History of a Coal Age Empire
Volume 2: The Twentieth Century**

By James L. Holton

Reading Railroad History Of A Coal Age Empire The 20th Century

Richard Vague

Reading Railroad History Of A Coal Age Empire The 20th Century:

The Reading Railroad: The twentieth century James L. Holton, 1992-01-01 *The Reading Railroad: The twentieth century* James L. Holton, 1989 Railroad Museum of Pennsylvania Railroad Museum of Pennsylvania, Dan Cupper, 2002 A guidebook to the museum in Strasburg Pennsylvania covering the history of the state's railroad industry with a tour of the 100 000 square foot exhibit hall which displays dozens of historic locomotives and rolling stock significant to Pennsylvania's railroad heritage A complete checklist of the museum's collection of rolling stock is included

Buffett's Early Investments Brett Gardner, 2024-11-05 Buffett's Early Investments investigates ten investments that legendary investor Warren Buffett made in the 1950s and 1960s earning him his first millions and uncovers unique insights in the process Using the same documents Buffett used when he made these investments the author reveals the fascinating inside stories of How Philadelphia and Reading Buffett's largest investment in 1954 transformed from a declining coal company to a diversified conglomerate whose stock went up twentyfold due to the intervention of Buffett's mentor Ben Graham How Buffett and Charlie Munger made their first formal investment together in Hochschild Kohn How corporate governance issues actually presented serious risk to Buffett's 1966 investment in Walt Disney Other investments analyzed include American Express British Columbia Power Cleveland Worsted Mills Greif Bros Marshall Wells Studebaker and Union Street Railway Not all of these investments worked out this book shows why Buffett's Early Investments helps readers understand how history's greatest ever investor really made his returns in the years where he produced his best numbers

The Face of Decline Thomas L. Dublin, Walter Licht, 2016-11-15 The anthracite coal region of Pennsylvania once prospered Today very little mining or industry remains although residents have made valiant efforts to restore the fabric of their communities In *The Face of Decline* the noted historians Thomas Dublin and Walter Licht offer a sweeping history of this area over the course of the twentieth century Combining business labor social political and environmental history Dublin and Licht delve into coal communities to explore grassroots ethnic life and labor activism economic revitalization and the varied impact of economic decline across generations of mining families *The Face of Decline* also features the responses to economic crisis of organized capital and labor local business elites redevelopment agencies and state and federal governments Dublin and Licht draw on a remarkable range of sources oral histories and survey questionnaires documentary photographs the records of coal companies local governments and industrial development corporations federal censuses and community newspapers The authors examine the impact of enduring economic decline across a wide region but focus especially on a small group of mining communities in the region's Panther Valley from Jim Thorpe through Lansford to Tamaqua The authors also place the anthracite region within a broader conceptual framework comparing anthracite's decline to parallel developments in European coal basins and Appalachia and to deindustrialization in the United States more generally

A Brief History of Doom Richard Vague, 2019-03-25 Financial crises happen time and again in post industrial economies and they are

extraordinarily damaging Building on insights gleaned from many years of work in the banking industry and drawing on a vast trove of data Richard Vague argues that such crises follow a pattern that makes them both predictable and avoidable A Brief History of Doom examines a series of major crises over the past 200 years in the United States Great Britain Germany France Japan and China including the Great Depression and the economic meltdown of 2008 Vague demonstrates that the over accumulation of private debt does a better job than any other variable of explaining and predicting financial crises In a series of clear and gripping chapters he shows that in each case the rapid growth of loans produced widespread overcapacity which then led to the spread of bad loans and bank failures This cycle according to Vague is the essence of financial crises and the script they invariably follow The story of financial crisis is fundamentally the story of private debt and runaway lending Convinced that we have it within our power to break the cycle Vague provides the tools to enable politicians bankers and private citizens to recognize and respond to the danger signs before it begins again **Railroad History** ,1993 **The Hour of Fate** Susan Berfield,2020-05-05 A riveting narrative of Wall Street buccaneering political intrigue and two of American history s most colossal characters struggling for mastery in an era of social upheaval and rampant inequality It seemed like no force in the world could slow J P Morgan s drive to power In the summer of 1901 the financier was assembling his next mega deal Northern Securities an enterprise that would affirm his dominance in America s most important industry the railroads Then a bullet from an anarchist s gun put an end to the business friendly presidency of William McKinley A new chief executive bounded into office Theodore Roosevelt He was convinced that as big business got bigger the government had to check the influence of the wealthiest or the country would inch ever closer to collapse By March 1902 battle lines were drawn the government sued Northern Securities for antitrust violations But as the case ramped up the coal miners union went on strike and the anthracite pits that fueled Morgan s trains and heated the homes of Roosevelt s citizens went silent With millions of dollars on the line winter bearing down and revolution in the air it was a crisis that neither man alone could solve Richly detailed and propulsively told The Hour of Fate is the gripping story of a banker and a president thrown together in the crucible of national emergency even as they fought in court The outcome of the strike and the case would change the course of our history Today as the country again asks whether saving democracy means taming capital the lessons of Roosevelt and Morgan s time are more urgent than ever Winner of the 2021 Theodore Roosevelt Association Book Prize Finalist for the Presidential Leadership Book Award *Railfan & Railroad* ,2006 **Out of Steam** Jeffrey W. Schramm,2010 About the Author Jeff Schramm is an associate professor of history at Missouri University of Science and Technology Book Jacket **The Routledge Companion to Spatial History** Ian Gregory,Don DeBats,Don Lafreniere,2018-01-19 The Routledge Companion to Spatial History explores the full range of ways in which GIS can be used to study the past considering key questions such as what types of new knowledge can be developed solely as a consequence of using GIS and how effective GIS can be for different types of research Global in scope and covering a broad

range of subjects the chapters in this volume discuss ways of turning sources into a GIS database methods of analysing these databases methods of visualising the results of the analyses and approaches to interpreting analyses and visualisations Chapter authors draw from a diverse collection of case studies from around the world covering topics from state power in imperial China to the urban property market in nineteenth century Rio de Janeiro health and society in twentieth century Britain and the demographic impact of the Second Battle of Ypres in 1915 Critically evaluating both the strengths and limitations of GIS and illustrated with over two hundred maps and figures this volume is an essential resource for all students and scholars interested in the use of GIS and spatial analysis as a method of historical research **The Pennsylvania**

