*The Oxford Handbook of Johannine Studies* Judith M. Lieu, Martinus C. de Boer, 2018-07-26 The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested although careful distinction between the implications of its language especially that of sonship in a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context

of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church. Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel whereas others are more able to give a more substantial place to the letters. All the contributors have themselves made significant contributions to their topic. They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective. The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own on going engagement with these writings.

*Mary and Martha* Satoko Yamaguchi, 2006-12-26 *Mary and Martha Women in the World of Jesus* focuses on women as portrayed in the Johannine Gospel the nature of their lives and their relationship to Jesus **Signs in the Wilderness**

Daniel H. Fletcher, 2014-09-22 *Signs in the Wilderness* portrays Nicodemus as a traveler on a faith journey through the wilderness who is tested by Jesus's signs Signs test Nicodemus's faith in the same way they tested that of the wilderness generations of ancient Israel in the book of Numbers The first generation saw the miraculous signs of God yet refused to believe and so forfeited its right to enter the promised land The second generation in contrast saw the signs believed and boldly entered the promised land So it was in John's Gospel as well in which many people see Jesus' miraculous signs but refuse to believe thus forfeiting eternal life Others believe and inherit eternal life Nicodemus is a test case in that his own wilderness experience is one of divine testing in the face of Jesus' signs Will he have a heart of flesh believe and enter eternal life or a hard heart of stone refuse to believe and die in the wilderness Similarly Jesus' signs test the readers of John's gospel resulting in either belief or unbelief

Keener, 2020-08-27 Given this unique locus of today's church this book takes us back to the foundational teachings of Jesus on missions the Great Commission Gospel of Matthew and the Messianic Commission Gospel of John Although these two passages are universal in grounding Christian mission Professor Keener wants to assure that the role of the Holy Spirit is central to Christian living and acting as God's witnesses Wonsuk Ma PhD Dean Distinguished Professor of Global Christianity College of Theology and Ministry Oral Roberts University Craig Keener one of the finest and most prolific NT scholars of our day has produced another gem *For All Peoples A Biblical Theology of Missions in the Gospels and Acts* blends together rich scholarly insights rooted in an unsurpassed knowledge of the first century world with an edifying and pastoral eye that is

always focused on the radical nature of Jesus call to follow him in his redemptive mission Successive chapters illuminate the seminal contributions that Matthew Luke John and Paul make to a biblical theology of missions The final chapter rooted in the narrative of Acts appropriately ties together these themes by describing Paul s Macedonian vision as a call for the Church to take the gospel from its place of origin in Asia to the mission field of Europe After almost two millennia Keener reminds us just how relevant this call remains for the growing and vibrant churches of Asia today Robert P Menzies PhD Kunming China This is Craig Keener at his best thoroughly expositional and passionately missional Dave Johnson DMiss Managing Editor Asian Journal of Pentecostal Studies

**The Pericope of the Adulteress in Contemporary Research** David Alan Black, Jacob N. Cerone, 2016-04-21 The contributors to this volume J D Punch Jennifer Knust Tommy Wasserman Chris Keith Maurice Robinson and Larry Hurtado re examine the Pericope Adulterae John 7 53 8 11 asking afresh the question of the paragraph s authenticity Each contributor not only presents the reader with arguments for or against the pericope s authenticity but also with viable theories on how and why the earliest extant manuscripts omit the passage Readers are encouraged to evaluate manuscript witnesses scribal tendencies patristic witnesses and internal evidence to assess the plausibility of each contributor s proposal Readers are presented with cutting edge research on the pericope from both scholarly camps those who argue for its originality and those who regard it as a later scribal interpolation In so doing the volume brings readers face to face with the most recent evidence and arguments several of which are made here for the first time with new evidence is brought to the table allowing readers to engage in the controversy and weigh the evidence for themselves

*The Lord Jesus Christ* Brandon D. Crowe, 2023-10-18 Christ our Redeemer Jesus is the divine Son of God who has taken on human nature in the incarnation And as prophet priest and king he leads his people in a new exodus In *The Lord Jesus Christ* Brandon D Crowe reflects on Christ s person and work Crowe traces christological concerns throughout the Old and New Testaments and church history and then presents systematic and practical implications Through a combination of biblical historical and theological study Crowe provides a fresh and robust statement of who Christ is and what he has done Written from a confessionally Reformed perspective in dialogue with the great creeds of the church *The Lord Jesus Christ* provides a thorough and trustworthy guide to understanding Jesus and his salvific work

