Reading Southern History Glenn Feldman, 2001-10-09 This collection of essays examines the contributions of some of the most notable interpreters of American southern history and culture The volume includes 18 chapters on such notable historians as John Hope Franklin Anne Firor Scott and W J Cash

The Dunning School John David Smith, J. Vincent Lowery, 2013-10-14 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses

William Owen Carver's Controversies in the Baptist South Mark Robert Wilson, 2010 William Owen Carver 1868 1954 was a denominational stalwart and longtime professor of Missions and Comparative Religion at the Southern Baptist Theological Seminary Over the years Carver became embroiled in numerous denominational controversies This book tells these stories

History and Hope in the Heart of Dixie Gordon E. Harvey, Richard D. Starnes, Glenn Feldman, 2006-08-20 Can any good thing come from Auburn John Shelton Reed Revisiting race relations in an Upland South community Lacrosse Arkansas Brooks Blevins Southern accents the politics of race and the passage of the Economic Opportunity Act of 1964 Susan Youngblood Ashmore Is there a balm in Gilead Baptists and reform in North Carolina 1900 1925 Richard D Starnes The beginnings of interracialism Macon Georgia in the 1930s Andrew M Manis Race class the Southern conference and the beginning of the end of the New Deal coalition Glenn Feldman Wallaceism is an insidious and treacherous type of disease the 1970 Alabama gubernatorial election and the Wallace freeze on Alabama politics Gordon E Harvey Divide and conquer interest groups and political culture in Alabama 1929 1971 Jeff Frederick The

scholar as activist Dewayne Key Evangelist for constitutional reform Bailey Thomson The historian as public policy activist Dan T Carter **Crafting the Overseer's Image** William E. Wiethoff, 2006 The first book length study of the overseer in four decades Wiethoff's study bridges historical legal and rhetorical scholarship to present a provocative investigation into the multifaceted roles of this oft forgotten figure in plantation society Wiethoff canvasses the period from 1650 through 1865 and across a southern expanse that stretches to include the Upper and Deep South Overseers left scant written evidence about their lives and times but Wiethoff unearths characterizations constructed by friends and enemies neighbors and strangers He also mines the legal record to gauge the impact of legislative and case law rhetoric on public memory

Writing Women's History Elizabeth Anne Payne, 2011-09-13 Contributions by Laura F Edwards Crystal Feimster Glenda E Gilmore Jacquelyn Dowd Hall Darlene Clark Hine Mary Kelley Markeeva Morgan Anne Firor Scott Laurel Thatcher Ulrich and Deborah Gray White Anne Firor Scott's *The Southern Lady From Pedestal to Politics 1830-1930* stirred a keen interest among historians in both the approach and message of her book Using women's diaries letters and other personal documents Scott brought to life southern women as wives and mothers as members of their communities and churches and as sometimes sassy but rarely passive agents She brilliantly demonstrated that the familiar dichotomies of the personal versus the public the private versus the civic which had dominated traditional scholarship about men could not be made to fit women's lives In doing so she helped to open up vast terrains of women's experiences for historical scholarship This volume based on papers presented at the University of Mississippi's annual Chancellor Porter L Fortune Symposium in Southern History brings together essays by scholars at the forefront of contemporary scholarship on American women's history Each regards *The Southern Lady* as having shaped her historical perspective and inspired her choice of topics in important ways These essays together demonstrate that the power of imagination and scholarly courage manifested in Scott's and other early American women historians work has blossomed into a gracious plentitude **Freedom's Main Line** Derek Charles Catsam, 2009-01-23 A compelling spellbinding examination of a pivotal event in civil rights history a highly readable and dramatic account of a major turning point *Journal of African American History* Black Americans in the Jim Crow South could not escape the grim reality of racial segregation whether enforced by law or by custom In *Freedom's Main Line The Journey of Reconciliation and the Freedom Rides* author Derek Charles Catsam shows that courtrooms classrooms and cemeteries were not the only front lines in African Americans prolonged struggle for basic civil rights Buses trains and other modes of public transportation provided the perfect means for civil rights activists to protest the second class citizenship of African Americans bringing the reality of the violence of segregation into the consciousness of America and the world *Freedom's Main Line* argues that the Freedom Rides a turning point in the Civil Rights Movement were a logical natural evolution of such earlier efforts as the Journey of Reconciliation relying on the principles of nonviolence so common in the larger movement The impact of the Freedom Rides however was unprecedented fixing the issue of civil rights in the national

consciousness Later activists were often dubbed Freedom Riders even if they never set foot on a bus With challenges to segregated transportation as his point of departure Catsam chronicles black Americans long journey toward increased civil rights Freedom s Main Line tells the story of bold incursions into the heart of institutional discrimination journeys undertaken by heroic individuals who forced racial injustice into the national and international spotlight and helped pave the way for the landmark Civil Rights Act of 1964 **The Disfranchisement Myth** Glenn Feldman,2004 This study challenges decades of scholarship on an ever topical but misunderstood impulse behind disfranchisement in America racism Drawing on court documents voting statistics civil rights and labor records and many other sources Feldman shows that the racist appeals of Alabama s white planters industrialists and other conservatives motivated poor whites in far greater numbers and for more complex reasons than received knowledge concedes The seemingly natural allies of blacks poor whites constituted most of the white opposition to disfranchisement says Feldman Yet the number of poor whites who backed the new constitution was greater Ultimately many would be disfranchised by the very measures they had believed were aimed only at blacks In that sense says Feldman poor whites were more parties to their own demise than the mere victims of circumstance

