terms of control and eradication *Drugs and Culture* presents other voices and understandings of drug issues highlighting the socio cultural features of drug use and regulation in modern societies It examines the cultural dimensions of drugs and their regulation with special attention to questions of how consumption of specific psychoactive substances becomes associated with particular social groups the social dynamics involved in our coming to think of these phenomena as we do and the factors that determine the political and policy responses to drug use Adopting approaches from anthropology sociology history political science and geopolitics to challenge the prevailing pathologization and criminalization of drug use this book provides international and comparative perspectives on drug research based on the latest research in Europe the USA the Middle East and Hong Kong

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1991 [Recent Developments in Alcoholism](#) Marc Galanter, 2013-11-21 From the President of the American Society of Addiction Medicine *Recent Developments in Alcoholism* Volume 10 is a major contribution to the literature of addiction medicine This volume rucohol and Cocaine Similarities and Differences contains an impressive collection of chapters from the basic research epidemiological and clinical research perspectives as well as articles that address the relative policy issues and clinical application and patient care concerns It also sends a message to those who would still distinguish between alcohol and drugs or legal and illegal drugs In the research laboratory in the intentions and behavior of the user and by the clinician such distinctions have never been upheld The first section Clinical Pathology includes chapters on the role of alcohol in cocaine dependence dual diagnosis empirical and developmental humanistic approaches and on neuroendocrine and catecholamine levels in humans during administration and withdrawal of cocaine and alcohol emergency room evaluation of cocaine associated neuropsychiatric disorders and clinical and pharmacological interactions of alcohol and cocaine These chapters written by authors who are preeminent in their fields offer a broad perspective to both the researcher and the clinician on relevant issues in clinical pathology **Deviance** Earl Rubington, 2015-10-30 This highly successful reader presents the interactionist approach to the study of deviance examining deviance as a phenomenon that is constituted through social interpretations and the reactions of persons caught up in this social process This book focuses on issues such as how individuals interpret and label people how people relate to one another based on these interpretations and the consequences

of these social processes This perspective helps students understand both social process in general and the sociology of deviance in particular

Doing Drugs and Dropping Out, 1991 This report assesses the societal costs of substance abuse especially cocaine and crack addition and dropping out of school It is organized around three themes 1 the impact of cocaine and crack abuse in terms of crime public spending and lost productivity 2 policies that move addicts away from crack and 3 policies that reduce the high school dropout rate Based on extant literature the report quantifies a bottom line cost of drug abuse to have been between 60 4 billion and 124 9 billion in 1988 a figure that reflects the costs of health care economic loss and law enforcement relating to substance abuse Impact also is assessed in terms of private and social issues In evaluating the success of policies that have effectively moved addicts away from drugs important questions concerning criteria for success motivation for drug use and addiction are explored Law enforcement treatment educational and prevention policies are evaluated The current literature on testing outpatient treatment and peer programs to reduce the motivation toward drug abuse and to move addicts away from cocaine and crack is reviewed In response to the issue of dropout prevention the report recommends a rethinking of the structure of high schools within a collaborative context involving parents schools and communities Included in the report are a working bibliography and a community service booklet that deals with the issues of this report on a local community level NB

African American Women and HIV/AIDS Dorie J. Gilbert, Ednita M. Wright, 2003-03-30 AIDS is the second leading cause of death among African American women between the ages of 18 and 44 African American women constitute 63% of all cases of AIDS among women in the United States This volume brings together the collective wisdom of scholars researchers and social work professionals dealing with these concerns Focusing attention on the primary population of women impacted by AIDS this book presents culturally sensitive responses that meet the specific needs of African American women An historical and current overview of the alarming HIV infection rate among African Americans in particular women introduces the crisis Subsequent chapters highlight HIV AIDS prevention and intervention strategies that are successfully impacting the African American population Guided by a feminist perspective and grounded in social construction theory social work theory and social work practice this volume privileges the voice of African American women the group that is the most disenfranchised and least accurately represented in AIDS related research and writing This essential guide sheds light on a calamity too often overlooked making it especially valuable for scholars students researchers and practitioners involved with HIV AIDS issues in the African American community and with women s and black studies

Drug Treatment Philip Bean, Teresa Nemitz, 2004 A cutting edge survey of the latest developments in drug treatments featuring contributions from some of the leading figures in the field It sets out to ask some of the crucial questions in the treatment of drug abusers

Empirical Views on European Gambling Law and Addiction Simon Planzer,2014-02-19 This book analyses the voluminous and meandering case law on gambling of the Court of Justice from an empirical perspective It offers a comprehensive overview of the legal situation of gambling services in the EU Single Market Additionally the book presents the current state of research on gambling addiction It then seeks to answer the central research question as to what extent the views of the Court of Justice on gambling find support in empirical evidence The Court of Justice granted exceptionally wide discretion to the Member States due to a so called peculiar nature of games of chance With the margin of appreciation having played a key role the book inquires whether the Court of Justice followed the principles and criteria that normally steer the use of this doctrine Noting the Court s special approach the book elaborates on its causes and consequences Throughout the book the approach of the Court of Justice is contrasted with that of its sister court the EFTA Court Finally the potential role of the precautionary principle and of EU fundamental rights in the area of gambling law is examined Situated at the intersection of law and science this book seeks to bridge the legal and scientific perspectives and the unique vocabularies common to each It illustrates the direct relevance of science and empirical research for court cases and policy making And it contrasts science informed policy making with the on going morality discourse on gambling

