R A Torrey Apostle Of Certainty:

R. A. Torrey Roger Martin, 1976 Sin in the City Thekla Ellen Joiner, 2013-05-20 Long before today's culture wars the Third Great Awakening rocked America. During the late nineteenth and early twentieth centuries evangelists such as Dwight L. Moody and Billy Sunday roused citizens to renounce sin as it manifested in popular culture, moral ambiguity, and the changing role of women. *Sin in the City* examines three urban revivals in turn of the century Chicago to show how revivalists negotiated that era's perceived racial, sexual, and class threats. While most studies of this movement have focused on its male leaders and their interactions with society, Thekla Ellen Joiner raises new questions about gender and race by exploring Third Awakening revivalism as the ritualized performance of an evangelical social system defined by middle class Protestant moral aspirations for urban America. Rather than approaching these events merely as the achievements of persuasive men, she views them as choreographed collective rituals reinforcing a moral order defined by ideals of femininity, masculinity, and racial purity. Joiner reveals how revivalist rhetoric and ritual shifted from sentimental identification of sin with males to a more hard-nosed focus on females castigating loose women whose economic and sexual independence defied revivalist ideals and its civic culture. She focuses on Dwight L. Moody's 1893 World's Fair revival, the 1910 Chapman Alexander campaign, and the 1918 Billy Sunday revival, comparing the locations, organization, messages, and leaders of these three events to depict the shift from masculinized to feminized sin. She identifies the central role women played in the Third Awakening as the revivalists promoted feminine virtue as the corrective to America's urban decline. She also shows that even as its definition of sin became more feminized, Billy Sunday's revivalism began to conform to Chicago's emerging color line. Enraged by rapid social change in cities like Chicago, these preachers spurred Protestant evangelicals to formulate a gendered and racialized moral regime for urban America. Yet as Joiner shows, even as revivalists demonized new forms of entertainment, they used many of the modern cultural practices popularized in theaters and nickelodeons to boost the success of their mass conversions. *Sin in the City* shows that the legacy of the Third Awakening lives on today in the religious right's sociopolitical activism, crusade for family values, disparagement of feminism, and promotion of spirituality in middle class racial and cultural terms. Providing cultural and gender analysis too often lacking in the study of American religious history, it offers a new model for understanding the development of a gendered theology and set of religious practices that influenced Protestantism in a period of enormous social change.

Christ-Centered Robert P. Menzies, 2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience. In *Christ-Centered*, Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book. Although Pentecostals encourage spiritual experience, they do so with a constant eye to Scripture. The Bible, and particularly the book of Acts, fosters and shapes pentecostal experience. Additionally, Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ. At its heart, the pentecostal movement is not Spirit-centered but rather Christ-centered. The work of the Spirit as Pentecostals understand it

centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical Book Trailer for Christ Centered embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **Encyclopedia of Protestantism** Hans J. What Has Wittenberg to Do with Azusa? David J. Courey,2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther s Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying
