A. Montgomery, 1983 The reader as a young racing car driver is selected to compete in the African Dual Road Race Rally By choosing specific pages the reader determines the outcome of the race The Fair Race's Darkest Hour C. T. (Editor), 2018-04-17 Compared to the previous editions in this 2018 edition of *The Fair Race's Darkest Hour* I have eliminated my introductory remarks to each chapter and also a dozen essays Only the texts that have caused a considerable impact on my worldview have remained The first two pieces especially Hamilton's explain the baffling phenomenon of Aryan ethnosuicide However I must say that I not only abridged Hamilton's piece for this collection but other essays as well In this compilation there are two fundamental texts The first one a book review by J A Sexton of Tom Goodrich's *Hellstorm The Death of Nazi Germany 1944 1947* informs us about a Dantesque heart breaking Holocaust committed by the Allies on the Germans even after the war was over The second is a translation from Spanish of an online book authored by a Catalanian blogger who uses the penname Evropa Soberana *Rome contra Judea Judea contra Rome* **The Forever Xpansion** David Jackman, 2025-03-21 Jack Silver's life changes in an instant after witnessing a brutal murder outside a London eatery Relentlessly pursued by the victim's psychotic brother Silver finds himself falsely accused and caught between reality and a dystopian otherworld as he desperately seeks to escape Darting from shadow to shadow he finds allies and understanding in unexpected places Meanwhile in the cold blackness of space an ancient artifact of immeasurable power awakens and hurtles towards Earth A chain of events is in motion that threatens not only Jack Silver's life but the fate of all humanity *Race Relations* The New York Times Editorial Staff, 2018-07-15 Perhaps no topic reflects changing societal attitudes in the United States quite like race relations This book compiles articles published by The New York Times through the twentieth and twenty first centuries reflecting changing attitudes toward race relations Coverage includes articles published during the Civil Rights Movement reflections on police brutality and disproportionate incarceration rates of racial minorities and pieces on triumphant moments such as the election of Barack Obama Readers will encounter the nuances of public attitudes toward race and how they've shifted with time and have a way to go yet The Kalevala Lönnrot, 2016-08-25 Compiled by the various sources of Finland's national mythology the Kalevala outlines the creation myths of the world and typical stories of heroes of old including romance lust and conquest The stories that are told here are a national icon for the people of Finland which makes this volume an important part of human history **The Prophetic Times**, 1866 **An Essay on the Origin, Habits, &c. of the African Race: Incidental to the Propriety of Having Nothing to Do with Negroes:** John Jacobus Flournoy, 1835 *Lemuria* Justin McHenry, 2024-01-09 Is Lemuria a real place or the fever dream of crackpots mystics conspiracy theorists and Bigfoot hunters Below the waters where the Pacific and Indian Oceans lies a lost continent One of

hopes and dreams that housed a race of beings that arrived from foreign planets and from which sprang humanity religion civilization and our modern world It was called Lemuria and it was all fake What began as a theoretical land bridge to explain the mystery of lemurs on Madagascar quickly got hijacked to become the evolutionary home of humankind the cradle of spirituality and then the source of cosmological wonders Abandoned by science as hokum Lemuria morphed into a land filled with ancient advanced civilizations hollowed out mountains full of gold and crystals moon beings descending in baskets underground evil creatures and a breast feeding Bigfoot The history of Lemuria is populated with a dizzying array of people from early Darwinists to conspiracy spouting Congressmen globetrotting madams Rosicrucians Hollow Earthers sci fi writers UFO contactees sleeping prophets New Age channelers a Mother God and a tequila swigging conspiracy theorist Historian Justin McHenry provides a thoughtful exploration of how pseudo science hijacked the gentle Victorian era concept of Lemuria and in following decades twisted it into an all encompassing home for alternative ideas about race spirituality science politics and the paranormal