Politics and Religion in the White South Glenn Feldman,2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable Politics and Religion in the White South skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham s influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident Politics and Religion in the White South offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism *The New Encyclopedia of Southern Culture* Charles Reagan Wilson,2014-02-01 Providing a chronological and interpretive spine to the twenty four volumes of The New Encyclopedia of

Southern Culture this volume broadly surveys history in the American South from the Paleoindian period approximately 8000 B C E to the present In 118 essays contributors cover the turbulent past of the region that has witnessed frequent racial conflict a bloody Civil War fought and lost on its soil massive in and out migration major economic transformations and a civil rights movement that brought fundamental change to the social order Charles Reagan Wilson s overview essay examines the evolution of southern history and the way our understanding of southern culture has unfolded over time and in response to a variety of events and social forces not just as the opposite of the North but also in the larger context of the Atlantic World Longer thematic essays cover major eras and events such as early settlement slave culture Reconstruction the New Deal and the rise of the New South Brief topical entries cover individuals including figures from the Civil War the civil rights movement and twentieth century politics and organizations such as the Southern Christian Leadership Conference Daughters of the Confederacy and Citizens Councils among others Together these essays offer a sweeping reference to the rich history of the region

The World of Colonial America Ignacio Gallup-Diaz, 2017-04-28 The World of Colonial America An Atlantic Handbook offers a comprehensive and in depth survey of cutting edge research into the communities cultures and colonies that comprised colonial America with a focus on the processes through which communities were created destroyed and recreated that were at the heart of the Atlantic experience With contributions written by leading scholars from a variety of viewpoints the book explores key topics such as The Spanish French and Dutch Atlantic empires The role of the indigenous people as imperial allies trade partners and opponents of expansion Puritanism Protestantism Catholicism and the role of religion in colonization The importance of slavery in the development of the colonial economies The evolution of core areas and their relationship to frontier zones The emergence of the English imperial state as a hegemonic world power after 1688 Regional developments in colonial North America Bringing together leading scholars in the field to explain the latest research on Colonial America and its place in the Atlantic World this is an important reference for all advanced students researchers and professionals working in the field of early American history or the age of empires

Race Harmony and Black Progress Mark Ellis, 2013-10-16 Founded by white males the interracial cooperation movement flourished in the American South in the years before the New Deal The movement sought local dialogue between the races improvement of education and reduction of interracial violence tending the flame of white liberalism until the emergence of white activists in the 1930s and after Thomas Jackson Jack Woofter Jr a Georgia sociologist and an authority on American race relations migration rural development population change and social security maintained an unshakable faith in the effectiveness of cooperation rather than agitation Race Harmony and Black Progress examines the movement and the tenacity of a man who epitomized its spirit and shortcomings It probes the movement s connections with late 19th century racial thought Northern philanthropy black education state politics the Du Bois Washington controversy the decline of lynching the growth of the social sciences and New Deal campaigns for social justice

The Mississippi Encyclopedia Ted Ownby, Charles Reagan

Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing Sisterly Networks Catherine Clinton, 2020-10-06 Tracing the development of the field of southern women's history over the past half century Sisterly Networks shows how pioneering feminists laid the foundation for a strong community of sister scholars and delves into the work of an organization central to this movement the Southern Association for Women Historians SAWH Launched in 1970 the SAWH provided programming mentoring fundraising and outreach efforts to support women historians working to challenge the academic establishment In this book leading scholars reflect on their own careers in southern history and their experiences as women historians amid this pathbreaking expansion and revitalization of the field Their stories demonstrate how women created new archival collections expanded historical categories to include gender and sexuality reimaged the roles and significance of historical women wrote pioneering monographs and mentored future generations of African American women and other minorities who entered the academy and contributed to public discourse Providing a lively roundtable discussion of the state of the field contributors comment on present and future work environments and current challenges in higher education and academic publishing They offer profound and provocative insights on the ways scholars can change the future through radically rewriting the gender biases of recorded history Contributors Catherine Clinton Michele Gillespie Glenda E Gilmore Cherisse Jones Branch Melissa Walker A volume in the series Frontiers of the American South edited by William A Link **Alabama Politics in the Twenty-First Century** William H. Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state's distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take

place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart's *Alabama Politics in the Twenty First Century* explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state's bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State's long and rich political history Stewart concentrates on Alabama's statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner *Alabama Politics in the Twenty First Century* is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State's politics