Railroad, Volume 1 Albert J. Churella, 2012-10-29 Do not think of the Pennsylvania Railroad as a business enterprise Forbes magazine informed its readers in May 1936 Think of it as a nation At the end of the nineteenth century the Pennsylvania Railroad was the largest privately owned business corporation in the world In 1914 the PRR employed more than two hundred thousand people more than double the number of soldiers in the United States Army As the self proclaimed Standard Railroad of the World this colossal corporate body underwrote American industrial expansion and shaped the economic political and social environment of the United States In turn the PRR was fundamentally shaped by the American landscape adapting to geography as well as shifts in competitive economics and public policy Albert J Churella s masterful account certain to become the authoritative history of the Pennsylvania Railroad illuminates broad themes in American history from the development of managerial practices and labor relations to the relationship between business and government to advances in technology and transportation Churella situates exhaustive archival research on the Pennsylvania Railroad within the social economic and technological changes of nineteenth and twentieth century America chronicling the epic history of the PRR intertwined with that of a developing nation This first volume opens with the development of the Main Line of Public Works devised by Pennsylvanians in the 1820s to compete with the Erie Canal Though a public rather than a private enterprise the Main Line foreshadowed the establishment of the Pennsylvania Railroad in 1846 Over the next decades as the nation weathered the Civil War industrial expansion and labor unrest the PRR expanded despite competition with rival railroads and disputes with such figures as Andrew Carnegie and John D Rockefeller The dawn of the twentieth century brought a measure of stability to the railroad industry enabling the creation of such architectural monuments as Pennsylvania Station in New York City The volume closes at the threshold of American involvement in World War I as the strategies that PRR executives had perfected in previous decades proved less effective at guiding the company through increasingly tumultuous economic and political waters National Railway Bulletin , 1993 **Encyclopedia of New Jersey** Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey **Railway Depots, Stations & Terminals** Brian Solomon, 2015-10 Ride the rails with famed railroad historian Brian Solomon and learn about the incredible architecture and history of stations across

America Trends in Contract Coal Transportation, 1979-1987 United States. Office of Coal, Nuclear, Electric, and Alternate Fuels, 1991

The Twilight of Steam Brian Solomon, 2014-06-15 DIVA beautiful retrospective of American steam locomotives in their final years featuring photography and recollections of the men who documented the end of the steam age

div **From Wounded Knee to the Gallows** Philip S. Hall, Mary Solon Lewis, 2020-05-14 On December 28 1894 the day before the fourth anniversary of the massacre at Wounded Knee Lakota chief Two Sticks was hanged in Deadwood South Dakota The headline in the Black Hills Daily Times the next day read A GOOD INDIAN a spiteful turn on the infamous saying The only good Indian is a dead Indian On the gallows Two Sticks known among his people as Can Nopa Uhah declared My heart knows I am not guilty and I am happy Indeed years later convincing evidence emerged supporting his claim The story of Two Sticks as recounted in compelling detail in this book is at once the righting of a historical wrong and a record of the injustices visited upon the Lakota in the wake of Wounded Knee The Indian unrest of 1890 did not end with the massacre as the government willfully neglected mismanaged and exploited the Oglala in a relentless if unofficial policy of racial genocide that continues to haunt the Black Hills today In From Wounded Knee to the Gallows Philip S Hall and Mary Solon Lewis mine government records newspaper accounts and unpublished manuscripts to give a clear and candid account of the Oglala s struggles as reflected and perhaps epitomized in Two Sticks s life and the miscarriage of justice that ended with his death Bracketed by the run up to and craven political motivation behind Wounded Knee and the later revelations establishing Two Sticks s innocence this is a history of a people threatened with extinction and of one man felled in a battle for survival hopelessly weighted in the white man s favor With eyewitness immediacy this rigorously researched and deeply informed account at long last makes plain the painful truth behind a dark period in U S history Cresheim Farm Antje Ulrike Mattheus, 2023-06-30 This book is a work of political archaeology It focuses on the people and events at a particular colonial farm in Germantown Pennsylvania their stories provide a micro and macro view of economic social demographic and agro ecological change Cresheim Farm shows how one mostly unknown but strategically placed piece of land home to an extraordinary array of people including early anti slavery and anti Nazi activists the first woman editor of the Saturday Evening Post and a robber baron can tell affect and reflect the history of a nation The writing is historically grounded and academic future oriented deeply researched and immediate Cresheim Farm serves as a lens through which to observe and understand social forces such as the launching point of freedom and democracy movements white privilege slavery and genocidal westward expansion The past lives on in all of us American Railroads in the Nineteenth Century Augustus J. Veenendaal, 2003-05-30 Offers an analysis of the role that railroads played in the nineteenth century their contribution to the technology of the era and the key figures responsible for their integration into American society

This is likewise one of the factors by obtaining the soft documents of this **Reading Railroad History Of A Coal Age Empire The 20th Century** by online.