Current Catalog National Library of Medicine (U.S.),1991 First multi year cumulation covers six years 1965 70

The Routledge Handbook of Philosophy and Science of Addiction Hanna Pickard,Serge Ahmed,2018-06-13 The problem of addiction is one of the major challenges and controversies confronting medicine and society It also poses important and complex philosophical and scientific problems What is addiction Why does it occur And how should we respond to it as individuals and as a society The Routledge Handbook of Philosophy and Science of Addiction is an outstanding reference source to the key topics problems and debates in this exciting subject It spans several disciplines and is the first collection of its kind Organised into three clear parts forty five chapters by a team of international contributors examine key areas including the meaning of addiction to individuals conceptions of addiction varieties and taxonomies of addiction methods and models of addiction evolution and addiction history sociology and anthropology population distribution and epidemiology developmental processes vulnerabilities and resilience psychological and neural mechanisms prevention treatment and spontaneous recovery public health and the ethics of care social justice law and policy Essential reading for students and researchers in addiction research and in philosophy particularly philosophy of mind and psychology and ethics The Routledge Handbook of Philosophy and Science of Addiction will also be of great interest to those in related fields such as medicine mental health social work and social policy

Treating Addictions With EMDR

Therapy and the Stages of Change Nancy Abel, John O'Brien, 2014-06-26 Mental health practitioners must be prepared to treat addiction related issues affecting up to 50% of mental health clients whether or not clients present with addiction as a primary concern This practical roadmap to the treatment of addictions advocates an underutilized yet highly effective method of intervention eye movement desensitization and reprocessing EMDR therapy It is the first book to integrate the Stages of Change Model with EMDR's phases for successful treatment outcome The book addresses the scope of problems relating to addiction including relevant statistics and descriptions of substance and process addictions and considers the connection between addiction and trauma While focusing on the use of EMDR therapy in treating addictions the book also considers traditional models for each stage of treatment so interventions can be individualized according to the needs of each client The authors describe in detail the Transtheoretical Model tracing its development and theoretical foundations They discuss each of its stages in depth presenting and integrating EMDR interventions used by therapists in each stage The interventions are useful for helping clients at any motivational level Case vignettes in each chapter illustrate how EMDR techniques are used and several detailed cases are provided at the end of the book The appendix features additional resources and EMDR protocols The text will be useful for therapists currently using EMDR for addiction treatment as well as those using other modalities who are seeking an effective alternative Key Features Provides a practical roadmap to using the Stages of Change Model and EMDR therapy for effectively treating addictions Addresses substance and process addictions in depth Focuses on the trauma addiction connection and treatment options Describes each Stage of Change and EMDR protocols and interventions for each stage Includes case vignettes and detailed case examples Substance Abuse as Symptom Louis S. Berger, 2013-05-13 What can psychoanalysis contribute to an understanding of the etiology treatment and prevention of substance abuse Here Louis Berger contests both the orthodox view of substance abuse as a disease explicable within the medical model and the fashionable dissenting view that substance abuse is a habit controllable through the willpower fostered by superficial treatment approaches According to Berger substance abuse is first and foremost a symptom He argues that it is only by grasping this fact that we can understand why standard approaches to treatment and prevention have failed Berger invokes a wide spectrum of recent analytic insights about infant and child development the psychology of narcissism and primitive character disorders in making the case that substance abuse masks serious preoedipal or midrange psychopathology Such psychopathology operating at both cultural and person levels explains why certain individuals become dependent on illicit drugs it is equally revelatory of why the substance abuse establishment and society at large continues to misconstrue the nature of the problem and to proffer ill conceived and ineffective remedies After thoroughly examining the motives conscious and unconscious that maintain mainstream myths about substance abuse Berger points the way to alternative approaches to prevention and treatment **Integrating Cultural, Observational, and Epidemiological Approaches in the Prevention of Drug Abuse and HIV/AIDS** ,1999

The book delves into Quitting Cocaine The Struggle Against Impulse. Quitting Cocaine The Struggle Against Impulse is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. Quitting Cocaine The Struggle Against Impulse Introduction

In the digital age, access to information has become easier than ever before. The ability to download Quitting Cocaine The Struggle Against Impulse has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Quitting Cocaine The Struggle Against Impulse has opened up a world of possibilities. Downloading Quitting Cocaine The Struggle Against Impulse provides numerous advantages over physical copies of books and documents. Firstly,

it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Quitting Cocaine The Struggle Against Impulse* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Quitting Cocaine The Struggle Against Impulse*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Quitting Cocaine The Struggle Against Impulse*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Quitting Cocaine The Struggle Against Impulse*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Quitting Cocaine The Struggle Against Impulse* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Quitting Cocaine The Struggle Against Impulse Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Quitting Cocaine The Struggle Against Impulse is one of the best book in our library for free trial. We provide copy of Quitting Cocaine The Struggle Against Impulse in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Quitting Cocaine The Struggle Against Impulse. Where to download Quitting Cocaine The Struggle Against Impulse online for free? Are you looking for Quitting Cocaine The Struggle Against Impulse PDF? This is definitely going to save you time and cash in something you should think about.