C. Vann Woodward James C. Cobb, 2022-09-01 With an epic career that spanned two thirds of the twentieth century C Vann Woodward 1908 1999 was a historian of singular importance A brilliant writer his work captivated both academic and public audiences He also figured prominently in the major intellectual conflicts between left and right during the last half of the twentieth century although his unwavering commitment to free speech and racial integration that affirmed his liberalism in the 1950s struck some as emblematic of his growing conservatism by the 1990s Woodward's vision still permeates our understandings of the American South and of the history of race relations in the United States Indeed as this fresh and revealing biography shows he displayed a rare genius and enthusiasm for crafting lessons from the past that seemed directly applicable to the concerns of the present a practice that more than once cast doubt on his scholarship James C Cobb offers many original insights into Woodward's early years and private life his long career and his almost mythic public persona In a time where the study and substance of American history are profoundly contested Woodward's career is replete with lessons in how myths about the past some created by historians themselves come to be enshrined as historical truth

Democracy and the Courts David M. Gold, 2025-06-12 The first comprehensive examination of the development of judicial elections in the American South The practice of choosing state judges by popular election is a unique aspect of American democracy First appearing in Mississippi in 1832 and then sweeping across the United States judicial elections had a distinctly Southern origin Prior scholarship seeking to explain the broad acceptance of the elected judiciary mainly relied on the records of Northern state constitutional conventions In *Democracy and the Courts* David M Gold offers the first comprehensive exploration of the advent of this often controversial

democratic reform in the nineteenth century American South Making intensive use of primary sources such as constitutional convention proceedings legislative journals and newspapers Gold explores the various paths taken by Southern states toward the elective judiciary and the reasons why some states accepted judicial elections only partially or rejected them altogether He considers the effect of judicial elections on judicial review before the Civil War and looks to the last quarter of the nineteenth century assessing the final and ironic triumph of the elective judiciary during the decidedly undemocratic Jim Crow era

In Joy and in Sorrow Carol Bleser, 1992-09-17 In Joy and in Sorrow brings together some of the finest historians of the South in a sweeping exploration of the meaning of the family in this troubled region In their vast canvas of the Victorian South the authors explore the private lives of Senators wealthy planters and the belles of high society along with the humblest slaves and sharecroppers both white and black Stretching from the height of the antebellum South's pride and power through the chaos of the Civil War and Reconstruction to the end of the century these essays uncover hidden worlds of the Southern family worlds of love and duty and of incest miscegenation and insanity Featuring an introduction by C Vann Woodward Pulitzer Prize winning author of *Mary Chesnut's Civil War* and a foreword by Anne Firor Scott author of *The Southern Lady* this work presents an outstanding array of historians Eugene Genovese Catherine Clinton Elizabeth Fox Genovese Carol Bleser Drew Faust James Roark Michael Johnson Brenda Stevenson Bertram Wyatt Brown Jacqueline Jones Peter Bardaglio and more They probe the many facets of Southern domestic life from the impact of the Civil War on a prominent Southern marriage to the struggles of postwar sharecropper families One author turns the pages of nineteenth century cookbooks exploring what they tell us about home life housekeeping and entertaining without slaves after the Civil War Other essays portray the relationship between a Victorian father and his devoted son as well as the private writings of a long suffering Southern wife In Joy and in Sorrow offers a fascinating look into the tangled reality of Southern life before during and after the Civil War With this collection of essays editor Carol Bleser provides a powerful new way of understanding this most self consciously distinct region In Joy and in Sorrow will appeal to everyone interested in marriage and the family the problems of gender and slavery as well as in the history of the South old and new

Du Bois Reiland Rabaka, 2021-03-23 W E B Du Bois is widely considered one of the most accomplished and controversial African American intellectuals in U S history A pioneering historian sociologist political economist and civil rights activist his masterpiece *The Souls of Black Folk* remains one of the most widely read books in the history of American literature In this new book Reiland Rabaka critically explores Du Bois's multidimensional legacy lucidly introducing his main contributions in areas ranging from American sociology and critical race studies to black feminism and black Marxism Rabaka argues that Du Bois's corpus particularly when attention is given to his contributions to the critique of racism sexism capitalism and colonialism can be persuasively interpreted as both an undeniable and unprecedented contribution to the origins and evolution of one of our most important contemporary critical concepts intersectionality Du Bois A Critical Introduction is an indispensable resource

for scholars and students of history sociology politics and economics It will also be very valuable for those working in interdisciplinary fields ranging from African American studies critical race studies and critical white studies to black feminism black Marxism and black internationalism

Reading Southern History Essays On Interpreters And Interpretations Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reading Southern History Essays On Interpreters And Interpretations has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Southern History Essays On Interpreters And Interpretations has opened up a world of possibilities. Downloading Reading Southern History Essays On Interpreters And Interpretations provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Southern History Essays On Interpreters And Interpretations has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Southern History Essays On Interpreters And Interpretations. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Southern History Essays On Interpreters And Interpretations. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Southern History Essays On Interpreters And Interpretations, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Southern History Essays On Interpreters And Interpretations has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reading Southern History Essays On Interpreters And Interpretations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
