youthful and dynamic leadership heading into the latter half of the century A thousand days into the Kennedy presidency an assassin's bullets shattered the dreams of an idealistic generation After the Kennedy assassination Vice President Lyndon Johnson LBJ was catapulted into the Oval Office much to the chagrin of JFK's younger brother Attorney General Robert Kennedy His idyllic life disrupted by fate RFK viewed Johnson as a petty interloper who had seized JFK's rightful place in history Ever fearful that Robert Kennedy would attempt to regain the presidential throne LBJ's paranoia ultimately compromised his judgment and contributed to his downfall Bad Blood Lyndon B Johnson Robert F Kennedy and the Tumultuous 1960s chronicles the personal and political feud between two powerful and controversial twentieth century icons

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author s customary style The New York Observer While Richard Nixon s culpability for Watergate has long been established what s truly remarkable is that after almost fifty years conventional accounts of the scandal still don t address Nixon s motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate

The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times

"R.F.K. Must Die!" Robert Blair Kaiser, 2008-05-06 The definitive text on the mystery of R F K's assassination by a reporter who got inside this story with his impressive grasp of all the loose ends Kirkus Reviews On the night of June 4 1968 Sirhan Sirhan shot and killed Sen Robert F Kennedy in a steamy pantry of the Los Angeles Ambassador Hotel Kennedy and his entourage had been celebrating his victory in the California primary for the Democratic nomination for president Everybody knew that Sirhan was the assassin But was there a wider conspiracy Did the FBI truly solve the crime After working his way deep inside the investigation and spending more than two hundred hours in direct conversation with Sirhan Robert Blair Kaiser wrote the quintessential book on Robert Kennedy's murder Then forty years later Kaiser returned to the evidence revising his original text as he probed even further into this mystifying tragedy Widely recognized as an important contribution to the literature of political assassinations and as a primary document on the tragedy of Kennedy's death R F K Must Die is more than ever a stunning look into the mind of a killer and the substance of an assassination

Making JFK Matter Paul H. Santa Cruz, 2015-05-15 In Making JFK Matter Paul Santa Cruz examines how popular memory of John F Kennedy has been used politically by various interest groups primarily the city of Dallas Lyndon Johnson and Robert Kennedy as well as how the memory of Kennedy has been portrayed in various museums Santa Cruz argues that we have memorialized JFK not simply out of love for him or admiration for the ideals he embodied but because invoking his name carries legitimacy and power Memory can be employed to accomplish particular ends for example the passage of long overdue civil rights legislation or even successfully running for political office Santa Cruz demonstrates the presence and use of popular memory in an extensive analysis of what was being said and by whom about the late president through White House memoranda and speech material museum exhibits such as the Sixth Floor Museum in Dallas and the JFK Presidential Library and Museum in Boston public correspondence newspapers and periodicals of the time memoirs and archival research He also explores how JFK has been memorialized in films such as Bobby JFK and Thirteen Days Written in an accessible manner to appeal to both historians and the general public Making JFK Matter tells us much of how we have

memorialized Kennedy over the years **Abuse Your Illusions** Russ Kick,2003-05-01 The third of Russ Kick's bestselling Disinformation Guides gathers another all star line up of exposés. Juries have ruled in recent trials that Watergate was really about a Democratic Party prostitution ring. Ignored in the U.S. and distorted elsewhere, the Milosevic tribunal hasn't gone the way authorities were anticipating. We present exclusive first hand reporting from the trial. Most theologians don't believe in the physical Resurrection of Jesus. In 2001 the U.S. uncovered the biggest spy ring in the country since WWII yet most people never heard about it. The U.S. is engaging in bioweapons research that violates international treaties and federal law. The New York Times knows about this but refuses to report it. Teddy Roosevelt and Wall Street created Panama for profit. Gandhi wasn't so wonderful after all. These are just some of the revelations in the third of our all star anthologies. Following up on bestsellers *You Are Being Lied To* and *Everything You Know Is Wrong*, editor Russ Kick has again assembled a line up of leading investigative journalists, academics, activists, commentators and independent researchers covering CIA assassinations, the anthrax attacks, fluoride TWA 800, Abraham Lincoln child protective services, the tobacco industry, forgotten uprisings, the government's missing trillions, even more revelations about 9/11 and much more. Contributors include Gary Webb, Greg Palast, Noreena Hertz, Howard Zinn, Douglas Valentine, Jim Houghan, Kristina Borjesson, Arianna Huffington and many more well known writers, some of whom you'll be extremely surprised to see in these pages. **A Companion to Lyndon B. Johnson**

Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B. Johnson's life, presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office. Explores the legacy of Johnson and the historical significance of his years as president. Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam. Incorporates the dramatic new evidence that has come to light through the release of around 8,000 phone conversations and meetings that Johnson secretly recorded as President.

A Treasury of Great American Scandals Michael Farquhar,2003-07-01 Following on the heels of his national bestseller *A Treasury of Royal Scandals*, Michael Farquhar turns his attention to matters a little closer to home with *A Treasury of Great American Scandals*. From the unhappy family relationships of prominent Americans to the feuds, smear campaigns, duels and infamous sex scandals that have punctuated our history, we see our founding fathers and other American heroes in the course of their all too human events. Ineffectual presidents, lazy generals, traitors, treacherous fathers, nagging mothers, ungrateful children, embarrassing siblings and stories about insanity, death and disturbing postmortems are all here, as are disagreeable marriages, vile habits and, of course, sex: good sex, bad sex and good bad sex too. We can take comfort in the fact that we are no worse and no better than our forebears. But we do have better media coverage. Bonus: educational material. A brief history of the United States including scandals. The American Hall of Shame. A complete listing of presidential administrations.