*From Faith to Faith* Gilbert Soo Hoo, 2012-02-10 A most unlikely hero the man born blind in John 9 champions Jesus cause and triumphs against overwhelming odds Single handedly he disputes with the Pharisees and the Jews first as Jesus witness and then as his surrogate disputant Throughout the process the man navigates much like the proverbial blindfolded player in the children s game Blindman s Bluff by which he deepens in spiritual perception into Jesus true identity Set in the dramatic backdrop of a two party juridical controversy between Jesus and his Jewish accusers the man s journey to full faith lights the often treacherous path for us modern readers to traverse as our vision of Jesus clarifies This story offers us hope that no one is too blind to be ennobled and reveal God working in our lives

**The Doubt of the Apostles and the Resurrection Faith of the Early Church** J. D. Atkins,2019-08-02 Why do the Gospels depict the risen Jesus as touchable and able to eat J D Atkins challenges the common view that Luke 24 and John 20 are apologetic responses to docetism by re examining the redaction of the appearance stories in light of their reception among early docetists and church fathers Page 4 of cover

**The Dionysian Gospel** Dennis R. MacDonald,2017-04-01 Those who eat my flesh and drink my blood abide in me and I in them Dennis R MacDonald offers a provocative explanation of those scandalous words of Christ from the Fourth Gospel an explanation that he argues would hardly have surprised some of the Gospel s early readers John sounds themes that would have instantly been recognized as proper to the Greek god Dionysos the Roman Bacchus not least as he was depicted in Euripides s play The Bacchae A divine figure the offspring of a divine father and human mother takes on flesh to live among mortals but is rejected by his own He miraculously provides wine and offers it as a sacred gift to his devotees women prominent among them dies a violent death and returns to life Yet John takes his drama in a dramatically different direction while Euripides s Dionysos exacts vengeance on the Theban throne the Johannine Christ offers life to his followers MacDonald employs mimesis criticism to argue that the earliest Evangelist not only imitated Euripides but expected his readers to recognize Jesus as greater than Dionysos

*The Claims of Christ* Barry L. Davis,2001-07-27 Who is Jesus Christ What did He stand for What was His purpose in coming to earth How does He want us to relate to Him today All these questions were answered over 2 000 years ago by the Christ Himself Jesus very clearly explained exactly who He was and why He came in the Gospel accounts This volume explores Jesus claims and what they mean to us today It invites us to sit in on Jesus teachings by both examining the cultural setting in which they were made and how they still speak to our contemporary culture with amazing relevance

**Children of the Waters of Meribah** Allan Aubrey Boesak,2019-09-17 In the decades since Black liberation theology burst onto the scene it has turned the world of church society and academia upside down It has changed lives and ways of thinking as well But now there is a question What lessons has Black theology not learned as times have changed In this expansion of the 2017 Yale Divinity School Beecher Lectures Allan Boesak explores this question If Black liberation theology had taken the issues discussed in these pages much more seriously struggled with them much more intensely thoroughly and honestly would it have been in a better position to help oppressed black people in Africa the United States and oppressed communities everywhere as they have faced the challenges of the last twenty five years In a critical self critical engagement with feminist and especially African feminist theologians in a trans disciplinary conversation Allan Boesak as Black liberation theologian from the Global South offers tentative but intriguing responses to the vital questions facing Black liberation theology today particularly those questions raised by the women

**Narrative Art & Women in the Gospels and Acts** David Malick,2018-06-05 David Malick applies the hermeneutics of narrative analysis to select passages involving women in the Gospels of Mark Luke John and in the Book of Acts At times the scope of this analysis extends beyond heightened understanding of how authors presented women as significant characters and even foils to men in the narratives The use of duality and balance in the narratives of Zacharias and Mary Nicodemus and the Samaritan Woman and Aeneas Tabatha and Cornelius focus on what the author is doing with what he is saying The use of intercalations or sandwich stories brings about heightened meaning when the stories of Jesus mother and the religious leaders or Jairus and the woman with a hemorrhage or Judas and the woman who anoints Jesus for his burial are read together in Mark A first and subsequent reading of the healing of Simon s mother in law in Mark provides the reader with the first picture of true discipleship The literary technique of a sign sermon shows logical unity to what might be considered separate units in Mark and Acts
